With Direct Debit, your Council Tax bill can be spread over ten or even twelve months from April. The monthly amounts are automatically deducted from your bank account on a date agreed by you. We offer a choice of dates to pay, to suit your budget.

Direct Debit takes a laid back approach to paying bills. It beats running around in circles and allows you to decide when to pay.

Simply select one of the following dates each month:-

Payment by old-fashioned methods like cash, cheque and standing order are normally due on the 15th of the month, so you can pay later by Direct Debit.

This leaflet has been developed by over 50 councils working together. By pooling our resources to promote Direct Debit, substantial savings have been made.
