Academies and Church Schools

**Primary Admission Policies
Academies and Voluntary Aided Schools
2026/27**

Admission Arrangements 2026/27 School Year

- 1 These are the admission arrangements for the 2026/27 school year.
- 2 Unless delegated to the Local Authority, only the Governing Body is able to decide who is eligible for a place at the school. Neither the Headteacher nor their representatives are able to offer a school place.

General Statement

- 3 In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

- 4 The admission number for the school is 60. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.
- 5 Before making a final decision, the Governing Body considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
- 6 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Formⁱ (CAF) under a Coordinated Admission Schemeⁱⁱ (CAS).

Expressing A Preference - Year of Entry

- 7 Applications for admission to a schools year of entry should be made in accordance with the relevant CAS.

Closing Date For Receipt Of Parental Preferences

- 8 The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS.

Late applications are processed in accordance with the relevant CAS.

Eligibility For A Place At A School - Oversubscription Criteria

- 9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) Looked After Children or all Previously Looked After Childrenⁱⁱⁱ

b) Catchment Area

Children who are ordinarily resident^{iv} in the catchment area of the school.

For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included.

Where a place is only available for one child from a multiple birth i.e. twins, each child will be offered a place.

d) Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence^{iv}, to the entrance nearest to the reception point of the school.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of

this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

The Offer Of A Place At A School

- 10 Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

- 11 Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

- 12 Pupils will be added to the waiting list(s) of community schools where they were refused a place and those schools were ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.
- 13 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In Year Transfers

- 14 Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.
- 15 Where there are sufficient places an application will normally be agreed unless specific circumstances apply^v.
- 16 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 17 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is agreed, the Headteacher will, within two weeks of a place being offered, determine a start date.
- 19 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Headteacher of the school or in circumstances beyond the parent's control, e.g. movement into the Borough.
- 20 Pupils are required to start at the school within two weeks of the start date offered by the Headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.

- 21 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
- 22 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Independent Appeals

- 23 If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the refusal letter to:

Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Explanatory Notes

i Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for a school or schools at the normal point of admission.

ii Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal

admission round. Separate schemes apply in the case of primary and secondary admissions.

iii Looked After Children or Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children
A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

v Specific Circumstances For Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's In Year Fair Access Policy.

Parents will apply for places to Askern Littlemoor Infant Academy as part of the Doncaster Local Authority process. Askern Littlemoor Infant Academy will work in partnership with Doncaster Local Authority to ensure student places are given fairly, in line with the published admissions criteria, which will conform with the National Code of Practice on Admissions.
- 1.2 Askern Littlemoor Infant Academy serves a local community, usually referred to as the 'catchment area'. This policy reflects the Academy Trust's commitment to providing places where possible to students who live in our catchment area as defined by our pyramid schools.
- 1.3 Attendance at the nursery at Askern Littlemoor Infant Academy does not guarantee a place in reception. Parents of children attending nursery must make an application for reception on-line through Doncaster Council.

2. ADMISSION NUMBER

- 2.1 The admission number for the academy is **60** and the admission number for Littlemoor's Nursery is **78**. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the academy in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.
- 2.2 Before making a final decision, the CEO along with the Governing Body and the Academy Principal considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
- 2.3 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Form (CAF) under a Coordinated Admission Scheme (CAS).

3. EXPRESSING A PREFERENCE – YEAR OF ENTRY

Applications for admission to a school's year of entry should be made in accordance with the relevant Coordinated Admissions Scheme. The Admissions Scheme is published on the Doncaster Council Website.

4. CLOSING DATE FOR RECEIPT OF PARENTAL PREFERENCES

The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS. Late applications are processed in accordance with the relevant CAS.

5. ELIGIBILITY FOR A PLACE AT A SCHOOL – OVERSUBSCRIPTION CRITERIA

This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for Askern Littlemoor Infant Academy will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) Looked after children or all previously looked after children

This includes those children who appear (to the admissions authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted or became subject to a child arrangement order or special guardianship order.

b) Catchment Area

Children who are ordinarily resident in the catchment area of the school.

For applications for the year of entry received by the closing date, a catchment area academy will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g. step-siblings, foster siblings, adopted siblings) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included.

Where a place is only available for one child from a multiple birth i.e. twins, each child will be offered a place.

d) Proximity

Children who live nearest to the requested school measured in a straight line from the center point of the child's ordinary place of residence i.e., to the entrance nearest to the reception point of the academy.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

The random allocation process will be supervised at all times by someone independent of the academy. In the case where parents have shared responsibility for a child following the breakdown of their relationship and the child lives for part of the week with each parent, the measurements will take into account both places of residence.

Measurements will be made using a computerised programme.

6. THE OFFER OF A PLACE AT A SCHOOL

Decisions will be emailed to parents in accordance with the Local Authority's Coordinated Admissions Scheme. The offer is made on the National Offer Day. Primary academies this is the 16th April (or by the next working day when the 16th April falls on a weekend or Bank Holiday).

7. UNSUCCESSFUL APPLICATIONS

Any parent whose child is not offered an academy place for which they have expressed a preference has the right to an independent appeal.

8. WAITING LISTS

- 8.1 Pupils will be added to the waiting list(s) of academies where they were refused a place and those academies were ranked higher on the Common Application Form than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the Autumn Term (31st December).
- 8.2 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the academy. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.
- 8.3 Looked after children or previously looked after children will be allocated a place at the academy in accordance with the Fair Access Protocol and will take precedence over those on the waiting list.

9. IN YEAR TRANSFERS

- 9.1 A parent can apply for a place for their child at any school, at any time. Applications for admissions outside of the normal admission round (In-year Transfers) may be considered by the academy. They should be made on the official application form and will be managed by the Local Authority admissions scheme. Information on how in-year applications can be made are available on the Doncaster Council website.
- 9.2 Where there are sufficient places, an application will normally be agreed unless specific circumstances apply.
- 9.3 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 9.4 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 9.5 If a place is agreed, the Head Teacher will, within two weeks of a place being offered, determine a start date.
- 9.6 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Head Teacher of the school or in circumstances beyond the parent's control, e.g. movement into the Borough.
- 9.7 Pupils are required to start at the school within two weeks of the start date offered by the Head Teacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.

9.8 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families' or the academy's circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.

9.9 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

10. NURSERY ADMISSIONS

10.1 Parents should initially apply for their child to be admitted in the September following their child's third birthday. Subject to the availability of places, successful applicants will be eligible for admission during the term following their third birthday. (See section 10.9)

10.2 Pupils are entitled to 15 hours' free provision per week for 38 weeks.

10.3 **Admission Limit-** The Admission Limit of the academy (see appendix 1) determines the maximum number of pupils that can be properly accommodated in a nursery. It is not an arbitrary process, and;

- is assessed in accordance with the Department for Education (DfE) Premises Regulations which take account the nature and type of the school buildings providing for the acceptable amount of space for each pupil, and
- takes into account the DfE staffing ratio of 1 adult to 13 pupils with at least one adult being a teacher.

10.4 **Closing and Announcement Dates-** The closing date for receipt of applications for nursery in September 2026 is 6th October 2025. Decisions are emailed to parents during November 2025. Late applications are accepted and will be considered after those received by the closing date have been processed.

10.5 Applications are considered during the school year and should be submitted by Friday at 5pm during term time. Decisions are normally posted within 2 school weeks.

10.6 **Admission to Nursery** - A child who has attained the age of three years on, or before, the 31 August 2025 will normally be admitted part-time to a nursery class from the start of the following school year.

10.7 Although the majority of children will only attend one nursery, the minimum period they should attend is one term and parents are required to sign a contract on a termly basis.

10.8 Only in exceptional circumstances will a pupil be allowed to transfer between academies/nurseries during a term i.e. where they change their address or there is a change in child care arrangements.

10.9 Early Admission

Once a pupil has secured a place for September admission, if places are available

children may be admitted earlier. Those places will be offered by the academy/school in criteria order as follows;

- a) Children born in the Autumn Term may be able to start in the Spring Term.
- b) Children born in the Spring Term may be able to start in the Summer Term.

If a child attends a nursery 'early', they will normally continue into the nursery in the following September unless there has been a change of address or there is a change in child care arrangements.

- 10.10 **Allocation of Places and Admission Criteria** - This section outlines the criteria to be used to decide upon eligibility for a place where the number of applications exceeds the admission limit.

Having regard to a pupil with an Education Health and Care Plan naming the school in their statement, the criteria for allocating places is listed below in order of priority:

- a) Looked After Children or All Previously Looked After Children
- b) Children who are ordinarily resident in the catchment area of the school.

For the purposes of applications received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the closing date. A child's place on a waiting list is reviewed once the parent has confirmed that the pupil is resident at a different address.

- c) Doncaster Children, living within the same family unit (e.g. step siblings, foster siblings, adopted siblings) who are attending the academy at the point of application (excluding nursery).
- d) Doncaster children who live in the catchment area of an academy without a nursery.
- e) Doncaster children who live in the catchment area of an academy with a nursery.
- f) Children not resident in Doncaster.

If, in any category, there are more children than places available, places will then be determined by reference to order of birth, eldest first,

If there are any children with identical dates of birth, the child living nearest to the academy will be offered the place. The distance is measured in a straight line from the point of the front entrance of the pupil's home, to the entrance nearest to the reception point of the academy building. In the case of split-site academies, it shall be the entrance nearest to the reception point of the site the pupil attends for the purpose of registration.

- 10.11 **Waiting Lists** - In the event of a parent being refused admission, the child's name will be placed on a waiting list for the nursery. Waiting lists are held all year in criteria order and by date of birth within criteria (eldest first).

If a place becomes available, it will be offered first to children of current nursery age and then to any children who may be eligible to be admitted 'early'. No priority will be given to the date of receipt of the application.

- 11.12 Places will only be allocated from the waiting list when the number of pupils in the nursery falls below the Admission Limit. If a place does become available, it will

be allocated to the child at the top of the list on the day that the LA receives confirmation of the vacancy.

- 11.13 Further Information Further, more detailed information about the admission process can be found in the Starting in a Nursery Booklet, available from the academy or the LA as follows: -

11. DEFERRED ENTRY FOR THE ADMISSION OF SUMMER BORN CHILDREN

In December 2014, the Department for Education (DfE) published new guidance regarding the admission of summer born children (those born between 1 April and 31 August). The DfE's guidance is available to view on their website. In response to this guidance and the new statutory requirements in the revised School Admissions Code, Doncaster authority and Exceed Learning Partnership updated their admissions policy to address the options available to parents of summer born children.

The updated guidance published by the DfE (September 2021) School Admissions Code states that parents of summer born children may choose not to send that child to school until the September following their 5th birthday and may request that they are admitted out of their normal age group – to reception rather than Year 1.

Decisions for the admission of summer born children must be made on the basis of each case and in the best interest of the child concerned. This will include taking into account the views of the parent, information about the child's academic, social and emotional development and where relevant their medical history and the views of a medical professional. Admission authorities must also take into account whether the child has previously been educated out of their normal age group: and whether they may have naturally fallen into a lower age group if it were not for being born prematurely.

11.1 When will my child reach statutory school age?

Children must be receiving full-time education by the start of the term following their fifth birthday.

- For children born between 1 September and 31 December, they reach compulsory school age on 31 December and must be receiving full-time education at the start of the Spring term (i.e. after the Christmas holidays, in January)
- For children born between 1 January and 31 March, they reach compulsory school age on 31 March and must be receiving full-time education by the start of the Summer term (i.e. after the Easter holidays, in March or April)
- For children born between 1 April and 31 August, they reach compulsory school age on 31 August and must be receiving full-time education at the start of the new school year (i.e. after the summer holidays, in September)

11.2 What options do I have available?

In Doncaster, we provide for the admission of all children in the September following their fourth birthday. Parents of non-compulsory school age children (four year olds) may request a pattern of part-time attendance or deferment if that best suits the needs of their child. Parents will be offered the opportunity for their child to:

- start Reception in September on a full-time basis from their first day of attendance or on a part-time basis up to the point of reaching compulsory school age;
- defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the summer term of the school year for which the offer of the school place was made.

And for summer born children (those born between 1 April and 31 August) only:

- delay their child's entry to school until they reach compulsory school age and be admitted to Reception rather than Year 1 with their chronological peers. This means that a summer born child would not start school at all during the academic year after their fourth birthday. Details on the process for seeking approval for deferred admission are provided below.

11.3 How do I make the request?

Before deciding to defer your child's admission, you should first contact the school(s) you are interested in applying for. They will be able to explain the provision on offer to children in Reception, how it is tailored to meet the needs of summer born children and how those needs will continue to be met as the children move up through the school. They may also be able to allay any concerns that you may have about your child's readiness for school.

If you still wish to defer your child's admission to school, you must seek approval from the admission authority of each school you wish to apply for.

Type of School	Who is the Admission Authority for the School?
Academy	Academy Trust (Leger Education Trust) delegated to Doncaster MDC
Community	Local Authority
Foundation	Governing Body
Voluntary Aided	Governing Body

For Askern Littlemoor Infant Academy within Leger Education Trust, you must complete a Request to Defer Admission Form (see appendix 3) and discuss your request with the academy directly.

In addition to seeking approval from the admission authority of your preferred school(s), you are also advised to make an application as part of the main admission round for the year group that your child would normally be admitted to school, until a decision on your request has been reached.

As described above, each child's circumstances are considered on a case-by-case basis and a decision will be made in the best interests of the child. The Admission Authority is required to seek the views of the Head Teacher of the school concerned.

You will receive a response in writing to your request before the primary national offer date setting out clearly the reasons for the decision.

If your request to defer is approved, you can simply withdraw your application for the normal age group. You will then need to make a new application as part of the main admission round for the following year.

If your request to defer is refused, you will need to decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in-year application for admission to Year 1 for the September following the child's fifth birthday.

11.4 Do I need to provide medical evidence or reports from an educational psychologist?

As detailed above, you may provide evidence to support of request for deferred admission if you wish but it is not compulsory.

11.5 Will all schools agree to my request?

Not necessarily. One admission authority cannot be required to honour a decision made by another admission authority. You must seek separate approval for academies because Doncaster is not the admission authority for these types of establishments.

11.6 Am I guaranteed a place?

Any agreement to defer your child's admission to Reception does not guarantee a place at the preferred school, nor does it provide any additional priority for a place. Your application to the school will be considered alongside all other applications in accordance with the school's published admission criteria. We can however, guarantee that your child will be given a school place. If we cannot offer any of your preferred schools, you will be allocated a Reception place at the nearest school with a vacancy that is willing to accommodate your child's deferred entry. You will have the right of appeal.

11.7 Can I appeal?

Parents who are refused a place at a school for which they have applied have the right of appeal to an independent appeal panel. Further information on appeals can be found on Doncaster Council's Website. As the purpose of the appeals process is to consider whether a child should be admitted to a particular school, parents do not have a right of appeal if they have been offered a place and it is not in the year group they would like. However, they may make a complaint about an admission authority's decision not to admit their child outside their normal age group either using the school's complaints procedures (for Academies).

11.8 What happens when my child transfers to the next level of schooling (either to junior school or secondary school)?

Ideally, your child will remain with the cohort they have been taught with, but this is not guaranteed: at each point of transfer, your request for deferral will be reassessed. Therefore, when your child's natural cohort is applying to transfer to junior or secondary school, you will need to speak to the admission authority of your preferred school(s) to obtain their agreement to continue your child's deferral. If agreed, you would then apply the following academic year (when the other children in your child's class are applying to transfer).

11.9 Does deferring my child's admission impact on when my child can leave school?

Yes. If your child has been deferred, he/she will no longer be of compulsory school age during Year 11 of secondary school and will therefore be able to leave school before completing examinations.

11.10 I'm still not clear, who can I speak to?

Please contact the academy to which your application relates in the first instance.

12 INDEPENDENT APPEALS

If a place is not offered at a preferred academy, parents have the right to appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 school days of receiving the refusal letter to:

Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU.

13 GENERAL INFORMATION

14.1 False Information Any place offered on the basis of a fraudulent or intentionally-misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

14.2 Multiple Addresses Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

14 EXPLANATORY NOTES

i Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for an academy/school or academies/schools at the normal point of admission.

ii Coordination Admissions Scheme (CAS)

A scheme, determined by the local authority for ensuring that a single offer of a place is communicated to parent who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii Looked-After Children or previously Looked-After Children

Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and the waiting list place amended as necessary.

v Specific Circumstances for Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's In-Year Fair Access Policy.

2	LA/CAT	New Academic Year	Mar 2023	Nov 2023
3	LA/CAT	2024/2025 dates 10.4 Nursery closing and announcement dates for 2024-2025 Appendix 1 -Closing date details for 2024-2025	Nov 2023	Feb 2024

1. GENERAL STATEMENT

- 1.1 Askern Moss Road Infant Academy is part of Leger Education Trust and administers admissions in line with legal requirements of the National Code of Admissions and acting upon where appropriate advice and guidance from the Admissions forum and the DfE. Parents will apply for places to Askern Moss Road Infant Academy as part of the Doncaster Local Authority process. Askern Moss Road Infant Academy will work in partnership with Doncaster Local Authority to ensure student places are given fairly, in line with the published admissions criteria, which will conform with the National Code of Practice on Admissions.
- 1.2 Askern Moss Road Infant Academy serves a local community, usually referred to as the 'catchment area'. This policy reflects the Academy Trust's commitment to providing places where possible to students who live in our catchment area as defined by our pyramid schools.
- 1.3 Attendance at the nursery at Askern Moss Road Infant Academy does not guarantee a place in reception. Parents of children attending nursery must make an application for reception on-line through Doncaster Council.

2. ADMISSION NUMBER

- 2.1 The admission number for the academy is **40** and the admission number for Moss Road's Nursery is **26**. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the academy in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.
- 2.2 Before making a final decision, the CEO along with the Governing Body and the Academy Principal considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
- 2.3 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Form (CAF) under a Coordinated Admission Scheme (CAS).

3. EXPRESSING A PREFERENCE – YEAR OF ENTRY

Applications for admission to a school's year of entry should be made in accordance with the relevant Coordinated Admissions Scheme. The Admissions Scheme is published on the Doncaster Council Website.

4. CLOSING DATE FOR RECEIPT OF PARENTAL PREFERENCES

The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS. Late applications are processed in accordance with the relevant CAS.

5. ELIGIBILITY FOR A PLACE AT A SCHOOL – OVERSUBSCRIPTION CRITERIA

This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for Askern Moss Road Infant Academy will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) Looked after children or all previously looked after children

This includes those children who appear (to the admissions authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted or became subject to a child arrangement order or special guardianship order.

b) Catchment Area

Children who are ordinarily resident in the catchment area of the school.

For applications for the year of entry received by the closing date, a catchment area academy will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g. step-siblings, foster siblings, adopted siblings) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included.

Where a place is only available for one child from a multiple birth i.e. twins, each child will be offered a place.

d) Proximity

Children who live nearest to the requested school measured in a straight line from the center point of the child's ordinary place of residence iv, to the entrance nearest to the reception point of the academy.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

The random allocation process will be supervised at all times by someone independent of the academy. In the case where parents have shared responsibility for a child following the breakdown of their relationship and the child lives for part of the week with each parent, the measurements will take into account both places of residence.

Measurements will be made using a computerised programme.

6. THE OFFER OF A PLACE AT A SCHOOL

Decisions will be emailed to parents in accordance with the Local Authority's Coordinated Admissions Scheme. The offer is made on the National Offer Day. Primary academies this is the 16th April (or by the next working day when the 16th April falls on a weekend or Bank Holiday).

7. UNSUCCESSFUL APPLICATIONS

Any parent whose child is not offered an academy place for which they have expressed a preference has the right to an independent appeal.

8. WAITING LISTS

- 8.1 Pupils will be added to the waiting list(s) of academies where they were refused a place and those academies were ranked higher on the Common Application Form than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the Autumn Term (31st December).
- 8.2 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the academy. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.
- 8.3 Looked after children or previously looked after children will be allocated a place at the academy in accordance with the Fair Access Protocol and will take precedence over those on the waiting list.

9. IN YEAR TRANSFERS

- 9.1 A parent can apply for a place for their child at any school, at any time. Applications for admissions outside of the normal admission round (In-year Transfers) may be considered by the academy. They should be made on the official application form and will be managed by the Local Authority admissions scheme. Information on how in-year applications can be made are available on the Doncaster Council website.
- 9.2 Where there are sufficient places, an application will normally be agreed unless specific circumstances apply.
- 9.3 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 9.4 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 9.5 If a place is agreed, the Head Teacher will, within two weeks of a place being offered, determine a start date.
- 9.6 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Head Teacher of the school or in circumstances beyond the parent's control, e.g. movement into the Borough.
- 9.7 Pupils are required to start at the school within two weeks of the start date offered by the Head Teacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.

9.8 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families' or the academy's circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.

9.9 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

10. NURSERY ADMISSIONS

10.1 Parents should initially apply for their child to be admitted in the September following their child's third birthday. Subject to the availability of places, successful applicants will be eligible for admission during the term following their third birthday. (See section 10.9)

10.2 Pupils are entitled to 15 hours' free provision per week for 38 weeks.

10.3 **Admission Limit-** The Admission Limit of the academy (see appendix 1) determines the maximum number of pupils that can be properly accommodated in a nursery. It is not an arbitrary process, and;

- is assessed in accordance with the Department for Education (DfE) Premises Regulations which take account the nature and type of the school buildings providing for the acceptable amount of space for each pupil, and
- takes into account the DfE staffing ratio of 1 adult to 13 pupils with at least one adult being a teacher.

10.4 **Closing and Announcement Dates-** The closing date for receipt of applications for nursery in September 2026 is 6th October 2025. Decisions are emailed to parents during November 2025. Late applications are accepted and will be considered after those received by the closing date have been processed.

10.5 Applications are considered during the school year and should be submitted by Friday at 5pm during term time. Decisions are normally posted within 2 school weeks.

10.6 **Admission to Nursery** - A child who has attained the age of three years on, or before, the 31 August 2025 will normally be admitted part-time to a nursery class from the start of the following school year.

10.7 Although the majority of children will only attend one nursery, the minimum period they should attend is one term and parents are required to sign a contract on a termly basis.

10.8 Only in exceptional circumstances will a pupil be allowed to transfer between academies/nurseries during a term i.e. where they change their address or there is a change in child care arrangements.

10.9 Early Admission

Once a pupil has secured a place for September admission, if places are available children may be admitted earlier. Those places will be offered by the

academy/school in criteria order as follows;

- a) Children born in the Autumn Term may be able to start in the Spring Term.
- b) Children born in the Spring Term may be able to start in the Summer Term.

If a child attends a nursery 'early', they will normally continue into the nursery in the following September unless there has been a change of address or there is a change in child care arrangements.

- 10.10 **Allocation of Places and Admission Criteria** - This section outlines the criteria to be used to decide upon eligibility for a place where the number of applications exceeds the admission limit.

Having regard to a pupil with an Education Health and Care Plan naming the school in their statement, the criteria for allocating places is listed below in order of priority:

- a) Looked After Children or All Previously Looked After Children
- b) Children who are ordinarily resident in the catchment area of the school.

For the purposes of applications received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the closing date. A child's place on a waiting list is reviewed once the parent has confirmed that the pupil is resident at a different address.

- c) Doncaster Children, living within the same family unit (e.g. step siblings, foster siblings, adopted siblings) who are attending the academy at the point of application (excluding nursery).
- d) Doncaster children who live in the catchment area of an academy without a nursery.
- e) Doncaster children who live in the catchment area of an academy with a nursery.
- f) Children not resident in Doncaster.

Where a place is only available for one child from a multiple birth i.e. twins, each child will be offered a place

If there are any children with identical dates of birth, the child living nearest to the academy will be offered the place. The distance is measured in a straight line from the point of the front entrance of the pupil's home, to the entrance nearest to the reception point of the academy building. In the case of split-site academies, it shall be the entrance nearest to the reception point of the site the pupil attends for the purpose of registration.

- 10.11 **Waiting Lists** - In the event of a parent being refused admission, the child's name will be placed on a waiting list for the nursery. Waiting lists are held all year in criteria order and by date of birth within criteria (eldest first).

If a place becomes available, it will be offered first to children of current nursery age and then to any children who may be eligible to be admitted 'early'. No priority will be given to the date of receipt of the application.

- 11.12 Places will only be allocated from the waiting list when the number of pupils in the nursery falls below the Admission Limit. If a place does become available, it will be allocated to the child at the top of the list on the day that the LA receives

confirmation of the vacancy.

- 11.13 Further Information Further, more detailed information about the admission process can be found in the Starting in a Nursery Booklet, available from the academy or the LA as follows: -

11. DEFERRED ENTRY FOR THE ADMISSION OF SUMMER BORN CHILDREN

In December 2014, the Department for Education (DfE) published new guidance regarding the admission of summer born children (those born between 1 April and 31 August). The DfE's guidance is available to view on their website. In response to this guidance and the new statutory requirements in the revised School Admissions Code, Doncaster authority and Exceed Learning Partnership updated their admissions policy to address the options available to parents of summer born children.

The updated guidance published by the DfE (September 2021) School Admissions Code states that parents of summer born children may choose not to send that child to school until the September following their 5th birthday and may request that they are admitted out of their normal age group – to reception rather than Year 1.

Decisions for the admission of summer born children must be made on the basis of each case and in the best interest of the child concerned. This will include taking into account the views of the parent, information about the child's academic, social and emotional development and where relevant their medical history and the views of a medical professional. Admission authorities must also take into account whether the child has previously been educated out of their normal age group: and whether they may have naturally fallen into a lower age group if it were not for being born prematurely.

11.1 When will my child reach statutory school age?

Children must be receiving full-time education by the start of the term following their fifth birthday.

- For children born between 1 September and 31 December, they reach compulsory school age on 31 December and must be receiving full-time education at the start of the Spring term (i.e. after the Christmas holidays, in January)
- For children born between 1 January and 31 March, they reach compulsory school age on 31 March and must be receiving full-time education by the start of the Summer term (i.e. after the Easter holidays, in March or April)
- For children born between 1 April and 31 August, they reach compulsory school age on 31 August and must be receiving full-time education at the start of the new school year (i.e. after the summer holidays, in September)

11.2 What options do I have available?

In Doncaster, we provide for the admission of all children in the September following their fourth birthday. Parents of non-compulsory school age children (four year olds) may request a pattern of part-time attendance or deferment if that best suits the needs of their child. Parents will be offered the opportunity for their child to:

- start Reception in September on a full-time basis from their first day of attendance or on a part-time basis up to the point of reaching compulsory school age;
- defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the summer term of the school year for which the offer of the school place was made.

And for summer born children (those born between 1 April and 31 August) only:

- delay their child's entry to school until they reach compulsory school age and be admitted to Reception rather than Year 1 with their chronological peers. This means that a summer born child would not start school at all during the academic year after their fourth birthday. Details on the process for seeking approval for deferred admission are provided below.

11.3 How do I make the request?

Before deciding to defer your child's admission, you should first contact the school(s) you are interested in applying for. They will be able to explain the provision on offer to children in Reception, how it is tailored to meet the needs of summer born children and how those needs will continue to be met as the children move up through the school. They may also be able to allay any concerns that you may have about your child's readiness for school.

If you still wish to defer your child's admission to school, you must seek approval from the admission authority of each school you wish to apply for.

Type of School	Who is the Admission Authority for the School?
Academy	Academy Trust (Leger Education Trust) delegated to Doncaster MDC
Community	Local Authority
Foundation	Governing Body
Voluntary Aided	Governing Body

For Askern Moss Road Infant Academy within Leger Education Trust, you must complete a Request to Defer Admission Form (see appendix 3) and discuss your request with the academy directly.

In addition to seeking approval from the admission authority of your preferred school(s), you are also advised to make an application as part of the main admission round for the year group that your child would normally be admitted to school, until a decision on your request has been reached.

As described above, each child's circumstances are considered on a case-by-case basis and a decision will be made in the best interests of the child. The Admission Authority is required to seek the views of the Head Teacher of the school concerned.

You will receive a response in writing to your request before the primary national offer date setting out clearly the reasons for the decision.

If your request to defer is approved, you can simply withdraw your application for the normal age group. You will then need to make a new application as part of the main admission round for the following year.

If your request to defer is refused, you will need to decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in-year application for admission to Year 1 for the September following the child's fifth birthday.

11.4 Do I need to provide medical evidence or reports from an educational psychologist?

As detailed above, you may provide evidence to support of request for deferred admission if you wish but it is not compulsory.

11.5 Will all schools agree to my request?

Not necessarily. One admission authority cannot be required to honour a decision made by another admission authority. You must seek separate approval for academies because Doncaster is not the admission authority for these types of establishments.

11.6 Am I guaranteed a place?

Any agreement to defer your child's admission to Reception does not guarantee a place at the preferred school, nor does it provide any additional priority for a place. Your application to the school will be considered alongside all other applications in accordance with the school's published admission criteria. We can however, guarantee that your child will be given a school place. If we cannot offer any of your preferred schools, you will be allocated a Reception place at the nearest school with a vacancy that is willing to accommodate your child's deferred entry. You will have the right of appeal.

11.7 Can I appeal?

Parents who are refused a place at a school for which they have applied have the right of appeal to an independent appeal panel. Further information on appeals can be found on Doncaster Council's Website. As the purpose of the appeals process is to consider whether a child should be admitted to a particular school, parents do not have a right of appeal if they have been offered a place and it is not in the year group they would like. However, they may make a complaint about an admission authority's decision not to admit their child outside their normal age group either using the school's complaints procedures (for Academies).

11.8 What happens when my child transfers to the next level of schooling (either to junior school or secondary school)?

Ideally, your child will remain with the cohort they have been taught with, but this is not guaranteed: at each point of transfer, your request for deferral will be reassessed. Therefore, when your child's natural cohort is applying to transfer to junior or secondary school, you will need to speak to the admission authority of your preferred school(s) to obtain their agreement to continue your child's deferral. If agreed, you would then apply the following academic year (when the other children in your child's class are applying to transfer).

11.9 Does deferring my child's admission impact on when my child can leave school?

Yes. If your child has been deferred, he/she will no longer be of compulsory school age during Year 11 of secondary school and will therefore be able to leave school before completing examinations.

11.10 I'm still not clear, who can I speak to?

Please contact the academy to which your application relates in the first instance.

12 INDEPENDENT APPEALS

If a place is not offered at a preferred academy, parents have the right to appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 school days of receiving the refusal letter to:

Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU.

13 GENERAL INFORMATION

14.1 False Information Any place offered on the basis of a fraudulent or intentionally-misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

14.2 Multiple Addresses Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

14 EXPLANATORY NOTES

i Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for an academy/school or academies/schools at the normal point of admission.

ii Coordination Admissions Scheme (CAS)

A scheme, determined by the local authority for ensuring that a single offer of a place is communicated to parent who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii Looked-After Children or previously Looked-After Children

Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and the waiting list place amended as necessary.

v Specific Circumstances for Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's In-Year Fair Access Policy.

Nursery Admissions for September 2026

Closing date for applications 6th October 2025

Announcement Period – Decisions will be emailed to parents in November 2025

If you haven't applied by the closing date you can still apply online but you may risk not being allocated your first choice school.

Reception Admissions for September 2026

Closing date for applications 15th January 2026

Admissions Policy 2026/27

Prospect Place, Hyde Park, Doncaster, DN1 3QP

1. Admission Authority

Astrea Academy Trust is the admission authority for the school.

2. Published Admission Number (PAN)

The School has a PAN of **60** for entry in Reception.

The School will admit this number of pupils if there are sufficient applications. Where fewer applicants than the published admission number for the relevant year group are received, the Academy Trust will offer places at the school to all those who have applied.

The number above is often the indicative admission number for subsequent year groups. From time to time, however, the true capacity of these year groups might vary, and the Trust is entitled to limit the indicative admission number to a number below sixty where there are clear grounds to do so.

3. Application Process and Timeline

Normal Round (for entry into Reception in September)

- Applications made during the main round for a place at the school are administered through Doncaster Metropolitan Borough Council (**"the LA"**). Parents resident in the Doncaster area can apply online at:
<https://www.doncaster.gov.uk/services/schools/primary-admissions>
- Parents in other LA areas must apply through their home local authority.
- The LA's timetable will be used for all normal round applications each year.
- The deadline for an application for a place in Reception is **15th January**, the year that your child will start school.
- Offers will be made by the LA, on behalf of the school, on **16th April** or the next working day.

4. Nursery Admission

The School has a number of nursery places available – see the school website for further information.

The School does not give priority for reception places within the admissions criteria to children who attend the nursery. To do so would give an unfair advantage to children whose parents are able to take advantage of a nursery place at the school in comparison to those who have to attend other providers.

Parents will need to apply for a reception place via the process mentioned in clause 3 if they would like their child to be considered for a place. All applicants will be considered as per the admissions criteria clause 6.

5. In Year Admission

- Applications for a place outside the main round are known as “in-year” applications. For example, if a Year 3 child moves into the area, an in-year application will be made.
- Astrea Academy Trust reserves the right to administer in-year admissions to the school. However, by agreement with the LA, the LA will administer these applications and parents should use the link provided above.

6. Oversubscription criteria

When the school receives more applications than places available, after the admission of pupils with an Education, Health, and Care Plan (**EHCP**) which name the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

- a) Looked After Children** and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.¹

¹ **Children who are Looked After Children and all previously Looked After Children**

Children who are Looked After Children and all previously Looked After Children
A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

- b) Catchment Area** - Children who normally reside with a parent or person with parental responsibility in the defined catchment area. [School catchment areas - City of Doncaster Council](#)
- c) Siblings** - Children who normally reside with a parent or person with parental responsibility in the defined catchment area and who will have a brother or sister (including step or half brother or sister) at the school on the proposed date of admission and who lives at the same address as the child for whom the application is being made.
- d) Children of staff in skills shortage posts** - Children of staff at the school recruited to fill a skill shortage post – this will be subject to confirmation by the Astrea Executive Board that, on the evidence available, the post does indeed relate to a skills shortage in the area.
- e) Distance** - Children living nearest the school; the distance to be measured by a straight line between the centre point of the child's ordinary place of residence and the main entrance to the school building.

7. Tiebreaker for Equi-distant Applications

Where the offer of the last place in the relevant year group could be made for a number of eligible children resident equi-distant from the school the determination of the single offer will be by Random Allocation which will be managed by the LA.

8. False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the LA of their circumstances as they apply to the admission criteria at the time of application.

9. Notes

- a) Home address** - The home address is where a child normally lives. *See LA booklet for definition.*
- b) Shared parental responsibility** - Where parents are separated and the child lives with each parent for part of the week, the home address will be the one where the child spends the majority of his or her time. *The School will follow the policy used by the LA.*
- c) Multiple births** (twins, etc.) - In the case of multiple births or siblings in the same year group, where there is only one place available in the school, all will be considered together as one application.
- d) Service children and Crown servants** - For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, the Authority will allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. The Trust will not refuse a service child a place because the family does not currently live in the area.

10. Late applications

All applications received after the deadline will be treated in accordance with the LA's policy on late applications.

11. Deferred entry for infants

Parents offered a place in reception for their child have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

12. Admission of children outside their normal age group including Summer Born children (born between 1 April – 31 August)

Applications for children to be admitted to a school year outside of their chronological age group should be submitted to the home LA during normal round admissions, or to the LA as described above regarding the in-year admissions process clause 5. Each application will be considered and decided by the school on the individual circumstances of each case.

Applicants should provide documentation in support of their application regardless of whether they are asking for the child to be admitted in a lower or higher year group.

The School will take into account the parent's views; information about the child's academic, social, and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The School will consider the information provided, taking into account the views of the head teacher, and will inform the parent in writing of their decision, including the reason. If the school agrees to this request the child will be considered with the other applicants under the published oversubscription criteria for the admission year and year group that they are applying for.

Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school, but it is not in their preferred age group.

13. Waiting lists

The School will operate a waiting list for each year group. This will be maintained by the LA unless it is agreed that the LA will no longer have responsibility for in-year admissions.

Children's position on the waiting list – and any offers made as places become available – will be determined solely in accordance with the oversubscription criteria. This means that the waiting list is not a 'queue' and it is possible to move down as well as up the waiting list if additional applications are received for children with higher priority.

The waiting list will operate for the full academic year. If at the end of the academic year a parent would like their child to be considered for entry to the subsequent year group, they will be required to apply afresh, see clause 5.

The Reception entry waiting list will be open until 31 December. All children who have not been offered a place at the school or where the school is ranked higher than the school where an offer was made will automatically be placed on the waiting list. Parents who would like their child to remain on the waiting list after the 31 December will need to contact the LA, see clause 5.

14. Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Further information and contact details will be included in any refusal letter.

15. Fair Access Protocol

The School will participate in the LAs Fair Access Protocol which will be used to place vulnerable and /or hard-to-place children, where they are having difficulty securing a school place in-year, and it can be demonstrated that reasonable measures have been taken to secure a place through the usual in-year admission procedures. Children admitted under this protocol will be prioritised over those on the in-year waiting list.

Admission Arrangements for Auckley School 2026/27 School Year

- 1 These are the admission arrangements for the school year.
- 2 Unless delegated to the Local Authority, only the Governing Body is able to decide who is eligible for a place at the school. Neither the Headteacher nor their representatives are able to offer a school place.

General Statement

- 3 In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

- 4 The admission number for the school is **30**. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.
- 5 Before making a final decision, the Governing Body considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
- 6 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Formⁱ (CAF) under a Coordinated Admission Schemeⁱⁱ (CAS).

Expressing A Preference - Year of Entry

- 7 Applications for admission to a schools year of entry should be made in accordance with the relevant CAS.

Closing Date For Receipt Of Parental Preferences

- 8 The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS.

Late applications are processed in accordance with the relevant CAS.

Eligibility For A Place At A School - Oversubscription Criteria

- 9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) Looked After Children or Previously Looked After Childrenⁱⁱⁱ

b) Catchment Area

Children who are ordinarily resident^{iv} in the catchment area of the school.

For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included.

Where a place is only available for one child from a multiple birth i.e. twins, each child will be offered a place.

d) Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence ^{iv}, to the entrance nearest to the reception point of the school.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

The Offer Of A Place At A School

- 10 Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

- 11 Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

- 12 Pupils will be added to the waiting list(s) of community schools where they were refused a place and those schools were ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.
- 13 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In Year Transfers

- 14 Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.
- 15 Where there are sufficient places an application will normally be agreed unless specific circumstances apply^v.
- 16 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 17 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is agreed, the Headteacher will, within two weeks of a place being offered, determine a start date.
- 19 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Headteacher of the school or in circumstances beyond the parent's control, e.g. movement into the Borough.
- 20 Pupils are required to start at the school within two weeks of the start date offered by the Headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 21 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
- 22 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Independent Appeals

23 If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the refusal letter to:

Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Explanatory Notes

i Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for a school or schools at the normal point of admission.

ii Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii Looked After Children or Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014.

Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv **Ordinarily Resident**

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

v **Specific Circumstances For Refusal**

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's In Year Fair Access Policy.

Eligibility For A Place At A School - Oversubscription Criteria

9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

a) Looked After Children or Previously Looked After Childrenⁱⁱⁱ

b) Catchment Area

Children who are ordinarily resident^{iv} in the catchment area of the school.

For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included.

Unsuccessful Applications

- 11 Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.
- 13 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In Year Transfers

- 14 Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.
- 15 Where there are sufficient places an application will normally be agreed unless specific circumstances apply^v.
- 16 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 17 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is agreed, the headteacher will, within two weeks of a place being offered, determine a start date.
- 19 Pupils are normally admitted to the school at the start of the next new term other than with the prior approval/at the discretion of the Headteacher due to circumstances beyond the parent's control, e.g. movement into the Borough and travel/distance to current school being too far. Pupils who are currently in other schools in the Doncaster Local Authority are not permitted to start other than at the beginning of a new term. Parental request to do so will be declined.

- 20 Pupils are required to start at the school within two weeks of the start date offered by the headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.

i Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for a school or schools at the normal point of admission.

ii Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii Looked After Children or Previously Looked After Children

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders). Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. **BRANTON ST WILFRID'S CHURCH OF ENGLAND
VOLUNTARY AIDED PRIMARY SCHOOL.**

DIOCESE OF SHEFFIELD

Working in Partnership with Doncaster Local Authority.

2026-2027 ADMISSIONS POLICY

INTRODUCTION:

Branton St Wilfrid's Church of England Primary School is a Church of England Voluntary aided primary school in the Diocese of Sheffield and is maintained by Doncaster Local Authority.

The school provides a distinctively Christian education for children aged 4+ to 11+ years.

Historically, Anglican schools were parish schools providing education for the community in accordance with the principles of the Church of England. Thus the majority of Sheffield Diocesan schools were established to provide education for the children of the parish within a Christian context. This two-fold aim of being "distinctively Christian" and "serving the local community" is reflected in the school's admission criteria.

Branton St Wilfrid's Church of England Primary School is a Voluntary Aided School in which the Governing Body is the Admission Authority and responsible for admissions. It is guided in that responsibility by the requirements of the law, the school trust deed, by advice from the Sheffield Diocesan Board of Education and its duty to the community.

This policy should be read in conjunction with the booklet "Admission to Primary Education", published by Doncaster Metropolitan Borough Council.

The admission number is **30**.

Children will usually be admitted during the Autumn Term following their 4th birthday. However, parents can request:

- a) That the date their child is admitted to school is deferred until later in the year or until the term in which the child reaches compulsory school age. (Please note that parents cannot apply for and accept a Reception place and then defer that place until the beginning of Year 1);
- b) That their child takes up the place part-time until the child reaches compulsory school age

The date of admission to the school will be 1st September 2026.

PLEASE CONTACT US IF YOU NEED ANY HELP TO COMPLETE THE COMMON APPLICATION FORM OR THE SUPPLEMENTARY INFORMATION FORM.

MAKING AN APPLICATION

1. Applications are made on the **Common Application Form**.
2. To support your application to Branton St Wilfrid's Church of England Primary School, please complete the **Supplementary Information Form**. This is not an application form for admission to the school but will be used by school when applying the admissions criteria.
3. The **Common Application Form** should be submitted by 15th January 2026 along with the **Supplementary Information Form** (if applicable).

CRITERIA FOR ADMISSION:

PLEASE NOTE: Children who have a statement of special educational need that names the school as the most appropriate educational setting will gain a place at the school through the statementing process. EVIDENCE OF THE CHILD'S STATEMENT MUST BE PROVIDED.

OVERSUBSCRIPTION CRITERIA

Where there are more applications for admission than the planned admission number stated, the Governing Body /Admission committee will apply the following admission criteria in strict order of priority:

1. Children in care (looked after children) and children who were previously in care/looked after (see definition 5).
2. Children with special medical or social circumstances affecting the child where these needs can only be met at this school. This is not about educational needs.
Professional supporting evidence from a professionally qualified person such as a medical doctor, psychologist, social worker is essential if admission is to be made under this criterion and such evidence must set out the particular reasons why this school is the most suitable school and the difficulties which would be caused if the child had to attend another school.
3. Children who have an older brother or sister (see definition 1) attending the school at time of anticipated admission.
4. Children whose parents/carers (see definition 2) regularly (see definition 3) attend the parish church of St Wilfrid's, Cantley.
5. Children who regularly (see definition 3) attend the parish church of St Wilfrid's, Cantley.
6. Children whose parents/carers reside in the parish of St Wilfrid's, Cantley and regularly (see definition 3) attend a church of a different Christian denomination.
7. Children who reside in the parish of St Wilfrid's, Cantley and regularly (see definition 3) attend a church of a different Christian denomination.
8. Children who reside outside the parish of St Wilfrid's, Cantley and regularly (see definition 3) attend a church of a different Christian denomination.
9. Children who are resident in the parish of St Wilfrid's, Cantley.
10. Children of staff of the school (see definition 5).
11. All other children.

Should the admission number be reached mid category, applications in that category will be prioritised on the shortest distance measured in a straight line from the point of the front entrance of the pupil's home address (including flats), to the main pupil entrance of the school using the Local Authority's computerised measuring system, with those living closer to the school receiving higher priority.

TIE BREAK CLAUSE:

In the event of two or more children still living equidistant from the school, the place will be decided by drawing lots, the first name drawn will be offered the place.

IN YEAR TRANSFERS

Doncaster Metropolitan Borough Council will co-ordinate in year transfers for our school in 2026-27.

FOOTNOTE

The school number has been calculated according to the net capacity of the school which the law defines and has been agreed with the Local Authority.

Variation to the policy for 2026-2027 due to COVID-19 pandemic

"In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship."

4. Definition of a looked after child

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). - b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

PLACE OF RESIDENCE

The child's ordinary place of residence will normally be a residential property at which the parent(s) or person(s) with parental responsibility for the child reside at the closing date for receiving applications for admission to the school.

Where parental responsibility is held by more than one person and those persons reside in separate properties, the child's ordinary place of residence will normally be the property at which the child resides with the parent or person(s) with parental responsibility, for the greater part of the week.

Late applications will be dealt with in accordance with the Local Authority scheme.

4. The waiting list is determined according to the Governing Body's priority of admission over-subscription criteria.
5. Following the offer day, should an application be received for the school where the pupil has a higher priority, as determined by the admissions criteria for a place at the school, they will be placed on the list, above those with a lower priority.

FALSE INFORMATION:

1. Where the Governing Body has made an offer of a place at this school on the basis of a fraudulent or intentionally misleading application from a parent/carer, which has effectively denied a place to a child with a stronger claim to a place at the school, the offer of a place will be withdrawn.
2. Where a child starts attending the school on the basis of fraudulent and intentionally misleading information, the place may be withdrawn depending upon the length of time that the child has been at the school.

Introduction

Canon Popham CofE Primary Academy is a school within the Diocese of Sheffield Academies Trust (DSAT). It was previously a Voluntary Aided Church school under the auspices of the Doncaster Local Authority.

The academy provides a distinctively Christian education for children aged 3+ to 11+ year.

The Church of England's stated position that "Our schools are not faith schools for the faithful, they are Church schools for the community" is the principle that admission to Canon Popham Church of England Primary Academy is prioritised and children from the local community are all welcome. Our ethos in school is one which is wholly Christian and children are educated and expected to behave in a way that is Christian whilst experiencing a wide range of multi-cultural and religious education to have respect, tolerance, understanding and empathy for those who are different in anyway. We aim to "offer a safe and welcoming place to all God's children".

The Academy's Governing Body is the Admission Authority and responsible for admissions. It is guided in that responsibility by the requirements of the law, by advice from the Sheffield Diocesan Board of Education and its duty to the community. The school uses the Local Authority to co-ordinate all applications.

The admission number for Reception class is **30** and children will be admitted during the Autumn term following their 4th birthday. Where parents wish to defer entry or request that the child attends part-time, the request will be considered where it appears to be in the best interest of the child. All children will be admitted by the term following their 5th birthday – compulsory school age

Admission Authority

Astrea Academy Trust is the admission authority for the school.

Admission Numbers

The school will admit this number of pupils if there are sufficient applications. Where fewer applicants than the published admission number for the relevant year group are received, the Academy Trust will offer places at the school to all those who have applied.

The numbers above are often the indicative admission number for subsequent year groups. From time to time, however, the true capacity of these year groups might vary and the Trust is entitled to limit the indicative admission number to a number below thirty where there are clear grounds to do so.

Application Process and Timeline

Normal Round (for entry into Reception in September)

- Applications made during the main round for a place at the school are administered through Doncaster Metropolitan Borough Council. Parents resident in the Doncaster area can apply online at:

- Offers will be made by the Local Authority, on behalf of the school, on **16th April** or the next working day.

“In-year” admissions:

- Applications for a place outside the main round are known as “in-year” applications. For example, if a Year 3 child moves into the area, an in-year application will be made.
- Astrea Academy Trust reserves the right to administer in-year admissions to the school. However, by agreement with the Local Authority, the LA will administer these applications and parents should use the link provided above.

A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section

14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

- 4. Children of staff in skills shortage posts** - Children of staff at the school recruited to fill a skill shortage post – this will be subject to confirmation by the Astrea Executive Board that, on the evidence available, the post does indeed relate to a skills shortage in the area.
- 5. Distance** - Children living nearest the school; the distance to be measured by a straight line between the centre point of the child's ordinary place of residence and the main entrance to the school building.

Tiebreaker for Equi-distant Applications

Where the offer of the last place in the relevant year group could be made to the parent of eligible multiple siblings, resident at the same address, we will exceed our admission number in order to offer sufficient places for the family.

Where the offer of the last place in the relevant year group could be made for a number of eligible children resident equi-distant from the school the determination of the single offer will be by Random Allocation.

The Random Allocation will:

- (i) be independently supervised
- (ii) take place on a date and at a time notified in advance to the participating parents so that they can attend as witnesses.

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the LA of their circumstances as they apply to the admission criteria at the time of application.

Notes

Home address - The home address is where a child normally lives. Where parents are separated and the child lives with each parent for part of the week, the home address will be the one where the child spends the majority of his or her time.

Multiple births (twins, etc.) - In the case of multiple births or siblings in the same year group, where there is only one place available in the school, all will be considered together as one application.

Service children and Crown servants - For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, the Authority will allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. The Trust will not refuse a service child a place because the family does not currently live in the area.

Late applications

All applications received after the deadline will be treated in accordance with the Local Authority's policy on late applications.

Deferred entry for infants

Parents offered a place in reception for their child have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

Admission of children outside their normal age group

Applications for children to be admitted to a school year outside of their chronological age group should be submitted to the home Local Authority during normal round admissions, or to the LA/school as described above regarding the in-year admissions process. Each application will be considered and decided by the academy on the individual circumstances of each case.

Applicants should provide documentation in support of their application regardless of whether they are asking for the student to be admitted in a lower or higher year group. Applicants will be notified of the decision in writing.

There is no right of appeal where an offer is made, but not to the year group requested by the parents.

Waiting lists

The school will operate a waiting list for each year group. This will be maintained by the Local Authority unless it is agreed that the Local Authority will no longer have responsibility for in-year admissions.

Children's position on the waiting list – and any offers made as places become available - will be determined solely in accordance with the oversubscription criteria. This means that the waiting list is not a 'queue' and it is possible to move down as well as up the waiting list if additional applications are received for children with higher priority.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Further information and contact details will be included in any refusal letter.

1. CONTEXT

1.1 Castle Hills Primary Academy is part of Leger Education Trust and administers admissions in line with legal requirements of the National Code of Admissions and acting upon where appropriate advice and guidance from the Admissions forum and the DfE. Parents will apply for places to Castle Hills Primary Academy as part of the Doncaster Local Authority process. Castle Hills Primary Academy will work in partnership with Doncaster Local Authority to ensure student places are given fairly, in line with the published admissions criteria, which will conform with the National Code of Practice on Admissions.

1.2 Castle Hills Primary Academy serves a local community, usually referred to as the 'catchment area'. This policy reflects the Academy Trust's commitment to providing places where possible to students who live in our catchment area as defined by our pyramid schools.

1.3 Attendance at the nursery at Castle Hills Primary Academy does not guarantee a place in reception. Parents of children attending nursery must make an application for reception on-line through Doncaster Local Authority.

2. CRITERIA FOR ADMISSION

2.1 The admission number is 40 +52 Nursery (26 am & 26 pm number)

3. PARENTAL PREFERENCE

3.1 The Common Application Form (CAF) provides the opportunity for parents/guardians to express up to three choices of schools in rank order of preference. It should be noted that Leger Education Trust as the Admission Authority for Castle Hills Primary Academy will consider all preferences equally.

4. ELIGIBILITY FOR ADMISSION – OVERSUBSCRIPTION CRITERIA

4.1 Where the number of applications exceeds the number of available places the Trust will apply the following criteria in order of priority.

4.2 After the admission of pupils with an Education, Health and Care Plan or Statement of Special Educational Need naming the school, preferences for the Academy will be sorted in the order of the criterion outlined below.

4.3 Each of the remaining criterion are subsequently applied in order of priority as tie breakers, with the criterion d) being the final breaker.

a. Looked After Children or Previously Looked After Children

b. The children of parents who are ordinarily resident in the catchment area of Castle Hills Primary Academy.

c. Siblings

d. Other children whose nearest school is Castle Hills Primary Academy.

5. INDEPENDENT APPEALS

5.1 If a place is not offered at Castle Hills Primary Academy parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision. Parents who intend to make an appeal should normally submit a notice of appeal within 10 days of receiving the refusal letter to: Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU.

6. WAITING LIST

6.1 Pupils will be added to a waiting list for Castle Hills Primary Academy, by Doncaster Local Authority, if they were refused admission. Places on the waiting list will be strictly prioritised by the Local Authority Admissions Team, in criteria order given above and will operate until the end of the autumn term.

7. DELAYING ENTRY TO A RECEPTION CLASS AND PART-TIME ATTENDANCE

7.1 Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

7.2 Where parents apply for admission to a reception class for a child who is not of statutory school age, and parents wish to delay entry, a child should be admitted to the class no later than the beginning of the summer term in the reception year.

7.3 Parents can also request that their child attends part-time until the child reaches compulsory school age. The request will be considered by the Trust in consultation with the headteacher in circumstances where it appears to be in the best interest of the child

8. DEFERRING ENTRY OF SUMMER BORN CHILDREN OUTSIDE THEIR NORMAL AGE GROUP

8.1 Parents of summer born children (born between 1 April and 31 August) are currently able to request that their child defer entry to a reception class for a full academic year. When such a request is made, the Admission Authority will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the head teacher and any supporting evidence provided by the parent.

8.2 If the request is allowed, normal admission rules will apply and there is no guarantee that a place will be offered at the requested school.

8.3 Parents should set out their reasons for their request using the Deferred Entry Request Form and send it to the Local Authority during the autumn term after their third birthday. This will ensure that they do not miss out on a place at the normal point of entry which should be made by the national closing date.

Further guidance and the form can be found on the Council Website at www.doncaster.gov.uk/services/schools/primary-admissions

9. IN YEAR TRANSFERS

9.1 Applications for in year transfers are considered in accordance with the Local Authority's school admissions arrangements.

9.2 Applications should be made on the Local Authority's school transfer form and submitted to the Local Authority for consideration.

9.3 A pupil will be deemed eligible for a school place if there are sufficient places unless specific circumstances apply.

9.4 Where multiple applications are received for the same year group and there are insufficient places available, eligibility for admission will be considered in accordance with the admission criteria set out in Section 4.

9.5 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.

9.6 If a place is offered, the Headteacher will, within two weeks of receiving confirmation from the Local Authority of an offer of a place, determine a start date, however usually start dates will be at the beginning of a term.

9.7 Pupils are normally admitted to the Academy at the start of the next new term other than with the prior approval of the Headteacher or in circumstances beyond the parent's control, e.g. movement into the Borough.

9.8 Pupils are required to start at the Academy within two weeks of the start date offered by the Headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.

9.9 Repeat applications made for entry to the same year group at the school will not be considered, unless there has been a significant and material change to either the families or the Academy's circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.

9.10 In accordance with DfE requirements pupils may be admitted under the Doncaster Local Authority's Fair Access Protocol outside of the normal admission arrangements noted above.

APPENDIX A – EXPLANATION OF TERMS

Catchment Area

The associated catchment area is defined by the Don Valley Pyramid of schools (Don Valley Academy, Scawthorpe Castle Hills Primary Academy, Scawthorpe Sunnyfields Primary, Bentley New Village Primary, Bentley High Street Primary, Toll Bar Primary, Arksey Primary, Bentley Kirkby Avenue Primary)

Common Application Form (CAF)

The Common Application Form is the form parents fill in to apply for a place at Primary and Secondary School, which is submitted to the Local Authority.

Looked After Children or Previously Looked After Children

Children who are in the care of a local authority as defined by Section 22 of the Children Act 1989 at the time of application. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (Section 46 of the Adoption and Children's Act 1989) or became subject to a residence order (Section 8 of Children Act 1989) or special guardianship order (Section 14a of the Children Act 1989).

Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

Siblings

Children who are living within the same family unit (e.g. stepchildren) who are attending the requested Academy, (excluding sixth form), at the point of admission. Where there are twins/children of multiple birth to be admitted to a school in the same year group. If there are insufficient places available for all siblings, and one can be allocated a place, the admission number will be exceeded to allow them to be placed in the same school

Tie Breaker

Distance from Castle Hills Primary Academy will operate as the final tie break should Castle Hills Primary Academy be oversubscribed from any of its designated priorities as follows:

Children who live nearest to Castle Hills Primary Academy measured in a straight line from the point of the front entrance of the pupil's place of ordinary residence, to the entrance nearest to the main entrance of Castle Hills Primary Academy.

If two or more pupils live equidistant from the school, the distance each student lives by road will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation. Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

False Information

Any place offered on the basis of a fraudulent or intentionally misleading information will be withdrawn, e.g. giving a false address. Where a place or an offer has been withdrawn, the application will be re-considered and a right of independent appeal offered if the place is refused.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Conisbrough Ivanhoe Primary Academy

Admission Arrangements for 2026/27 School Year

Admission Arrangements for Conisbrough Ivanhoe Primary Academy 2026/2027 School Year

- 1 These are the admission arrangements for the 2026/2027 school year.
- 2 As an academy, we are our own admissions authority and responsible for admissions to the school.
- 3 Unless delegated to the Local Authority, only the Governing Body is able to decide who is eligible for a place at the school. Neither the Head teacher nor their representatives are able to offer a school place.

Admission Number

- 4 The admission number for the school is 40. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.
- 5 Before making a final decision, the Governing Body considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
- 6 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Formⁱ (CAF) under a Coordinated Admission Schemeⁱⁱ (CAS).

Expressing A Preference - Year of Entry

- 7 Applications for admission to a schools year of entry should be made in accordance with the relevant CAS.

Closing Date For Receipt Of Parental Preferences

- 8 The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS.

Late applications are processed in accordance with the relevant CAS.

Eligibility For A Place At A School - Oversubscription Criteria

- 9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion e) being the final tie breaker.

a) **Children who are Looked After Children and all previously Looked After Childrenⁱⁱⁱ**

b) **Attendance at Ivanhoe Nursery**

c) **Siblings**

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included.

Where a place is only available for one child from a multiple birth i.e. twins, each child will be offered a place.

d) **Catchment Area**

Children who are ordinarily resident^{iv} in the catchment area of the school.

For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

e) **Proximity**

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence^{iv}, to the entrance nearest to the reception point of the school.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

The Offer Of A Place At A School

10 Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

11 Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

- 12 Pupils will be added to the waiting list(s) of community schools where they were refused a place and those schools were ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.
- 13 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In Year Transfers

- 14 Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.
- 15 Where there are sufficient places an application will normally be agreed unless specific circumstances apply^v.
- 16 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 17 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is agreed, the head teacher will, within two weeks of a place being offered, determine a start date.
- 19 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Head teacher of the school or in circumstances beyond the parent's control, e.g. movement into the Borough.
- 20 Pupils are required to start at the school within two weeks of the start date offered by the head teacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 21 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
- 22 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Independent Appeals

- 23 If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the refusal letter to:

Litigation and Education Section, Directorate of Resources, Doncaster Council,
Civic Office, Waterdale, Doncaster, DN1 3BU

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Explanatory Notes

ⁱ **Common Application Form (CAF)**

This is a form used in the admission process on which parents express preferences for a school or schools at the normal point of admission.

ⁱⁱ **Co-ordinated Admissions Scheme (CAS)**

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

ⁱⁱⁱ **Children who are Looked After Children and all previously Looked After Children**

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

^{iv} **Ordinarily Resident**

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

^v **Specific Circumstances For Refusal**

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's In Year Fair Access Policy.

Admission Arrangements

2026/2027 School Year

1. These are the admission arrangements for the 2026/27 school year.
2. Unless delegated to the Local Authority, only the Governing Body is able to decide who is eligible for a place at the school. Neither the Head teacher nor their representatives are able to offer a school place.

General Statement

3. In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

4. The admission number for the school is 26 in Nursery (F1) and 30 in all other classes. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.
5. Before making a final decision, the Governing Body considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
6. In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Form i (CAF) under a Coordinated Admission Scheme ii (CAS).

Expressing a Preference - Year of Entry

7. Applications for admission to a school's year of entry should be made in accordance with the relevant CAS.

Closing Date for Receipt of Parental Preferences

8. The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS. Late applications are processed in accordance with the relevant CAS.

Eligibility for A Place at a School - Oversubscription Criteria

9. This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit. Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) Looked After Children or all Previously Looked After Children

b) Catchment Area

Children who are ordinarily resident in the catchment area of the school. For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g., stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included. Where a place is only available for one child from a multiple birth i.e., twins, each child will be offered a place.

d) Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence to the entrance nearest to the reception point of the school. If two or

more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g., in the case of flats), places will then be decided by Random Allocation. Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

The Offer of a Place at a School

10. Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

11. Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

12. Pupils will be added to the waiting list(s) of community schools where they were refused a place and those schools were ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.

13. Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In-Year Transfers

14. Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.

15. Where there are sufficient places, an application will normally be agreed unless specific circumstances apply.

16. Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.

...Changing lives

17. Where a place is not available, the application will normally be refused, and the applicant will be offered the right of appeal to an independent appeals panel. If a place is agreed, the Head teacher will, within two weeks of a place being offered, determine a start date.
18. Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Head teacher at the school or in circumstances beyond the parent's control, e.g., movement into the Borough.
19. Pupils are required to start at the school within two weeks of the start date offered by the Head teacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
20. Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools' circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
21. In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Independent Appeals

22. If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision. Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the refusal letter to: Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU

General Information

False Information

Any place offered based on a fraudulent or intentionally misleading application will be withdrawn, e.g., giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide

Explanatory Notes

i) Common Application Form (CAF)

This is a form used in the admission process on which parent's express preferences for a school or schools at the normal point of admission.

ii) Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii) Looked After Children or Previously Looked After Children

A Looked after Child is a person under the age of 18 who is provided with accommodation by the local authority acting in its social services capacity, for a continuous period of more than 24 hours, by agreement with the parents or in accordance with Section 22 of the Children's Act 1989. A Previously Looked After Child is a person under the age of 18 who, immediately after being looked after, became subject to an adoption order, a residence order (under section 8 of the Children Act 1989), or a special guardianship order (under section 14A of the Children Act 1989).

Children looked after under an agreed series of short-term placements (respite care) are excluded.

iv) Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended, as necessary.

v) Specific Circumstances

For Refusal an application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's 'In Year Fair Access Policy'.

Admissions Policy 2026/27

School Walk, Denaby Main, Doncaster, DN12 4HZ

1. Admission Authority

Astrea Academy Trust is the admission authority for the school.

2. Published Admission Number (PAN)

The School has a PAN of **40** for entry in Reception.

The School will admit this number of pupils if there are sufficient applications. Where fewer applicants than the published admission number for the relevant year group are received, the Academy Trust will offer places at the school to all those who have applied.

The number above is often the indicative admission number for subsequent year groups. From time to time, however, the true capacity of these year groups might vary and the Trust is entitled to limit the indicative admission number to a number below forty where there are clear grounds to do so.

3. Application Process and Timeline

Normal Round (for entry into Reception in September)

- Applications made during the main round for a place at the school are administered through Doncaster Metropolitan Borough Council ("**the LA**") Parents resident in the Doncaster area can apply online at:
<https://www.doncaster.gov.uk/services/schools/primary-admissions>
- Parents in other local authority areas must apply through their home LA.
- The LA's timetable will be used for all normal round applications each year.
- The deadline for an application for a place in Reception is **15th January**, the year that your child will start school.
- Offers will be made by the LA on behalf of the school, on **16th April** or the next working day.

4. Nursery Admission

The School has a number of nursery places available – see the school website for further information.

The School does not give priority for reception places within the admissions criteria to children who attend the nursery. To do so would give an unfair advantage to children whose parents are able to take advantage of a nursery place at the school in comparison to those who have to attend other providers.

Parents will need to apply for a reception place via the process mentioned in clause 3 if they would like their child to be considered for a place. All applicants will be considered as per the admissions criteria clause 6.

5. In Year admission

- Applications for a place outside the main round are known as “in-year” applications. For example, if a Year 3 child moves into the area, an in-year application will be made.
- Astrea Academy Trust reserves the right to administer in-year admissions to the school. However, by agreement with the LA, the LA will administer these applications and parents should use the link provided above.

6. Oversubscription criteria

When the school receives more applications than places available, after the admission of pupils with an Education, Health, and Care Plan (**EHCP**) which names the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

- a) **Looked After Children** and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.¹

¹ **Children who are Looked After Children and all previously Looked After Children**

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements orders' are defined in Section 8 of the Children Act 1989 as amended by Section 12 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

- b) **Catchment Area** - Children who normally reside with a parent or person with parental responsibility in the defined catchment area.
<https://www.doncaster.gov.uk/services/schools/school-catchment-areas>
- c) **Siblings** - Children who normally reside with a parent or person with parental responsibility in the defined catchment area and who will have a brother or sister (including step or half brother or sister) at the school on the proposed date of admission and who lives at the same address as the child for whom the application is being made.
- d) **Children of staff in skills shortage posts** - Children of staff at the school recruited to fill a skill shortage post – this will be subject to confirmation by the Astrea Executive Board that, on the evidence available, the post does indeed relate to a skills shortage in the area.
- e) **Distance** - Children living nearest the school; the distance to be measured by a straight line between the centre point of the child's ordinary place of residence and the main entrance to the school building.

7. Tiebreaker for Equi-distant Applications

Where the offer of the last place in the relevant year group could be made for a number of eligible children resident equi-distant from the school the determination of the single offer will be by Random Allocation which will be managed by the LA.

8. False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the LA of their circumstances as they apply to the admission criteria at the time of application.

9. Notes

- a) **Home address** - The home address is where a child normally lives. See LA website for definition.
- b) **Shared parental responsibility** - Where parents are separated and the child lives with each parent for part of the week, the home address will be the one where the child spends the majority of his or her time. *The School will follow the policy used by the LA.*
- c) **Multiple births** (twins, etc.) - In the case of multiple births or siblings in the same year group, where there is only one place available in the school, all will be considered together as one application.
- d) **Service children and Crown servants** - For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, the Authority will allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. The Trust will not refuse a service child a place because the family does not currently live in the area.

10. Late applications

All applications received after the deadline will be treated in accordance with the LA's policy on late applications.

11. Deferred entry for infants

Parents offered a place in reception for their child have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

12. Admission of children outside their normal age group including Summer Born children (born between 1 April – 31 August)

Applications for children to be admitted to a school year outside of their chronological age group should be submitted to the home LA during normal round admissions, or to the LA as described above regarding the in-year admissions process clause 5. Each application will be considered and decided by the school on the individual circumstances of each case.

Applicants should provide documentation in support of their application regardless of whether they are asking for the child to be admitted in a lower or higher year group.

The School will take into account the parent's views; information about the child's academic, social, and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The School will consider the information provided, taking into account the views of the head teacher, and will inform the parent in writing of their decision, including the reason. If the school agrees to this request the child will be considered with the other applicants under the published oversubscription criteria for the admission year and year group that they are applying for.

Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school, but it is not in their preferred age group.

13. Waiting lists

The School will operate a waiting list for each year group. This will be maintained by the LA unless it is agreed that the LA will no longer have responsibility for in-year admissions.

Children's position on the waiting list – and any offers made as places become available – will be determined solely in accordance with the oversubscription criteria. This means that the waiting list is not a 'queue' and it is possible to move down as well as up the waiting list if additional applications are received for children with higher priority.

The waiting list will operate for the full academic year. If at the end of the academic year a parent would like their child to be considered for entry to the subsequent year group, they will

be required to apply afresh, see clause 5.

The Reception entry waiting list will be open until 31 December. All children who have not been offered a place at the school or where the school is ranked higher than the school where an offer was made will automatically be placed on the waiting list. Parents who would like their child to remain on the waiting list after the 31 December will need to contact the LA, see clause 5.

14. Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Further information and contact details will be included in any refusal letter.

15. Fair Access Protocol

The School will participate in the LA Fair Access Protocol which will be used to place vulnerable and /or hard-to-place children, where they are having difficulty securing a school place in-year, and it can be demonstrated that reasonable measures have been taken to secure a place through the usual in-year admission procedures. Children admitted under this protocol will be prioritised over those on the in-year waiting list.

Admission Arrangements for Dunsville Primary School for 2026-2027

Headteacher	Vicky Wilson
Approved:	March 2025
Chair of Governors	Debbie Twell
To be reviewed:	March 2026

Admission Arrangements for Dunsville Primary School 2026/2027 School Year

General Statement

- 1 The Admissions Authority for Brighter Futures Learning Partnership Schools is Brighter Futures Learning Partnership Trust who has determined all admissions will be co-ordinated through the local authority co-ordinated admissions arrangements. Following due consultation in accordance with the national Schools Admissions Code, Brighter Futures Learning Partnership Trust has agreed the following admissions policy for Dunsville Primary School for the academic year 2026/2027.

It should be noted that this policy relates only to the academic year 2026/2027. There is no guarantee this policy will not change in future years. This policy will be reviewed and approved by the Trust every year.

- 2 In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, Dunsville Primary becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Published Admission Number

- 3 Brighter Futures Learning Partnership has set the PAN for Dunsville school to be 40 in each year group. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them.
- 4 Before making a final decision, the Trust considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
- 5 A child will normally be eligible to a place unless the number of applications for admission exceeds the admission number or they are offered a school which is ranked higher on an application under a Co-ordinated Admission Scheme (CAS).

Expressing A Preference

- 6 Applications for admission should be made in accordance with the relevant CAS.

Closing Date For Receipt Of Parental Preferences

- 7 The closing date for receipt of preferences for the year of entry is 15 January 2026. Late applications for the year of entry are processed after those received by the closing date.

Announcement Date for Parental Preferences

- 8 For those applications received by the closing date noted in 7 above, emails and letters will be sent to parents on 16 April 2026.

Eligibility For A Place At A School - Oversubscription Criteria

Dunsville Primary School

- 9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the Published Admission Number.

After the admission of pupils with an Education, Health and Care Plan naming the school, preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criteria is applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) Looked After Children and all previously Looked After Childrenⁱⁱ

b) Catchment Area

Children who are ordinarily residentⁱⁱⁱ in the catchment area of the preferred school. (Details of Catchment Areas are available from the Council at www.doncaster.gov.uk/admissions)

For applications for the year of entry, a catchment area school will be determined in relation to the address at which the pupil is ordinarily residentⁱⁱⁱ on the closing date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address. For other admissions the applicable date is the date of application.

c) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant school, attendance at a linked junior school will be included.

d) Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residenceⁱⁱⁱ, to the entrance nearest to the reception point of the school building. In the case of split site schools, 'entrance nearest to the reception point' will refer to the site the pupil attends for the purpose of morning registration.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using a computerised programme.

Measurements will be made using Synergy provided by Servelec Limited or suitable substitute.

Where a place is only available in any of the above criterion for one child from a multiple birth i.e. twins, each child will be offered a place.

The Offer Of A Place At A School

- 10 Decisions will be sent to parents in accordance with the Authority's CAS. i.e. for those received by the closing date the national announcement date is 16 April 2026.

Waiting Lists

- 11 For the year of entry, pupils will be added to the waiting list(s) of community schools where they are refused a place and those schools were ranked higher on the application than the place offered. Late applications will continue to be added to a list in criteria order. A change of address can affect a pupil's position on the waiting list. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term i.e. 31 December 2026.
- 12 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that the Council receive written confirmation of the vacancy.

In Year Transfers

- 13 Applications for in year transfers are considered in accordance with the Council's CAS.
- 14 Applications should be made on using the Online application system which can be found at www.doncaster.gov.uk/admissions
- 15 A pupil will be deemed eligible for admission if there are sufficient places (see point 23, regarding repeat applications) unless specific circumstances apply^{iv}. However, a pupil will not be eligible for a place if the circumstances of the year group have changed since it was the year of entry and admission of an additional child would 'prejudice the provision of efficient education or the efficient use of resources'.
- 16 Where multiple applications are received for the same year group and there are insufficient places for all applicants, eligibility for admission will be considered in accordance with the admission criteria set out above.
- 17 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is offered, the headteacher will, within two weeks of receiving confirmation from the Council of an offer of a place, determine a start date.
- 19 Pupils are normally admitted to a school at the start of the next new term other than:-
 - a. where the Headteacher in consultation with the Council considers that the pupil should be admitted earlier in the circumstances of the case, or;
 - b. where the previous school is not accessible with reasonable facility e.g. due to a move into Doncaster or the pupil would otherwise be expected to travel longer than 45 minutes to school by public transport, or;
 - c. the pupil is not on the roll of a school.
- 20 Pupils are required to start at the school within two weeks of the start date offered by the headteacher and places are not normally held open beyond this period. Applicants must be in a position to take up a place within this stated period.

- 21 Repeat applications made for the same year group during the same academic year will not be considered unless there has been significant and material change to either the family's or the school's circumstances, since a previous application and this is relevant to the application for admission. Where information was known at the time of the original application or appeal or parents chose not to disclose information, this will not be considered as additional information or a change in circumstances.
- 22 In accordance with DfE requirements pupils may be admitted under the Fair Access Protocol outside of the normal admission arrangements noted above.

Allocation Of Places

- 23 If an application from a Doncaster resident is refused and the pupil does not currently have a place in a Doncaster school, a place will be offered at an alternative school in accordance with the Council's CAS.

Independent Appeals

- 24 If a place is not offered at a preferred school parents have the right to appeal to an Independent Appeal Panel. Details of the appeals procedure will be sent to parents with their decision.
- 25 Parents who intend to make an appeal should normally submit a notice of appeal within 20 school days of receiving the refusal letter to: Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU

Explanatory Notes

i Co-ordination/Co-ordinated Schemes(CAS)

All local authorities are required to co-ordinate the admission arrangements for residents within their area whereby parents will submit an application to their home Local Authority who will then ensure, as far as is possible, that a single offer of a place is sent to parents.

ii Children who are Looked After Children and all previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iii Ordinarily Resident/Residence

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not

solely to receive education. An address will only be considered when they are living there. This includes updating the position on a waiting list.

iv Specific Circumstances For Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code or as part of the Local Authority's In Year Fair Access Policy.

General Information

Delaying Entry to a Reception Class and Part-time Attendance

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

Where parents apply for admission to a reception class for a child who is not of statutory school age, and parents wish to delay entry, a child should be admitted to the class no later than the beginning of the summer term in the reception year.

Parents can also request that their child attends part-time until the child reaches compulsory school age. The request will be considered by the headteacher in circumstances where it appears to be in the best interest of the child.

Deferring Entry of summer born children outside their normal age group

Parents of summer born children (born between 1 April and 31 August) are currently able to request that their child defer entry to a reception class for a full academic year. When such a request is made, the Local Authority will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the head teacher and any supporting evidence provided by the parent.

If the request is allowed, normal admission rules will apply and there is no guarantee that a place will be offered at the requested school(s).

Parents should set out their reasons for their request using the Deferred Entry Request Form and send it to the Local Authority during the autumn term after their third birthday. This will ensure that they do not miss out on a place at the normal point of entry which should be made by the national closing date - 15 January. Further guidance and the form can be found on the Council Website at www.doncaster.gov.uk/services/schools/primaryadmissions

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the Council of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Admission of Service Personnel and Crown Servants

To support the Armed Forces Community Covenant, applications for service personnel and crown servants moving to Doncaster will be considered one term in advance of a change of address in accordance with the guidance from the DfE providing that the Page 7 of 8 School Admission Policy 2026/2027 application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address.

Provision is also made within the Fair Access Protocol to allow for the admission of specified groups of children into schools above the admission number.

Further Information

Further, more detailed information about the admission process is available from the Council and can be found in the Admission To Primary School Booklet, available as follows:-

Admissions Policy 2026/27

The Drive, Edenthorpe, Doncaster, DN3 2LS

Admission Authority

Astrea Academy Trust is the admission authority for the school.

Admission Numbers

The school has an admission number of **30** for entry in Reception.

The school will admit this number of pupils if there are sufficient applications. Where fewer applicants than the published admission number for the relevant year group are received, the Academy Trust will offer places at the school to all those who have applied.

The numbers above are often the indicative admission number for subsequent year groups. From time to time, however, the true capacity of these year groups might vary and the Trust is entitled to limit the indicative admission number to a number below thirty where there are clear grounds to do so.

Application Process and Timeline

Normal Round (for entry into Reception in September)

- Applications made during the main round for a place at the school are administered through Doncaster Metropolitan Borough Council. Parents resident in the Doncaster area can apply online at:
<https://www.doncaster.gov.uk/services/schools/primary-admissions>
- Parents in other local authority areas must apply through their home local authority.
- The Local Authority's timetable will be used for all normal round applications each year.
- The deadline for an application for a place in Reception is **15th January** in the year that your child will start school.
- Offers will be made by the Local Authority, on behalf of the school, on **16th April** or the next working day.

“In-year” admissions:

- Applications for a place outside the main round are known as “in-year” applications. For example, if a Year 3 child moves into the area, an in-year application will be made.
- Astrea Academy Trust reserves the right to administer in-year admissions to the school. However, by agreement with the Local Authority, the LA will administer these applications and parents should use the link provided above.

Oversubscription criteria

When the school receives more applications than places available, after the admission of pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. **Looked After Children** and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.¹
2. **Catchment Area** - Children who normally reside with a parent or person with parental responsibility in the defined catchment area. A map of the catchment area is included at the end of this document and you can find more information here: <https://www.doncaster.gov.uk/services/schools/school-catchment-areas>
3. **Siblings** - Children who normally reside with a parent or person with parental responsibility in the defined catchment area and who will have a brother or sister (including step or half brother or sister) at the preferred school on the proposed date of admission.

¹ Children who are Looked After Children and all previously Looked After Children

Children who are Looked After Children and all previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

4. **Children of staff in skills shortage posts** - Children of staff at the school recruited to fill a skill shortage post – this will be subject to confirmation by the Astrea Executive Board that, on the evidence available, the post does indeed relate to a skills shortage in the area.
5. **Distance** - Children living nearest the school; the distance to be measured by a straight line between the centre point of the child's ordinary place of residence and the main entrance to the school building.

Tiebreaker for Equi-distant Applications

Where the offer of the last place in the relevant year group could be made to the parent of eligible multiple siblings, resident at the same address, we will exceed our admission number in order to offer sufficient places for the family.

Where the offer of the last place in the relevant year group could be made for a number of eligible children resident equi-distant from the school the determination of the single offer will be by Random Allocation.

The Random Allocation will:

- (i) be independently supervised
- (ii) take place on a date and at a time notified in advance to the participating parents so that they can attend as witnesses.

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the LA of their circumstances as they apply to the admission criteria at the time of application.

Notes

Home address - The home address is where a child normally lives. Where parents are separated and the child lives with each parent for part of the week, the home address will be the one where the child spends the majority of his or her time.

Multiple births (twins, etc.) - In the case of multiple births or siblings in the same year group, where there is only one place available in the school, all will be considered together as one application.

Service children and Crown servants - For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, the Authority will allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. The Trust will not refuse a service child a place because the family does not currently live in the area.

Late applications

All applications received after the deadline will be treated in accordance with the Local Authority's policy on late applications.

Deferred entry for infants

Parents offered a place in reception for their child have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

Admission of children outside their normal age group

Applications for children to be admitted to a school year outside of their chronological age group should be submitted to the home Local Authority during normal round admissions, or to the LA/school as described above regarding the in-year admissions process. Each application will be considered and decided by the academy on the individual circumstances of each case.

Applicants should provide documentation in support of their application regardless of whether they are asking for the student to be admitted in a lower or higher year group. Applicants will be notified of the decision in writing.

There is no right of appeal where an offer is made, but not to the year group requested by the parents.

Waiting lists

The school will operate a waiting list for each year group. This will be maintained by the Local Authority unless it is agreed that the Local Authority will no longer have responsibility for in-year admissions.

Children's position on the waiting list – and any offers made as places become available – will be determined solely in accordance with the oversubscription criteria. This means that the waiting list is not a 'queue' and it is possible to move down as well as up the waiting list if additional applications are received for children with higher priority.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Further information and contact details will be included in any refusal letter.

Admission Arrangements for EMAT Learning Partnership Academies

Unless delegated to the Local Authority, only the Trustees are able to decide who is eligible for a place at that academy/school. Neither the CEO nor their representatives are able to offer a place.

General Statement

In Doncaster, each academy or school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary academy/school and a group of linked primary academies/schools, in a pyramid. In this way, each academy/school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its academies/schools.

Admission Number

An academy/school must have an admission number (see appendix 1) for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the academy/school, taking into account the nature and type of the academy buildings, and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the academy/school and those who teach and support them. Where necessary, the Trustees consult with the LA (see Appendix 1 for our academies' admission numbers).

Before making a final decision, the Trustees consider the number and size of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.

In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered an academy/school which is ranked higher on a Common Application Form (AF) under a Coordinated Admission Scheme(CAS).

Expressing a Preference – Year of Entry

Applications for admission to an academy's/school's year of entry should be made in accordance with the relevant Coordinated Admissions Scheme.

Closing Date for Receipt of Parental Preferences

The closing dates for receipt of preferences for the year of entry are in accordance with the Local Authority's Coordinated Admissions Scheme. Late applications are processed in accordance with the scheme.

Eligibility for a Place at a School – Oversubscription Criteria

This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for each academy/school will be sorted in the order of the criteria outlined below. The remaining criteria are applied in order of priority as tie-breakers, with criterion d) being the final tie- breaker.

A Looked After Children and all previously Looked After Children.

B Children of staff

Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

C Catchment Area

Children who are ordinarily resident in the catchment area of the academy. For applications for the year of entry received by the closing date, a catchment area academy will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

D Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested academy/school (excluding nursery) at the point of admission. Where the requested academy/school is an infant or junior academy/school, attendance at a linked infant or junior academy/school will be included.

Where a place is only available for one child from a multiple birth i.e. twins, each child will be offered a place.

E Proximity

Children who live nearest to the requested academy/school, measured in a straight line from the centre point of the child's ordinary place of residencies to the entrance nearest to the reception point of the academy/school.

If two or more pupils live equal distance from the academy/school, the distance each pupil lives by road from the preferred academy/school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

The Offer of a Place at an Academy/School

Decisions will be posted to parents in accordance with the Local Authority's Coordinated Admissions Scheme.

Unsuccessful Applications

Any parent whose child is not offered an academy/school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

Pupils will be added to the waiting list(s) of academies/schools where they are refused a place and those academies/schools were ranked higher on the Common Application Form than the place offered. Places on the waiting list will be strictly prioritised in criteria order as given above and will operate until the end of the autumn term.

Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the academy/school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In-Year Transfers

Applications for admissions outside of the normal admission round (In-year Transfers) may be considered by each individual academy/school. They should be made via the online application form.

Where there are sufficient places an application will normally be agreed unless specific circumstances apply.

Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criteria listed above and places awarded accordingly.

Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.

If a place is agreed, the Headteacher will, within two weeks of a place being offered, determine a start date.

Pupils are normally admitted to an academy/school at the start of the next new term other than with the prior approval of the Headteacher of the academy or in circumstances beyond parental control, e.g. movement into the borough.

Pupils are required to start at the academy/school within two weeks of the start date offered by the Headteacher and places are not normally held open beyond this period. Applicants must be in a position to take up a place within this stated period.

Repeat applications made for entry to the same year group at the same academy/school will not be considered, unless there has been significant and material change to either the families' or the academy's/school's circumstances since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.

In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Local Authority/Trust, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Nursery Admissions

Parents should initially apply for their child to be admitted in the September following their child's third birthday. Subject to the availability of places, successful applicants will be eligible for admission during the term following their third birthday. (See section 11.9)

Pupils are entitled to 15 hours' free provision per week for 38 weeks.

Admission Limit

The Admission Limit of each academy (see appendix 1) determines the maximum number of pupils that can be properly accommodated in a nursery. It is not an arbitrary process, and; is assessed in accordance with the Department for Education (DfE) Premises Regulations which take account the nature and type of the school buildings providing for the acceptable amount of space for each pupil, and takes into account the DfE staffing ratio of 1 adult to 13 pupils with at least one adult being a teacher.

Admission to Nursery

A child who has attained the age of three years on, or before, the 31 August will normally be admitted part-time to a nursery class from the start of the following school year.

Although the majority of children will only attend one nursery, the minimum period they should attend is one term and parents are required to sign a contract on a termly basis.

Only in exceptional circumstances will a pupil be allowed to transfer between academies/schools during a term i.e. where they change their address or there is a change in child care arrangements.

Early Admission

Once a pupil has secured a place for September admission, if places are available children may be admitted earlier. Those places will be offered by the academy/school in criteria order as follows;

Children born in the Autumn Term may be able to start in the Spring Term.
Children born in the Spring Term may be able to start in the Summer Term.

If a child attends a nursery 'early', they will normally continue into the nursery in the following September unless there has been a change of address or there is a change in child care arrangements.

Allocation of Places and Admission Criteria

This section outlines the criteria to be used to decide upon eligibility for a place where the number of applications exceeds the admission limit.

Having regard to a pupil with an Education Health and Care Plan naming the school in their statement, the criteria for allocating places is listed below in order of priority:

Looked After Children or All Previously Looked After Children.
Children who are ordinarily resident in the catchment area of the school.

For the purposes of applications received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the closing date. A child's place on a waiting list is reviewed once the parent has confirmed that the pupil is resident at a different address.

Doncaster Children, living within the same family unit (e.g. stepchildren) who are attending the academy/school at the point of application (excluding nursery).
Doncaster children who live in the catchment area of an academy/school without a nursery.
Doncaster children who live in the catchment area of an academy/school with a nursery. Children not resident in Doncaster.

If, in any category, there are more children than places available, places will then be determined by reference to order of birth, eldest first.

If there are any children with identical dates of birth, the child living nearest to the academy/school will be offered the place.

The distance is measured in a straight line from the point of the front entrance of the pupil's home, to the entrance nearest to the reception point of the academy/school building. In the case of split-site academies/schools, it shall be the entrance nearest to the reception point of the site the pupil attends for the purpose of registration.

Waiting Lists

In the event of a parent being refused admission, the child's name will be placed on a waiting list for the nursery. Waiting lists are held all year in criteria order and by date of birth within criteria (eldest first).

If a place becomes available, it will be offered first to children of current nursery age and then to any children who may be eligible to be admitted 'early'. No priority will be given to the date of receipt of the application.

Places will only be allocated from the waiting list when the number of pupils in the nursery falls below the Admission Limit. If a place does become available, it will be allocated to the child at the top of the list on the day that the LA receives confirmation of the vacancy.

Further Information

Further, more detailed information about the admission process can be found in the Starting in a Nursery Booklet, available from the academy/school or the LA as follows:-

Deferred Entry for the Admission of Summer Born Children

In December 2014, the Department for Education (DfE) published new guidance regarding the admission of summer born children (those born between 1 April and 31 August). The DfE's guidance is available to view on their website. In response to this guidance and the new statutory requirements in the revised School Admissions Code, Doncaster authority and EMAT Learning Partnership updated their admissions policy to address the options available to parents of summer born children.

Schools Minister Nick Gibb recently announced government plans to amend the School Admissions Code so that summer-born children can begin school after their fifth birthday and be placed into a reception class. A full public consultation will be carried out in due course and reforms will have to be approved by Parliament. This information is designed to explain the options available to parents for their child's starting school arrangements and to answer the frequently asked questions.

When will my child reach statutory school age?

Children must be receiving full-time education by the start of the term following their fifth birthday.

For children born between 1 September and 31 December, they reach compulsory school age on 31 December and must be receiving full-time education at the start of the Spring term (i.e. after the Christmas holidays, in January) For children born between 1 January and 31 March, they reach compulsory school age on 31 March and must be receiving full-time education by the start of the Summer term (i.e. after the Easter holidays, in March or April) For children born between 1 April and 31 August, they reach compulsory school age on 31 August and must be receiving full-time education at the start of the new school year (i.e. after the summer holidays, in September)

What options do I have available?

In Doncaster, we provide for the admission of all children in the September following their fourth birthday. Parents of non-compulsory school age children (four year olds) may request a pattern of part-time attendance or deferment if that best suits the needs of their child. Parents will be offered the opportunity for their child to:

start Reception in September on a full-time basis from their first day of attendance or on a part- time basis up to the point of reaching compulsory school age;

defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the summer term of the school year for which the offer of the school place was made.

And for summer born children (those born between 1 April and 31 August) only: delay their child's entry to school until they reach compulsory school age and be admitted to Reception rather than Year 1 with their chronological peers. This means that a summer born child would not start school at all during the academic year after their fourth birthday.

Details on the process for seeking approval for deferred admission are provided below.

How do I make the request?

Before deciding to defer your child's admission, you should first contact the school(s) you are interested in applying for. They will be able to explain the provision on offer to children in Reception, how it is tailored to meet the needs of summer born children and how those needs will continue to be met as the children move up through the school. They may also be able to allay any concerns that you may have about your child's readiness for school.

If you still wish to defer your child's admission to school, you must seek approval from the admission authority of each school you wish to apply for.

Type of School	Who is the Admission Authority for the School?
Academy	Academy Trust (EMAT)
Community	Local Authority
Foundation	Governing Body
Voluntary Aided	Governing Body

For Academies within EMAT, you must complete a Request to Defer Admission Form and discuss your request with the academy directly. These forms are available from the Academy you wish to apply.

In addition to seeking approval from the admission authority of your preferred school(s), you are also advised to make an application as part of the main admission

round for the year group that your child would normally be admitted to school, until a decision on your request has been reached.

Each child's circumstances are considered on a case-by-case basis and a decision will be made in the best interests of the child. The Admission Authority is required to seek the views of the Head Teacher of the school concerned. You will receive a response in writing to your request before the primary national offer date setting out clearly the reasons for the decision.

If your request to defer is approved, you can simply withdraw your application for the normal age group. You will then need to make a new application as part of the main admission round for the following year.

If your request to defer is refused, you will need to decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in-year application for admission to Year 1 for the September following the child's fifth birthday.

Do I need to provide medical evidence or reports from an educational psychologist?

You may provide evidence to support of request for deferred admission if you wish but it is not compulsory.

Will all schools agree to my request?

Not necessarily. One admission authority cannot be required to honour a decision made by another admission authority. You must seek separate approval for academies because Doncaster is not the admission authority for these types of establishments.

Am I guaranteed a place?

Any agreement to defer your child's admission to Reception does not guarantee a place at the preferred school, nor does it provide any additional priority for a place. Your application to the school will be considered alongside all other applications in accordance with the school's published admission criteria. We can however, guarantee that your child will be given a school place. If we cannot offer any of your preferred schools, you will be allocated a Reception place at the nearest school with a vacancy that is willing to accommodate your child's deferred entry. You will have the right of appeal.

Can I appeal?

Parents who are refused a place at a school for which they have applied have the right of appeal to an independent appeal panel. Further information on appeals can be found on Doncaster Council's Website. As the purpose of the appeals process is to consider whether a child should be admitted to a particular school, parents do not have a right of appeal if they have been offered a place and it is not in the year group they would like. However, they may make a complaint about an admission authority's

decision not to admit their child outside their normal age group either using the school's complaints procedures (for Academies).

What happens when my child transfers to the next level of schooling (either to junior school or secondary school)?

Ideally, your child will remain with the cohort they have been taught with, but this is not guaranteed: at each point of transfer, your request for deferral will be reassessed. Therefore, when your child's natural cohort is applying to transfer to junior or secondary school, you will need to speak to the admission authority of your preferred school(s) to obtain their agreement to continue your child's deferral. If agreed, you would then apply the following academic year (when the other children in your child's class are applying to transfer).

Does deferring my child's admission impact on when my child can leave school?

Yes. If your child has been deferred, he/she will no longer be of compulsory school age during Year 11 of secondary school and will therefore be able to leave school before completing examinations.

I'm still not clear, who can I speak to?

Please contact the academy to which your application relates in the first instance.

Independent Appeals

If a place is not offered at a preferred academy/school, parents have the right to appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 school days of receiving the refusal letter to:

Litigation and Education Section, Directorate of Resources, Doncaster Council,
Civic Office, Waterdale, Doncaster, DN1 3BU.

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Explanatory Notes

Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for an academy/school or academies/schools at the normal point of admission.

Coordination Admissions Scheme (CAS)

A scheme, determined by the local authority for ensuring that a single offer of a place is communicated to parent who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

Looked-After Children or previously Looked-After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and the waiting list place amended as necessary.

Specific Circumstances for Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's In-Year Fair Access Policy.

1. Admission Arrangements for Exceed Learning Partnership Academies

Exceed Learning Partnership is its own admissions authority; this means that the Trust is responsible for setting its own admissions arrangements. For the purposes of aligning with other local schools and academies, the Trust continues to use Doncaster Local Authority for the co-ordination of all admissions and making offers of places.

2. General Statement

In Doncaster, each academy serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary academy/school and a group of linked primary academies/schools, in a pyramid. In this way, each academy/school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its academies/schools.

3. Admission Number

- 3.1 An academy must have an admission number (see appendix 1) for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the Academy in question'. The admission number for each year group is set with regard to the capacity assessment for the academy, taking into account the nature and type of the academy buildings, and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the academy and those who teach and support them. Where necessary, the Governing Board of each academy consults with the CEO on any proposed changes to the admission number for the academy. (see Appendix 1 for our academies' admission numbers).
- 3.2 Before making a final decision, the CEO along with the Directors Board and the Academy Principal, will consider the number and size of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order. If at any time following the determination of the PAN, a decision is made that the Academy is able to admit above its PAN, it MUST notify the Local authority in good time to allow the Local Authority to deliver its coordination responsibilities effectively.
- 3.3 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered an academy/school which is ranked higher on a Common Application Form (CAF)¹ under a Coordinated Admission Scheme (CAS).

4. Expressing a Preference – Year of Entry

Applications for admission to an academy's year of entry must be made in accordance with the relevant Coordinated Admissions Scheme. The Admissions Scheme is published on the City of Doncaster Council Website

5. Closing Date for Receipt of Parental Preferences

The closing dates for receipt of preferences for the year of entry are in accordance with the Local Authority's Coordinated Admissions Scheme. Late applications are processed in accordance with the scheme.

6a. Eligibility for a Place at a School – Secondary Academies Oversubscription Criteria

Secondary Academies: – Hall Cross Academy

This section outlines the criteria used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

If the Secondary Academy is oversubscribed, after the admission of pupils with an Education, Health and Care Plan where the school is named in the Plan, priority for admission will be given to those children who meet the criteria set out below, in order

a) Looked After Children or all Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989)

b) Children of Staff

Where a member of staff (both teaching and support staff, excluding voluntary staff) has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

For this category, a 'child' of a staff member is:

- Their natural or adopted child, whether they live with the staff member or elsewhere; and/or
- Their stepchild or child of their cohabiting partner, who lives and sleeps at the staff members home address for more than 50% of their time from Sunday to Friday during term time.

c) Siblings

Children with a sibling who is attending the school. Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

d) Catchment Area

Children who are ordinarily resident in the catchment area of the preferred school. (Details of Catchment Areas are available on the Doncaster Council Website

<https://www.doncaster.gov.uk/services/schools/school-catchment-areas>) For applications for the year of entry, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the date set in the relevant co-ordinated admission scheme.

Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

e) Link Pyramid School

Children attending a school which is a linked pyramid school and who have, on the closing date for applications, attended that school continuously for more than one calendar year. These are as follows: Atlas Academy, Bessacarr Primary, Hatchell Wood Primary, Hawthorn Primary, Lakeside Primary, Willow Primary

f) Trust Schools

Children attending one of Exceed Learning Partnership Trust Schools (Hill Top Academy, Edlington Victoria Academy, Carr Lodge Academy, Sandringham Primary School, Sheep Dip Lane Academy, Bentley High Street Primary School, Rosedale Primary School, The Mallard Academy, Willow Primary School) for more than one academic year, and who have, on the closing date for applications, attended one of these schools continuously for more than one year.

g) Proximity

Children who live nearest to the requested school measured in a straight line from the mid-point of the pupil's place of ordinary residence, to the entrance nearest to the reception point of the school building. In the case of split site schools, 'entrance nearest to the reception point' will refer to the site the pupil attends for the purpose of morning registration. If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

6b. Eligibility for a Place at a School – Primary Academies Oversubscription Criteria

Primary Academies: Bentley High Street Primary School, Carr Lodge Academy, Edlington Victoria Academy, Hill Top Academy, Rosedale Primary School, Sandringham Primary School, Sheep Dip Lane Academy, The Mallard Academy, Willow Primary School

This section outlines the criteria used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

If the Primary Academy is oversubscribed, after the admission of pupils with an Education, Health and Care Plan where the school is named in the Plan, priority for admission will be given to those children who meet the criteria set out below, in order

a) Looked After Children or all Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and

ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989)

b) Children of Staff

Where a member of staff (both teaching and support staff, excluding voluntary staff) has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

For this category, a 'child' of a staff member is:

- Their natural or adopted child, whether they live with the staff member or elsewhere; and/or
- Their stepchild or child of their cohabiting partner, who lives and sleeps at the staff members home address for more than 50% of their time from Sunday to Friday during term time.

c) Siblings

Children with a sibling who is attending the school. Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

d) Catchment Area

Children who are ordinarily resident in the catchment area of the preferred school. (Details of Catchment Areas are available on the Doncaster Council Website <https://www.doncaster.gov.uk/services/schools/school-catchment-areas>). For applications for the year of entry, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the date set in the relevant co-ordinated admission scheme. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

e) Proximity

Children who live nearest to the requested school measured in a straight line from the mid-point of the pupil's place of ordinary residence, to the entrance nearest to the reception point of the school building. In the case of split site schools, 'entrance nearest to the reception point' will refer to the site the pupil attends for the purpose of morning registration. If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

7. The Offer of a Place at an Academy/School

Decisions will be emailed to parents in accordance with the Local Authority's Coordinated Admissions Scheme. The offer is made on the National Offer Day.

8. Unsuccessful Applications

Any parent whose child is not offered an academy place for which they have expressed a preference has the right to an independent appeal.

9. Waiting Lists

- 9.1 Pupils will be added to the waiting list(s) of academies where they are refused a place and those academies were ranked higher on the Common Application Form than the place offered. Places on the waiting list will be strictly prioritised in criteria order as given above and will operate until the end of the Autumn Term (31st December).
- 9.2 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the academy. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.
- 9.3 Looked after children or previously looked after children will be allocated a place at the academy in accordance with the Fair Access Protocol and will take precedence over those on the waiting list. Details about Doncaster's Fair Access Protocol is available at:
www.doncaster.gov.uk/services/schools/school-admissions

10. In-Year Transfers

- 10.1 A parent can apply for a place for their child at any school, at any time. Applications for admissions outside of the normal admission round (In-year Transfers) may be considered by each individual academy. They should be made on the official application form and will be managed by the Local Authority admissions scheme. Information on how in-year applications can be made are available on the City of Doncaster Council website.
- 10.2 Where there are sufficient places an application will normally be agreed unless specific circumstances apply.
- 10.3 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criteria listed above and places awarded accordingly.
- 10.4 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 10.5 If a place is agreed, the Principal will, within two weeks of a place being offered, determine a start date.
- 10.6 Pupils are normally admitted to an academy at the start of the next new term other than with the prior approval of the Principal of the academy or in circumstances beyond parental control e.g. movement into the Borough.

- 10.7 Pupils are required to start at the academy within two weeks of the start date offered by the Principal and places are not normally held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 10.8 Repeat applications made for entry to the same year group at the same academy will not be considered, unless there has been significant and material change to either the families' or the academy's circumstances since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
- 10.9 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Local Authority/Trust, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

11. Nursery Admissions

- 11.1 Parents should initially apply for their child to be admitted in the September following their child's third birthday. Subject to the availability of places, successful applicants will be eligible for admission during the term following their third birthday. (See section 11.9)
- 11.2 Pupils are entitled to 15 hours' free provision per week for 38 weeks.
- 11.3 **Admission Limit**
 The Admission Limit of each academy (see appendix 1) determines the maximum number of pupils that can be properly accommodated in a nursery. It is not an arbitrary process, and;
- is assessed in accordance with the Department for Education (DfE) Premises Regulations which take account the nature and type of the school buildings providing for the acceptable amount of space for each pupil, and
 - takes into account the DfE staffing ratio of 1 adult to 13 pupils with at least one adult being a teacher.
- 11.4 **Closing and Announcement Dates**
 The closing date for receipt of applications for nursery 6th October 2025. Local Nursery Offer Date is 6th November 2025. Late applications are accepted and will be considered after those received by the closing date have been processed.
- 11.5 Applications are considered during the school year and should be submitted by Friday at 5pm during term time. Decisions are normally posted within 2 school weeks.
- 11.6 **Admission to Nursery**
 A child who has attained the age of three years on, or before, 31st August will normally be admitted part-time to a nursery class from the start of the following school year.
- 11.7 Although the majority of children will only attend one nursery, the minimum period they should attend is one term and parents are required to sign a contract on a termly basis.

11.8 Only in exceptional circumstances will a pupil be allowed to transfer between academies/schools during a term i.e. where they change their address or there is a change in child care arrangements.

11.9 Early Admission

Once a pupil has secured a place for September admission, if places are available children may be admitted earlier. Those places will be offered by the academy/school in criteria order as follows;

- a) Children born in the Autumn Term may be able to start in the Spring Term.
- b) Children born in the Spring Term may be able to start in the Summer Term.

If a child attends a nursery 'early', they will normally continue into the nursery in the following September unless there has been a change of address or there is a change in child care arrangements.

11.10 Allocation of Places and Admission Criteria

This section outlines the criteria to be used to decide upon eligibility for a place where the number of applications exceeds the admission limit.

Having regard to a pupil with an Education Health and Care Plan naming the school in their statement, the criteria for allocating places is listed below in order of priority:

a) Looked After Children or all Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989)

b) Children of Staff

Where a member of staff (both teaching and support staff, excluding voluntary staff) has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

For this category, a 'child' of a staff member is:

- Their natural or adopted child, whether they live with the staff member or elsewhere; and/or
- Their stepchild or child of their cohabiting partner, who lives and sleeps at the staff members home address for more than 50% of their time from Sunday to Friday during term time.

c) Siblings

Children with a sibling who is attending the school (excluding nursery). Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

d) Catchment Area

Children who are ordinarily resident in the catchment area of the preferred school. (Details of Catchment Areas are available on the Doncaster Council Website <https://www.doncaster.gov.uk/services/schools/school-catchment-areas>). For applications for the year of entry, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the date set in the relevant co-ordinated admission scheme. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

e) Proximity

Children who live nearest to the requested school measured in a straight line from the mid-point of the pupil's place of ordinary residence, to the entrance nearest to the reception point of the school building. In the case of split site schools, 'entrance nearest to the reception point' will refer to the site the pupil attends for the purpose of morning registration. If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

11.11 Waiting Lists

In the event of a parent being refused admission, the child's name will be placed on a waiting list for the nursery. Waiting lists are held all year in criteria order and by date of birth within criteria (eldest first).

If a place becomes available, it will be offered first to children of current nursery age and then to any children who may be eligible to be admitted 'early'. No priority will be given to the date of receipt of the application.

11.12 Places will only be allocated from the waiting list when the number of pupils in the nursery falls below the Admission Limit. If a place does become available, it will be allocated to the child at the top of the list on the day that the LA receives confirmation of the vacancy.

11.13 Further Information

Further, more detailed information about the admission process can be found in the Starting in a Nursery Booklet, available from the academy or the LA as follows: -

Telephone: 01302 737274 or 01302 737205

12. Deferred Entry for the Admission of Summer Born Children

Deferred Entry and Part-Time Attendance in Reception Year

All children are entitled to a full-time place in Reception starting in the September following their fourth birthday. However, they do not reach compulsory school age (CSA) until one of three prescribed dates after their fifth birthday:

Born on or between	Date the child reaches compulsory school age
1 September and 31 December	Reach CSA on 31st December (following their 5th birthday).
1 January and 31 March	Reach CSA on 31st March (following their 5th birthday).
1 April and 31 August	Reach CSA on 31st August (following their 5th birthday).

Parents have the absolute right to delay their child's school start until they reach CSA. This is known as deferred entry or delayed entry for summer born children (see below). The Academy cannot refuse this request.

If parents choose to defer their child's entry during the school year, the Academy will reserve their place in Reception for up to two terms (until the Easter holiday). However, places cannot be deferred or retained beyond this point.

Parents also have the absolute right to choose part-time attendance until their child reaches CSA. This option can be exercised throughout the school year and may be combined with deferred entry. For example, a child born on February 5 could delay their start until after the Christmas break and then attend part-time until Easter.

Parents wishing to defer entry or opt for part-time attendance should apply for a place as usual. Once they have accepted the offer, they should inform the Academy of their decision, preferably in writing. No explanation is required.

Delayed Entry for Summer Born Children

Children born between 1 April and 31 August (referred to as "summer-born children") reach CSA on 31st August following their fifth birthday. As a result, they are not legally required to start school until the September after they turn five, which is one academic year later than when they first become entitled to a full-time Reception place.

Parents of summer born children can defer their child's place for one or two terms and/or opt for part time attendance throughout the school year until they reach compulsory school age, as set out above. However, parents cannot defer their child's place for a full academic year and still retain it. If they wish for their child to start school in the following academic year instead, they must decline the offered place and reapply for admission the next year.

If parents choose to delay their child's admission by one full academic year, the default position is that

the child will enter Year 1 with their normal age group. This means:

- The child will not have attended Reception, missing the early years foundation stage of school.
- Admission to Year 1 is subject to available places, which are often limited, meaning a place cannot be guaranteed.

Parents may request that their summer-born child starts Reception a year later, instead of moving straight into Year 1 with their age group. The process for making this request is outlined below. However, unlike deferred entry or part-time attendance (which are legal entitlements), there is no absolute right to delayed admission to Reception. Each request is considered individually, and the decision rests with the admission authority of the school.

Parents who wish to request delayed admission should submit their request as early as possible, ideally well before application deadlines, to ensure they receive a decision in principle. This allows them to make an informed choice when applying for school places.

Requests for Admission Outside Normal Age Group

Parents have a right to request that their child is admitted to a year group other than their normal year group at the Academy. This may be to a year group below or above, and there may be a variety of reasons for making this request. For example, the child might be gifted, suffer from long-term or serious illness, or have been educated overseas and/or used to studying at a different level (these are examples only, not an exhaustive list).

Before deciding to defer your child's admission, you should first contact the school(s) you are interested in applying for. They will be able to explain the provision on offer to children in Reception, how it is tailored to meet the needs of summer born children and how those needs will continue to be met as the children move up through the school. They may also be able to allay any concerns that you may have about your child's readiness for school.

If you still wish to defer your child's admission to school, you must seek approval from the admission authority of each school you wish to apply for.

For Academies within Exceed Learning Partnership, you must complete a Request to Defer Admission Form (see appendix 3) and discuss your request with the academy directly.

In addition to seeking approval from the admission authority of your preferred school(s), you are also advised to make an application as part of the main admission round for the year group that your child would normally be admitted to school, until a decision on your request has been reached.

Parents are strongly encouraged to submit their requests well in advance of application deadlines to receive a decision in principle, allowing them to make informed choices when applying for admission.

As described above, each child's circumstances are considered on a case-by-case basis and a decision will be made in the best interests of the child. The Admission Authority is required to seek the views of the Principal of the school concerned. You will receive a response in writing to your request before the primary national offer date setting out clearly the reasons for the decision.

If your request to defer is approved, you can simply withdraw your application for the normal age group.

You will then need to make a new application as part of the main admission round for the following year.

If your request to defer is refused, you will need to decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in-year application for admission to Year 1 for the September following the child's fifth birthday

13. Independent Appeals

If a place is not offered at a preferred academy, parents have the right to appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 school days of receiving the notification that an application was unsuccessful by requesting an appeal form and emailing the following information to admissionappeals@doncaster.gov.uk

Childs Name, Childs Date of Birth, School you wish to appeal for

14. General Information

14.1 False Information

Any place offered on the basis of a fraudulent or intentionally-misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

14.2 Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

14.3 Random Allocation

The Random Allocation process will be conducted independently of the Trust and the school. It will be managed by the Local Authority's Admissions Team. Pupils will be randomly assigned a rank number, and the draw will be carried out using a third-party service (www.Random.org or equivalent).

14.3 Fair Access Protocol

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced children who live in the local authority, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full. Details about Doncaster's Fair Access Protocol is available at www.doncaster.gov.uk/services/schools/school-admissions

15. Explanatory Notes

i Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for an academy/school

or academies/schools at the normal point of admission.

ii Coordination Admissions Scheme (CAS)

A scheme, determined by the local authority for ensuring that a single offer of a place is communicated to parent who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii Looked-After Children or previously Looked-After Children

Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and the waiting list place amended as necessary.

v Specific Circumstances for Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's In-Year Fair Access Policy.

Admission Arrangements for Grange Lane Infant Academy 2026-27 School Year

- 1 These are the admission arrangements for the 2026/27 school year.
- 2 Unless delegated to the Local Authority, only the Governing Body is able to decide who is eligible for a place at the school. Neither the Headteacher nor their representatives are able to offer a school place.

General Statement

- 3 In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

- 4 The admission number for the school is **60**. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.
- 5 Before making a final decision, the Governing Body considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
- 6 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Formⁱ (CAF) under a Coordinated Admission Schemeⁱⁱ (CAS).

Expressing A Preference - Year of Entry

- 7 Applications for admission to a schools year of entry should be made in accordance with the relevant CAS.

Closing Date For Receipt Of Parental Preferences

- 8 The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS.

Late applications are processed in accordance with the relevant CAS.

Eligibility For A Place At A School - Oversubscription Criteria

- 9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) Looked After Children or all Previously Looked After Childrenⁱⁱⁱ

b) Catchment Area

Children who are ordinarily resident^{iv} in the catchment area of the school.

For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included.

Where a place is only available for one child from a multiple birth i.e. twins, each child will be offered a place.

d) Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence^{iv}, to the entrance nearest to the reception point of the school.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute. .

The Offer Of A Place At A School

- 10 Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

- 11 Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

- 12 Pupils will be added to the waiting list(s) of community schools where they were refused a place and those schools were ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.
- 13 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In Year Transfers

- 14 Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.
- 15 Where there are sufficient places an application will normally be agreed unless specific circumstances apply^v.
- 16 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 17 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is agreed, the Headteacher will, within two weeks of a place being offered, determine a start date.
- 19 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Headteacher of the school or in circumstances beyond the parent's control, e.g. movement into the Borough.
- 20 Pupils are required to start at the school within two weeks of the start date offered by the Headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 21 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
- 22 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Independent Appeals

- 23 If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the refusal letter to:

**Litigation and Education Section, Directorate of Resources, Doncaster Council,
Civic Office, Waterdale, Doncaster, DN1 3BU**

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Explanatory Notes

i Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for a school or schools at the normal point of admission.

ii Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii Looked After Children or Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children
A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of

the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv **Ordinarily Resident**

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

v **Specific Circumstances For Refusal**

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code or as part of the Local Authority's In Year Fair Access Policy.

Admissions Policy

School Background

Green Top Primary School provides a safe, vibrant and inspiring learning environment, allowing the school to work as a community to build relationships. We support and challenge our children to take an active role in their learning, progressing and attaining to the best of their ability. Through guidance and support, we ensure our children develop their life skills so they can contribute positively to a cohesive society. We want our pupils to leave us as confident children with the highest possible skills for the future, and we want them to look back on their years at Green Top having had unforgettable memories and with a dedication for further learning. We believe in the power of the community, as a community we will ensure our children get the best start possible.

Size of school and appeals

Green Top has a class limit of no more than 30 children and a year group limit of 60 children. We believe this is key to delivering our highly personalised educational provision. As such, the design of the curriculum, staffing and accommodation to deliver our vision is centred around these numbers. We run a crew model as all schools within the XP Trust, crew sizes are consistently sized at 20 or less children.

Application Process

Green Top is part of the local authority's co-ordinated arrangements. This requires parents to complete a common application form (CAF) which is provided by the local authority in which the applicant lives.

Full details of the application process are available in the local authority's website <http://www.doncaster.gov.uk/services/schools/primary-admissions>.

Inaccurate or false information on the form could result in the place being withdrawn. We will operate in keeping with the local authority's Fair Access Protocol.

Published Admissions Number

Green Top has an agreed Published Admissions Number of 60 for admission into Reception and will admit up to this number each year. All applicants will be admitted if fewer than 60 applications are received.

Admissions Policy

Special Educational Needs

Children with an Early Health Care Plan (EHCP) where Green Top is named as the provision and agreed will be admitted to Green Top.

Oversubscription criteria

Where the school receives more applications than it has places available, the criteria listed below will apply, after the admission of children with a statement of Special Educational Needs which names Green Top, the oversubscription criteria will be:

1. A 'looked after child' or a child who was previously looked after: Children who are Looked After Children and all previously Looked After Children. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989). An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians)
2. Children who have been on roll at the Green Top Nursery, since September 2025
3. Children with a sibling attending the school from September 2025. Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, step brothers or sisters and foster brothers and sisters.
4. Children living within the designated catchment area of the school. This process will be independently run and verified by the local authority.
5. Children living outside the designated catchment area of the school. This process will be independently run and verified by the local authority.

Designated catchment addresses for Green Top can be found [here](#).

Admissions Policy

Tie-breaks

In the event of two or more children living equidistant from the school, the place will be decided by drawing lots. The first name drawn will be offered the place.

Offers of places

All applications received after the deadline will be considered late applications. Late applicants will be considered after those received on time. If, following consideration of all applicants, the school is oversubscribed, children will be placed on the school's waiting list, until the end of the Autumn Term.

Waiting List

If the school is oversubscribed, names of all unsuccessful applicants will be placed on a waiting list. The list will be kept for the eligible timespan of the school placement and will operate in accordance with the oversubscription criteria defined above.

Appeals

Parents who are dissatisfied with the school's decision not to admit their child(ren) may appeal to an independent appeals panel against that decision. The determination of the panel will be made in accordance with the School Admission Appeals Code and will be binding on all parties.

To request an appeal form email admissions@xptrust.org and provide the following information:

- Child's Name
- Child's Date of Birth
- School you wish to appeal for

A link to an online appeal form will then be emailed to you to appeal and give your reasons. Appeal forms should be requested and lodged within 20 days of the date of notification that the application was unsuccessful. All appeals will be heard by an independent appeal panel.

Information relating to the appeal process is available on the [Trust website](#). If you require any further information on why your child was not offered a place at one of your chosen schools, please contact admissions@xptrust.org.

Admission Arrangements for Hatfield Woodhouse Primary School 2026/27 School Year

Admission Arrangements

We are proud to be part of the Delta Academies Trust group however our admissions board remains Doncaster Local Authority. Parents must apply to the local authority for a place at the school. Please download your copy of our admissions policy below.

Please use link to DMBC admissions if you would like to apply online.

www.doncaster.gov.uk/admissions

1 These are the admission arrangements for the 2026/2027 school year.

2 Unless delegated to the Local Authority, only the Governing Body is able to decide who is eligible for a place at the school. Neither the Head of Academy nor their representatives are able to offer a school place.

General Statement

3 In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

4 The admission number for the school is 30. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them.

Where necessary, the Governing Body consults with the LA.

5 Before making a final decision, the Governing Body considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.

6 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Form i (CAF) under a Coordinated Admission Scheme ii (CAS).

Expressing A Preference - Year of Entry

7 Applications for admission to a school's year of entry should be made in accordance with the relevant CAS.

Closing Date For Receipt Of Parental Preferences

8 The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS.

Late applications are processed in accordance with the relevant CAS.

Eligibility For A Place At A School - Oversubscription Criteria

9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) Looked After Children or Previously Looked After Children iii

b) Catchment Area

Children who are ordinarily resident iv in the catchment area of the school.

For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included. Where a place is only available for one child from a multiple birth i.e. twins, each child will be offered a place.

d) Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence iv, to the entrance nearest to the reception point of the school.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

The Offer Of A Place At A School

10 Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

11 Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

12 Pupils will be added to the waiting list(s) of community schools where they were refused a place and those schools were ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.

13 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In Year Transfers

14 Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.

15 Where there are sufficient places an application will normally be agreed unless specific circumstances apply.

16 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.

17 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.

18 If a place is agreed, the Head of Academy will, within two weeks of a place being offered, determine a start date.

19 Pupils are normally admitted to a school at the **start of the next new term** other than with the prior approval of the Head of Academy of the school or in circumstances beyond the parent's control, e.g. movement into the Borough.

20 Pupils are required to start at the school within two weeks of the start date offered by the Head of Academy and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.

21 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.

22 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

The Exclusion Process

- Exclusions will be used sparingly and only if there are serious breaches of the school's behaviour policy or civil law; or if allowing the pupil to remain in school would be seriously detrimental to the education or welfare of the pupil, or other children and/or staff.
- The Head of Academy holds responsibility for taking the decision to make a permanent exclusion. However, in the absence of the Head of Academy, the Assistant Principal or other senior teacher in charge may make a fixed term exclusion.
- Permanent exclusion will only be used as a last resort, when all other reasonable steps have been taken without success.
- In extreme circumstances permanent exclusion may happen for a first or 'one off' offence.
- Fixed Term exclusions may not exceed the statutory amount of days in any one year.
- Persistent poor behaviour at lunchtime may be excluded for a fixed period, each lunchtime will count as a half day. This is subject to the normal rights of appeal.

Explanatory Notes

i Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for a school or schools at the normal point of admission.

ii Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii Looked After Children or Previously Looked After Children

Children who are in the care of a local authority as defined by Section 22 of the Children Act 1989 at the time of application. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (Section 46 of the Adoption and Children's Act 1989) or became subject to a residence order (Section 8 of Children Act 1989) or special guardianship order (Section 14a of the Children Act 1989).

iv Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

v Specific Circumstances For Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's In Year Fair Access Policy.

Independent Appeals

23 If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the refusal letter to:

Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office,
Waterdale, Doncaster, DN1 3BU

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Admissions Policy 2026/27

Urban Road, Hexthorpe, Doncaster, DN4 0HH

1. Admission Authority

Astrea Academy Trust is the admission authority for the school.

2. Published Admission Number (PAN)

The School has a PAN of **90** for entry in Reception.

The School will admit this number of pupils if there are sufficient applications. Where fewer applicants than the published admission number for the relevant year group are received, the Academy Trust will offer places at the school to all those who have applied.

The number above is often the indicative admission number for subsequent year groups. From time to time, however, the true capacity of these year groups might vary and the Trust is entitled to limit the indicative admission number to a number below ninety where there are clear grounds to do so.

3. Application Process and Timeline

Normal Round (for entry into Reception in September)

- Applications made during the main round for a place at the school are administered through Doncaster Metropolitan Borough Council (**“the LA”**) Parents resident in the Doncaster area can apply online at:
<https://www.doncaster.gov.uk/services/schools/primary-admissions>
- Parents in other LA areas must apply through their home local authority.
- The LA’s timetable will be used for all normal round applications each year.

- The deadline for an application for a place in Reception is **15th January**, the year that your child will start school.
- Offers will be made by the LA, on behalf of the school, on **16th April** or the next working day.

4. Nursery Admission

The School has a number of nursery places available – see the school website for further information.

The School does not give priority for reception places within the admissions criteria to children who attend the nursery. To do so would give an unfair advantage to children whose parents are able to take advantage of a nursery place at the school in comparison to those who have to attend other providers.

Parents will need to apply for a reception place via the process mentioned in clause 3 if they would like their child to be considered for a place. All applicants will be considered as per the admissions criteria clause 6.

5. In Year admission

- Applications for a place outside the main round are known as “in-year” applications. For example, if a Year 3 child moves into the area, an in-year application will be made.
- Astrea Academy Trust reserves the right to administer in-year admissions to the school. However, by agreement with the LA, the LA will administer these applications and parents should use the link provided above.

6. Oversubscription criteria

When the school receives more applications than places available, after the admission of pupils with an Education, Health, and Care Plan (**EHCP**) which names the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

- Looked After Children** and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.¹
- Catchment Area** - Children who normally reside with a parent or person with parental responsibility in the defined catchment area.
<https://www.doncaster.gov.uk/services/schools/school-catchment-areas>
- Siblings** - Children who normally reside with a parent or person with parental responsibility in the defined catchment area and who will have a brother or sister (including step or half brother or sister) at the preferred school on the proposed

date of admission and who lives at the same address as the child for whom the application is being made.

- d) **Children of staff in skills shortage posts** - Children of staff at the school recruited to fill a skill shortage post – this will be subject to confirmation by the Astrea Executive Board that, on the evidence available, the post does indeed relate to a skills shortage in the area.
- e) **Distance** - Children living nearest the school; the distance to be measured by a straight line between the centre point of the child's ordinary place of residence and the main entrance to the school building.

7. Tiebreaker for Equi-distant Applications

Where the offer of the last place in the relevant year group could be made for a number of eligible children resident equi-distant from the school the determination of the single offer will be by Random Allocation which will be managed by the LA.

8. False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the LA of their circumstances as they apply to the admission criteria at the time of application.

9. Notes

- a) **Home address** - The home address is where a child normally lives. See LA website for definition.
- b) **Shared parental responsibility** - Where parents are separated and the child lives with each parent for part of the week, the home address will be the one where the child spends the majority of his or her time. *The School will follow the policy used by the LA.*
- c) **Multiple births** (twins, etc.) - In the case of multiple births or siblings in the same year group, where there is only one place available in the school, all will be considered together as one application.
- d) **Service children and Crown servants** - For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, the Authority will allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. The Trust will not refuse a service child a place because the family does not currently live in the area.

10. Late applications

All applications received after the deadline will be treated in accordance with the LA's policy on late applications.

11. Deferred entry for infants

Parents offered a place in reception for their child have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

12. Admission of children outside their normal age group including Summer Born children (born between 1 April – 31 August)

Applications for children to be admitted to a school year outside of their chronological age group should be submitted to the home LA during normal round admissions, or to the LA as described above regarding the in-year admissions process clause 5. Each application will be considered and decided by the school on the individual circumstances of each case.

Applicants should provide documentation in support of their application regardless of whether they are asking for the child to be admitted in a lower or higher year group.

The School will take into account the parent's views; information about the child's academic, social, and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The School will consider the information provided, taking into account the views of the head teacher, and will inform the parent in writing of their decision, including the reason. If the school agrees to this request the child will be considered with the other applicants under the published oversubscription criteria for the admission year and year group that they are applying for.

Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school, but it is not in their preferred age group.

13. Waiting lists

The School will operate a waiting list for each year group. This will be maintained by the LA unless it is agreed that the LA will no longer have responsibility for in-year admissions.

Children's position on the waiting list – and any offers made as places become available – will be determined solely in accordance with the oversubscription criteria. This means that the waiting list is not a 'queue' and it is possible to move down as well as up the waiting list if additional applications are received for children with higher priority.

The waiting list will operate for the full academic year. If at the end of the academic year a parent would like their child to be considered for entry to the subsequent year group, they will be required to apply afresh, see clause 5.

The Reception entry waiting list will be open until 31 December. All children who have not been offered a place at the school or where the school is ranked higher than the school where an offer was made will automatically be placed on the waiting list. Parents who would like their child to remain on the waiting list after the 31 December will need to contact the LA, see clause 5.

14. Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Further information and contact details will be included in any refusal letter.

15. Fair Access Protocol

The School will participate in the LAs Fair Access Protocol which will be used to place vulnerable and /or hard-to-place children, where they are having difficulty securing a school place in-year, and it can be demonstrated that reasonable measures have been taken to secure a place through the usual in-year admission procedures. Children admitted under this protocol will be prioritised over those on the in-year waiting list.

Highfields Primary Academy are proud to be an academy of the Delta Academies Trust however our admissions board remains Doncaster Local Authority. Parents must apply to the local authority for a place at the school. Please download your copy of our admissions policy below.

Please use link to DMBC admissions if you would like to apply online:

www.doncaster.gov.uk/admissions

1. These are the admission arrangements for the 2026/27 school year.
2. Unless delegated to the Local Authority, only the Governing Body is able to decide who is eligible for a place at the school. Neither the Headteacher nor their representatives are able to offer a school place.

General Statement

3. In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

4. The admission number for the school is 20. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.
5. Before making a final decision, the Governing Body considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
6. In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Form (CAF) under a Coordinated Admission Scheme (CAS).

Expressing a Preference – Year of Entry

7. Applications for admission to a school's year of entry should be made in accordance with the relevant CAS.

Closing Date for Receipt of Parental Preferences

8. The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS.

Late applications are processed in accordance with the relevant CAS.

Eligibility For A Place At A School - Oversubscription Criteria

a) **Looked After Children or all previously Looked After Childrenⁱⁱⁱ**

b) **Catchment Area**

Children who are ordinarily resident ^{iv} in the catchment area of the school.

For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) **Siblings**

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included.

Where a place is only available for one child from a multiple birth i.e. twins, each child will be offered a place.

d) **Proximity**

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence^{iv}, to the entrance nearest to the reception point of the school.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

The Offer of a Place at a School

10. Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

11. Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In Year Transfers

14. Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.
15. Where there are sufficient places an application will normally be agreed unless specific circumstances apply^v .
16. Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
17. Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
18. If a place is agreed, the Headteacher will, within two weeks of a place being offered, determine a start date.

20. Pupils are required to start at the school within two weeks of the start date offered by the Headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
21. Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
22. In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Independent Appeals

23. If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the refusal letter to:

Explanatory Notes

i Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for a school or schools at the normal point of admission.

ii Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii Looked After Children or all previously Looked After Children

Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not

solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

v Specific Circumstances For Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's In Year Fair Access Policy.

Admissions Policy 2026-2027

APPROVED BY: BOARD OF TRUSTEES

DATE APPROVED: OCTOBER 2022

DATE REVIEWED: OCTOBER 2024

DATE OF NEXT REVIEW: OCTOBER 2025

In Catholic voluntary aided schools, the admission authority is the governing body. In Catholic voluntary academies, the admission authority is the academy company. The term “school” is used throughout the document to mean all Catholic schools, including schools in the trusteeship of a religious order. This includes maintained schools, and academies in England.

Holy Family Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its academy company as part of the Catholic Church in accordance with its trust deed and articles of association, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with these admission arrangements.

The academy company is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round¹. The admission authority has set the school's Published Admissions Number (“PAN”) at 30 pupils to be admitted to [the reception year] in the school year which begins in September, 2026.

The admission authority will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish(es) of Our Lady's of the Assumption and St. Joseph and St. Nicholas. (see notes 3&11)
3. Catholic children who are resident in the parish(es) of **Our Lady of Sorrows for whom Our Lady of Sorrows Catholic Primary is the nearest Catholic school**. (see notes 3&11)

¹ https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/612222/Admission-arrangements-in-schools-2018.pdf

4. Other Catholic children. (see note 3)
5. Other looked after and previously looked after children. (see note 2)
6. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
7. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
8. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
9. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made. (see note 10)
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8).

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated on the basis of a straight-line measurement between the front door of the child's home address (including the community entrance to flats) and the main entrance of the school. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round², you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form attached to this policy if you wish to apply under oversubscription criteria 1 to 4 or 6 to 8. The Supplementary Information Form should be returned to Holy Family Catholic Primary school, Kirton Lane, Stainforth, Doncaster, DN7 5BL, <https://www.holyfamily.doncaster.sch.uk/> by 15th January 2026.

You will be advised of the outcome of your application on 16th April or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child

may not be placed in criteria 1 to 4 or 6 to 8, and this may affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2026.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to Mrs B Nesbit, Executive Headteacher at the same time as the admission application is made. The admission authority will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the admission authority will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until 17th July 2027.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places.

Application should be made to the school by contacting Holy Family Catholic Primary school, Kirton Lane, Stainforth, Doncaster, DN7 5BL, <https://www.holyfamily.doncaster.sch.uk/>

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the admission authority is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The admission authority has this power, even when admitting the child would mean exceeding the PAN (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

The admission authority reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making an application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the admission authority) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. “children of other faiths” means children who are members of a religious community that does not fall within the definition of ‘other Christian denominations’ at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. ‘brother or sister’ includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii) the child of a parent’s partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

9. A ‘parent’ means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

10. To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the admission authority will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.

11. For the purposes of this policy, parish boundaries can be found on the map, available from the Diocese and will be applied to the admission arrangements for 2026-2027 policy.

12. A child’s “home address” refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form (“CAF”). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

JMAT ADMISSION AGREEMENT**

2026/2027

Admissions Arrangements for Entry to school for Reception (Foundation Stage 2) / Year 3 in 2026/27

This agreement aims to:

- Explain how to apply for a place at the school
- Set out the school's arrangements for allocating pupil places
- Explain how to appeal against a decision not to offer your child a place

Legislation and statutory requirements:

The James Montgomery Academy Trust operates within the Statutory Admission Code of Practice 2021. The admission arrangements include the oversubscription criteria and other detailed information that explains how the Trust as the Admission Authority manages this function.

The admission authority **must** consult on their admission arrangements at least once every 7 years, even if there have been no changes made.

The agreement is based on the following statutory guidance from the Department for Education (DfE):

- School Admissions Code 2021
- School Admission Appeals Code 2022

As a multi academy trust, each school is required by its funding agreement to comply with these codes, as well as conforming with the law relating to admissions as set out in the School Standards and Framework Act 1998. This complies with our funding agreement and articles of association.

Introduction

The James Montgomery Academy Trust is the Admission Authority for all its schools which are detailed on the Trust website. The responsibility when setting such admissions arrangements lies with the Trust for all associated schools', whilst remaining compliant with information detailed in the School Admissions Code 2021.

Hooton Pagnell All Saints C of E Primary school is an academy within the James Montgomery Academy Trust, which is also within the Diocese of Sheffield and Doncaster Local Authority. The school provides a distinctively Christian education for children aged 3 to 11 years. Historically, Anglican schools were parish schools providing education for the community in accordance with the principles of the Church of England. Thus, the majority of Sheffield Diocesan schools were established to provide education for the children of the parish within a Christian context. The two aims of being 'distinctively Christian' and 'serving the local community' are reflected in the school's admission criteria.

How to apply for a primary school place

To apply for a school place, parents, carers and legal guardians can either apply online or alternatively request a paper copy which needs returning to the Admissions team at the relevant Local Authority (LA where they live, and not where the school is based).

Please select the relevant LA school admission application link in the appendix at the end of this document.

During this process a parent or legal guardian can choose three schools of their choice, expressing their preference in rank order.

Closing date for receipt of parental preferences

The closing date for receipt of preferences for the year of entry is **15th January 2026**.

Late applications for the year of entry will be processed after those received by the closing date.

National offer day

For those applications received by the above closing date an email from the LA will confirm the allocated place on the **16th of April 2026**.

Determining admission arrangements

Admission authorities **must** allocate places based on their determined admission arrangements only. A decision to offer or refuse an admission **must not** be made by one individual within an admission authority. The Admissions Panel appointed by the Trust will be the deciding party. The admission authority **must** keep a clear record of any decisions on applications, including in-year applications.

Below sets out the admissions arrangements for entry to Reception (Foundation Stage 2) in September 2025, and includes the oversubscription criteria that will be applied if there are more applications than places available.

Places are allocated based on the distance criteria or as part of the distance tie breaker, and if there are insufficient places within the admission number for two (or more) children living in the same building (e.g. flats) or otherwise equidistant from the school, the final place will be allocated by the Admissions team at the LA (Local Authority) acting independently from the Admission authority, by the means of drawing of lots.

Admission of children outside their normal age group

Parents, carers and legal guardians may seek a place for their child outside of their normal age group, for example, if a child is gifted and talented or has experienced difficulties such as ill health. In addition, the parents, carers and legal guardians of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age groups.

Admission authorities **must** make decisions based on the circumstances of each case and in the best interests of the child concerned. This will take into consideration parent, carer and legal guardian views; information about the child's academic, social, and emotional development; relevant medical history and any views of a medical professional.

SEND (Special Educational Needs and Disability)

Children issued with an Education and Health Care Plan will gain a place at the school named in the plan, as part of that process under the Section 234 of the Education Act 1996.

Parish boundary

For applications for the year of entry, a parish boundary for the school will be determined in relation to the address at which the pupil is ordinarily resident on the closing date. Information on the parish boundary for the school can be obtained through the 'A Church Near You' website at <https://www.achurchnearyou.com>.

Oversubscription criteria

In the event that there are more applications than places available, the following oversubscription criteria will be applied:

A. Children with special educational needs:

A small number of children will have an Education, Health and Care Plan (EHCP) that names a school, and these children must be admitted to the school named as part of that process.

The majority of children with special educational needs will not require an EHCP. Applications for children who have special educational needs but no EHCP, will be considered on the basis of the Admission Authority's published admissions criteria.

B. All other admissions places will be allocated in the following order of priority (Please note that where 'Authority' is stated this refers to the Local Authority):

1. Relevant Looked After Children and previously looked after children (see note a).
2. Children of UK service personnel (UK Armed Forces) For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area (see note e)
3. Children who, on **15th January 2026**, will have an older sibling on roll of the school (or associated junior school) in Years 1-6 at the start of the academic year 2025 (see note c).
4. Children who, on **15th January 2026**, live in the parish boundary of All Saints Hooton Pagnell as defined by the 'Church near you' website (see note g) and attend the parish church of Hooton Pagnell All Saints (see note e)
5. Children who, on **15th January 2026**, live outside the parish boundary of All Saints Hooton Pagnell as defined by the 'Church near you' website (see note g) and attend the parish church of Hooton Pagnell All Saints. (See note e)
6. Children who, on **15th January 2026**, live in the parish boundary of All Saints Hooton Pagnell as defined by the 'Church near you' website (see note g) and attend a Christian denomination church participating in 'Churches Together in England.' (See note g)
7. Children who, on **15th January 2026**, live outside the parish boundary of All Saints Hooton Pagnell as defined by the 'Church near you' website and attend Christian denomination church participating in 'Churches Together in England' (see note g)
8. Children who, on **15th January 2026**, live in the parish boundary of All Saints Hooton Pagnell as defined by the 'Church near you' website
9. Children of staff at the school (see note d)
10. All other children who, on **15th January 2026**, live nearest to the school measured by a straight line on a horizontal plane, (please see below how measurements are applied).

Please Note:

In the event of over-subscription (the PAN being reached) within any criterion, preference will be given to children who live nearest to the school 'as the Nodal point'.

Distance measurements are calculated (by the Local Authority Admissions Team) using GIS which applies seed points as determined by the Ordnance Survey. Measurements are taken from the seed point of the ordinary place of residence to the seed point of the school. Where the school has more than one seed point, the seed point closest to the geographical centre of the school site is used. In the event of two distances being equal, lots will be drawn by a representative independent of the Admission Authority.

Where applications are received for twins, triplets or siblings born in the same academic year etc these will be treated equally as there is nothing within the admission criteria to distinguish between them.

NOTES – definitions and additional information in relation to the admissions criteria for entry to Reception / Foundation Stage 2.

- a) A 'relevant looked after child' is a child that is looked after by a local authority in accordance with Section 22 of the Children Act 1989 at the time an application for admission to a school is made, and who the local authority has confirmed will still be looked after at the time when they are admitted to the school.

Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or a special guardianship order). All references to previously looked after children in the Code mean such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

- b) Places will be allocated based on your residential address on **15th January 2026**. Therefore, you must notify the Local Authority Admissions Team in writing if you change address before this date. You may be asked to provide proof of residence (e.g., utility/council tax bill). Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residency at the property concerned. The Admissions Authority / School / Local Authority reserves the right to request an affidavit where there is uncertainty regarding a child's ordinary place of residence.
- c) For a child to be considered a sibling, one of the following conditions must exist: (you may be asked to provide proof e.g., Birth Certificate and proof of residence)
- Sibling to be permanently resident at the same address.
 - Step-sibling to be permanently resident at the same address.
 - Half-sibling to be permanently resident at the same address.
 - Sibling who does not live at the same residence but, who share the same parents.
 - Child of the parent/carer/legal guardian's partner to be permanently resident at the same address.
 - Adopted sibling permanently resident at the same address.
 - Foster sibling resident at the same address.
- d) Children of staff: Where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and / or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
- e) Children of UK service personnel (UK Armed Forces) – For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, admission authorities must allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. This must include accepting a Unit postal address or quartering area address for a service child. Admission authorities must not refuse a service child a place because the family does not currently live in the area, or reserve blocks of places for these children.
- f) Regular attendance by parents/carers is defined as attendance at a Church of England church or another Christian denomination participating in 'Churches Together in England' for at least once a month over the last 12 months. Regular attendance by children is defined as attendance at a Church of England church or another Christian denomination participating in Churches Together in England' at

least once a month over the past 6 months. Parents/carers whose application is based on attendance at a church of Christian denomination should submit the Minister of Religion Reference Form available with the Common Application Form

- h) Children of staff: Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and / or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage

Waiting lists

On the National Offer Day of **16th April 2026**, the Admissions Team at the LA will manage a waiting list on behalf of the James Montgomery Academy Trust, where the number of applications for the schools has exceeded the available places for entry into Reception / Foundation Stage 2.

The Local Authority Admissions Team will administer the waiting list on behalf of the Trust which will operate until the **31st of December 2026** when it will cease.

The child's name will automatically be put on the waiting list for a school where they have not been made an offer of a place and where that school is named as a higher preference than the school at which an offer has been made. Children's positions on the waiting list will be determined solely in accordance with the oversubscription criteria outlined by the James Montgomery Academy Trust, with no reference to the date of receipt of the application. The waiting list will be re-ordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list. Should a place become available it will be allocated to the child whose name is at the top of the waiting list on the day that the Local Authority receives written confirmation of the vacancy.

In-year admissions – Transferring school during the school year

Any application for an in-year school transfer should be made via the Local Authority Admissions Team in the first instance. The Local Authority will co-ordinate in-year transfers for all their Local Authority schools working alongside the Trust's Admissions Authority.

Further information and the relevant application form can be found on the Local Authority website:

[Transferring School during the school year – Rotherham Metropolitan Borough Council.](#)

[Transferring School during the school year – Doncaster Council](#)

[Transferring School during the school year – Sheffield Council](#)

A paper copy of the application form can be requested from the relevant LA Admissions Team: (Appendix 1)

If you are moving home, please apply in advance of your move to reduce the risk of your child being out of school while your application is processed. You will need to provide details of your new address and when you intend to move.

You are advised to discuss your transfer request with a member of staff at your child's present school.

If there is more than one child involved each request will be considered on an individual basis. If a child is offered or admitted to a school, it does not guarantee a place at that particular school for any other child/children in the family.

The Local Authority Admissions Team will record all in-year transfer applications and will forward your application via secure email for consideration to the James Montgomery Academy Trust Admissions Authority.

- Applications received will be forwarded to preferred schools on the day of receipt where possible, or the following working (school) day.

- Applications received during a weekend or bank holiday or during school holidays will be forwarded to the preferred schools on the next working (school) day.

It is not possible to process any applications during school holidays and your application will be considered as soon as schools re-open. Schools are required to respond to in-year transfer requests within a **maximum of 15 school days** from receipt of the application therefore, although in-year applications may be forwarded to schools during school holiday periods, it is unlikely that you will be notified of the outcome of your application until schools re-open and the 15-school day response time commences.

In many cases a child will transfer to a new school only at the beginning of a new term, unless there is agreement by all concerned that the transfer should take place earlier. Until the transfer arrangements have been approved it is expected that your child will continue to attend their present school.

Parents, carers and legal guardians can make applications up to one term before the date when they would like their child to start at the preferred school. Parents, carers and legal guardians can apply from the 1 May onwards for admission in the following September. Any application for admission in the following September which is received prior to this date will be considered as having been received on 1st May.

You will be notified in writing of the outcome of your application. This decision will be sent by the Local Authority Admissions Team. It should be noted that it is the James Montgomery Academy Trust Authority's agreement that repeat applications made for entry to the same year group at the same school will not be considered unless there has been a significant and material change of circumstances which is relevant to the application for admission.

Appeal information

Where it is not possible to offer your child a place at the school you have applied for, you will receive a letter advising you of the reasons for this decision. This will be sent by the Local Authority Admissions Team.

All parents, carers and legal guardians have the right of appeal to an independent appeal panel if you have received written confirmation that it has not been possible to offer your child a place at the schools you have applied for.

All independent appeals are organised by an Appeals Clerk and follow procedures, which are set out in legislation and the School Admission Appeals Code of Practice. The Appeals Clerk, Panel and process are independent of the Admissions Authority.

Important requirements to note are:

- Appeals must be in writing stating the grounds on which the appeal is made;
- Every parent, carer or legal guardian has the right to attend the independent appeal in order to make their case;
- The parents, carer or legal guardian can be accompanied by a friend or be represented by them;
- Independent appeals are heard in private;
- The decision of the Appeals Panel is binding on both parents and the Admissions Authority;
- Parents, carers and legal guardians will receive written notification of the Appeals Panel decision.
- Dates – (Parents, carers and legal guardians will be advised at the earliest opportunity of appeal dates by the Clerk).

General information on appeals

A separate document containing details of the appeals procedure is available from the Local Authority for parents, carers and legal guardians whose applications could not be satisfied.

Any member of the Local Authority may attend hearings held by an Independent Appeal Panel in the role of observer.

Parents, carers and legal guardians will be given at least 14 days written notice of the date, time and place of the appeal hearing and will receive prior to the appeal, written documentation summarising the reasons for refusing the admission.

If a parent, carer or legal guardian does not attend the appeal or is not represented by another person, the hearing may be held, and the case dealt with in the absence of the parent, carer or legal guardian using only the written documentation submitted.

In some cases, parents, carers and legal guardians who are not successful at the appeal occasionally consider applying again for the same school in the same academic year. Unless there has been a significant and material change of circumstances which is relevant to the application for admission, the Authority is not required to reconsider its decision and therefore parents, carers and legal guardians do not have the right of another appeal.

Admission Arrangements and Oversubscription Criteria for the 2026/27 Academic Year

OVERVIEW

These are the admission arrangements for the 2026/27 school year.

As an Academy Trust, we are our own Admissions Authority. In determining this admissions policy we have sought to provide some consistency across our academy while aligning with existing local arrangements where that makes most sense and which reflect our partnership with Doncaster Council.

General Statement

In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

The admission number for the school is 60. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.

Before making a final decision, the Governing Body considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.

In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Formⁱ (CAF) under a Coordinated Admission Schemeⁱⁱ (CAS).

National Allocation Day

Applications for admission to a schools year of entry should be made in accordance with the relevant CAS.

Where parents or carers are applying in the normal admission round for Reception places, they will be informed of the outcome of their application by the Local Authority on the national allocation day.

Closing Date For Receipt Of Parental Preferences

The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS. Late applications are processed in accordance with the relevant CAS.

Eligibility For A Place At A School - Oversubscription Criteria

This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criteria is applied in order of priority as tie breakers, with priority 5 being the final tie breaker.

In all cases, if the number of applications is fewer than the published admission number, all children will be admitted to the school. Children who have a Statement of Special Educational Need or Education, Health and Care Plan which names the school will be admitted ahead of over-subscription criteria being applied. Places will then be offered in the following order of priority:

Priority 1

Looked After Children and previously Looked After Children¹;

Priority 2

Catchment Area

Children who are ordinarily resident in the catchment area of the preferred school. (Details of Catchment Areas are available at www.doncaster.gov.uk/admissions)

For applications for the year of entry, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the closing date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

Priority 3

¹ Children who are Looked After Children and all previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Siblings

Children who are living within the same family unit (as defined in 'Notes' below) who will be attending the requested school, (excluding nursery), at the proposed point of admission.

Priority 4

Children of school staff in skills shortage posts

Children of school-based staff (not wider Trust staff) recruited to fill a skill shortage post – this will be subject to confirmation by an Astrea non-executive Regional Ambassador that, on the evidence available, the post does indeed relate to a skills shortage in the area; **Priority 5**

Distance

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence, to the entrance nearest to the reception point of the school building. In the case of split site schools, 'entrance nearest to the reception point' will refer to the site the pupil attends for the purpose of morning registration.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using ONE provided by Capita Education Services and/or ArcView GIS provided by Environmental Systems Research Institute Inc or suitable substitute.

Where a place is only available in any of the above criterion for one child from a multiple birth i.e. twins, each child will be offered a place.

Tie-breaker

Each of the above priorities is applied, in order, as tie breakers, with priority 5 being the final tie breaker.

The Offer Of A Place At A School

Decisions will be posted to parents in accordance with the Authority's CAS.

Waiting lists

Waiting lists are ranked in line with the oversubscription criteria summarised above and detailed in the appendices – and are re-ranked whenever a new applicant is added. In Doncaster, waiting lists are maintained until 31st December 2026.

Appeals

All applicants who are refused a place have a right of appeal to an independent appeal panel which is constituted in accordance with the School Admissions Appeal Code. All parents and carers that are refused a place will be informed of the process for submitting an appeal by their Local Authority.

Notes

Delaying Entry to a Reception Class and Part-time Attendance

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

Where parents apply for admission to a reception class for a child who is not of statutory school age, and parents wish to delay entry, a child should be admitted to the class no later than the beginning of the summer term in the reception year. Parents can also request that their child attends part-time until the child reaches compulsory school age. Either type of request will be considered by the principal in circumstances where it appears to be in the best interest of the child.

Deferring Entry of summer born children outside their normal age group

Parents of summer born children (born between 1 April and 31 August) are currently able to request that their child defer entry to a reception class for a full academic year. When such a request is made, the principal will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account any supporting evidence provided by the parent. If the request is allowed, normal admission rules will apply and there is no guarantee that a place will be offered at the requested school(s).

Parents should set out their reasons for their request using the Deferred Entry Request Form and send it to the relevant school during the autumn term after their third birthday. This will ensure that they do not miss out on a place at the normal point of entry which should be made by the national closing date - 15 January. Further guidance and the form can be found on the Council Website at www.doncaster.gov.uk/services/schools/primary-admissions

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the LA of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Admission of Service Personnel and Crown Servants

Applications for service personnel and crown servants moving to Doncaster will be considered one term in advance of a change of address in accordance with the guidance from the DfE providing that the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address.

For the sibling criterion to be applicable one of the following conditions must exist:

- a) Brother and/or Sister to be permanently resident at the same address;
- b) Stepbrother and/or Stepsister to be permanently resident at the same address (to include halfbrothers/sisters).

The child's ordinary place of residence will be deemed to be a residential property at which the person or persons with parental responsibility for the child resides at the closing date for receiving applications for admission to school.

Where parental responsibility is held by more than one person and those persons reside in separate properties, the child's ordinary place of residence will be deemed to be that property at which the child resides for the greater part of the week including weekends.

Where responsibility for a child is shared evenly, the person receiving Child Benefit is deemed to be the person responsible for completing application forms, and whose address will be used for admissions purposes.

Explanatory Notes

Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for a school or schools at the normal point of admission.

ii **Co-ordinated Admissions Scheme (CAS)**

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

Admissions Policy 2026/27

Coventry Grove, Intake, Doncaster, DN2 4PY

Admission Authority

Astrea Academy Trust is the admission authority for the school.

Admission Numbers

The school has an admission number of **60** for entry in Reception.

The school will admit this number of pupils if there are sufficient applications. Where fewer applicants than the published admission number for the relevant year group are received, the Academy Trust will offer places at the school to all those who have applied.

The numbers above are often the indicative admission number for subsequent year groups. From time to time, however, the true capacity of these year groups might vary and the Trust is entitled to limit the indicative admission number to a number below sixty where there are clear grounds to do so.

Application Process and Timeline

Normal Round (for entry into Reception in September)

- Applications made during the main round for a place at the school are administered through Doncaster Metropolitan Borough Council. Parents resident in the Doncaster area can apply online at:
<https://www.doncaster.gov.uk/services/schools/primary-admissions>
- Parents in other local authority areas must apply through their home local authority.
- The Local Authority's timetable will be used for all normal round applications each year.
- The deadline for an application for a place in Reception is **15th January** in the year that your child will start school.
- Offers will be made by the Local Authority, on behalf of the school, on **16th April** or the next working day.

"In-year" admissions:

- Applications for a place outside the main round are known as “in-year” applications. For example, if a Year 3 child moves into the area, an in-year application will be made.
- Astrea Academy Trust reserves the right to administer in-year admissions to the school. However, by agreement with the Local Authority, the LA will administer these applications and parents should use the link provided above.

Oversubscription criteria

When the school receives more applications than places available, after the admission of pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. **Looked After Children** and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.¹
2. **Catchment Area** - Children who normally reside with a parent or person with parental responsibility in the defined catchment area. A map of the catchment area is included at the end of this document and you can find more information here: <https://www.doncaster.gov.uk/services/schools/school-catchment-areas>
3. **Siblings** - Children who normally reside with a parent or person with parental responsibility in the defined catchment area and who will have a brother or sister (including step or half brother or sister) at the preferred school on the proposed date of admission.
4. **Children of staff in skills shortage posts** - Children of staff at the school recruited to fill a skill shortage post – this will be subject to confirmation by the Astrea Executive Board that, on the evidence available, the post does indeed relate to a skills shortage in the area.
5. **Distance** - Children living nearest the school; the distance to be measured by a straight line between the centre point of the child's ordinary place of residence and the main entrance to the school building.

¹ Children who are Looked After Children and all previously Looked After Children

Children who are Looked After Children and all previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Tiebreaker for Equi-distant Applications

Where the offer of the last place in the relevant year group could be made to the parent of eligible multiple siblings, resident at the same address, we will exceed our admission number in order to offer sufficient places for the family.

Where the offer of the last place in the relevant year group could be made for a number of eligible children resident equi-distant from the school the determination of the single offer will be by Random Allocation.

The Random Allocation will:

- (i) be independently supervised
- (ii) take place on a date and at a time notified in advance to the participating parents so that they can attend as witnesses.

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the LA of their circumstances as they apply to the admission criteria at the time of application.

Notes

Home address - The home address is where a child normally lives. Where parents are separated and the child lives with each parent for part of the week, the home address will be the one where the child spends the majority of his or her time.

Multiple births (twins, etc.) - In the case of multiple births or siblings in the same year group, where there is only one place available in the school, all will be considered together as one application.

Service children and Crown servants - For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, the Authority will allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. The Trust will not refuse a service child a place because the family does not currently live in the area.

Late applications

All applications received after the deadline will be treated in accordance with the Local Authority's policy on late applications.

Deferred entry for infants

Parents offered a place in reception for their child have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

Admission of children outside their normal age group

Applications for children to be admitted to a school year outside of their chronological age group should be submitted to the home Local Authority during normal round admissions, or to the LA/school as described above regarding the in-year admissions process. Each application will be considered and decided by the academy on the individual circumstances of each case.

Applicants should provide documentation in support of their application regardless of whether they are asking for the student to be admitted in a lower or higher year group. Applicants will be notified of the decision in writing.

There is no right of appeal where an offer is made, but not to the year group requested by the parents.

Waiting lists

The school will operate a waiting list for each year group. This will be maintained by the Local Authority unless it is agreed that the Local Authority will no longer have responsibility for in-year admissions.

Children's position on the waiting list – and any offers made as places become available - will be determined solely in accordance with the oversubscription criteria. This means that the waiting list is not a 'queue' and it is possible to move down as well as up the waiting list if additional applications are received for children with higher priority.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Further information and contact details will be included in any refusal letter.

Admission Arrangements for Kirk Sandall Infant School 2026/27 School Year

- 1 The Admissions Authority for Brighter Futures Learning Partnership Schools is Brighter Futures Learning Partnership Trust who has determined all admissions will be co-ordinated through the local authority co-ordinated admissions arrangements. Following due consultation in accordance with the national Schools Admissions Code, Brighter Futures Learning Partnership Trust has agreed the following admissions policy for Kirk Sandall Infant School for the academic year 2026/2027
- 2 It should be noted that this policy relates only to the academic year 2026/2027. There is no guarantee this policy will not change in future years.

General Statement

- 3 In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

- 4 The admission number for the school is 90. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Trust consults with the LA.
- 5 Before making a final decision, the Trust considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
- 6 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Formⁱ (CAF) under a Coordinated Admission Schemeⁱⁱ (CAS).

Expressing A Preference - Year of Entry

- 7 Applications for admission to a schools year of entry should be made in accordance with the relevant CAS.

Closing Date For Receipt Of Parental Preferences

- 8 The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS.

Late applications are processed in accordance with the relevant CAS.

Eligibility For A Place At A School - Oversubscription Criteria

- 9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) Looked After Children or all Previously Looked After Childrenⁱⁱⁱ

b) Catchment Area

Children who are ordinarily resident^{iv} in the catchment area of the school.

For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included.

Where a place is only available for one child from a multiple birth i.e. twins, each child will be offered a place.

d) Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence^{iv}, to the entrance nearest to the reception point of the school.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute..

The Offer Of A Place At A School

- 10 Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

- 11 Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

- 12 Pupils will be added to the waiting list(s) of community schools where they were refused a place and those schools were ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.
- 13 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In Year Transfers

- 14 Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.
- 15 Where there are sufficient places an application will normally be agreed unless specific circumstances apply^v.
- 16 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 17 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is agreed, the headteacher will, within two weeks of a place being offered, determine a start date.
- 19 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Headteacher of the school or in circumstances beyond the parent's control, e.g. movement into the Borough.

- 20 Pupils are required to start at the school within two weeks of the start date offered by the headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 21 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
- 22 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Independent Appeals

- 23 If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 10 days of receiving the refusal letter to:

Litigation and Education Section, Directorate of Resources, Doncaster Council,
Civic Office, Waterdale, Doncaster, DN1 3BU

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Explanatory Notes

ⁱ Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for a school or schools at the normal point of admission.

ii Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii Looked After Children or Previously Looked After Children

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders). Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

v Specific Circumstances For Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code or as part of the Local Authority's In Year Fair Access Policy.

Admission Arrangements for Kirk Sandall Junior School 2026/27

- 1 These are the admission arrangements for the 2026/27 school year.
- 2 Unless delegated to the Local Authority, only the Local Governing Body is able to decide who is eligible for a place at the school. Neither the Headteacher nor their representatives are able to offer a school place.

Expressing A Preference - Year of Entry

- 7 Applications for admission to a schools year of entry should be made in accordance with the relevant CAS.

Late applications are processed in accordance with the relevant CAS.

Eligibility For A Place At A School - Oversubscription Criteria

- 9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion e) being the final tie breaker.

a) Looked After Children or all Previously Looked After Childrenⁱⁱⁱ

b) Link School

Children attending Kirk Sandall Infant School and who have, on the closing date, attended that school continuously for more than one calendar year.

c) Catchment Area

Children who are ordinarily resident^{iv} in the catchment area of the school.

For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

d) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included.

Where there are twins/children of multiple birth to be admitted to a school in the same year group. If there are insufficient places available for all siblings, and one can be allocated a place, the admission number will be exceeded to allow them to be placed in the same school

e) Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence^{iv}, to the entrance nearest to the reception point of the school.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

The Offer Of A Place At A School

- 10 Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

- 11 Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

- 12 Pupils will be added to the waiting list(s) of community schools where they were refused a place and those schools were ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.
- 13 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In Year Transfers

- 14 Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.
- 15 Where there are sufficient places an application will normally be agreed unless specific circumstances apply^v.
- 16 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 17 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is agreed, the Headteacher will, within two weeks of a place being offered, determine a start date.
- 19 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Headteacher of the school or in circumstances beyond the parent's control, e.g. movement into the Borough.
- 20 Pupils are required to start at the school within two weeks of the start date offered by the Headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 21 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
- 22 In accordance with DCSF requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Independent Appeals

- 23 If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the refusal letter to:

Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU.

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Explanatory Notes

i Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for a school or schools at the normal point of admission.

ii Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii Looked After Children or all Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an

order appointing one or more individuals to be a child's special guardian (or special guardians).

iv Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

v Specific Circumstances For Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code or as part of the Local Authority's In Year Fair Access Policy.

JMAT ADMISSION AGREEMENT
2026/2027**

Admissions Arrangements for Entry to school for Reception (Foundation Stage 2) / Year 3 in 2026/27

This agreement aims to:

- Explain how to apply for a place at the school
- Set out the school's arrangements for allocating pupil places
- Explain how to appeal against a decision not to offer your child a place **Legislation and statutory**

requirements:

The James Montgomery Academy Trust operates within the Statutory Admission Code of Practice 2021. The admission arrangements include the oversubscription criteria and other detailed information that explains how the Trust as the Admission Authority manages this function.

The admission authority **must** consult on their admission arrangements at least once every 7 years, even if there have been no changes made.

The agreement is based on the following statutory guidance from the Department for Education (DfE):

- School Admissions Code 2021
- School Admission Appeals Code 2022

As a multi academy trust, each school is required by its funding agreement to comply with these codes, as well as conforming with the law relating to admissions as set out in the School Standards and Framework Act 1998. This complies with our funding agreement and articles of association.

Introduction

The James Montgomery Academy Trust is the Admission Authority for all its schools which are detailed on the Trust website. The responsibility when setting such admissions arrangements lies with the Trust for all associated schools', whilst remaining compliant with information detailed in the School Admissions Code 2021.

Mexborough St John John The Baptist Primary school is an academy within the James Montgomery Academy Trust, which is also within the Diocese of Sheffield and Rotherham Local Authority. The school provides a distinctively Christian education for children aged 3 to 11 years. Historically, Anglican schools were parish schools providing education for the community in accordance with the principles of the Church of England. Thus, the majority of Sheffield Diocesan schools were established to provide education for the children of the parish within a Christian context. The two aims of being 'distinctively Christian' and 'serving the local community' are reflected in the school's admission criteria.

How to apply for a primary school place

To apply for a school place, parents, carers and legal guardians can either apply online or alternatively request a paper copy which needs returning to the Admissions team at the relevant Local Authority (LA) where they live, and not where the school is based.

Please select the relevant LA school admission application link in the appendix at the end of this document.

During this process a parent or legal guardian can choose three schools of their choice, expressing their preference in rank order.

Closing date for receipt of parental preferences

The closing date for receipt of preferences for the year of entry is **15th January 2026**.

Late applications for the year of entry will be processed after those received by the closing date.

National offer day

For those applications received by the above closing date an email from the LA will confirm the allocated place on the **16th of April 2026**.

Determining admission arrangements

Admission authorities **must** allocate places based on their determined admission arrangements only. A decision to offer or refuse an admission **must not** be made by one individual within an admission authority. The Admissions Panel appointed by the Trust will be the deciding party. The admission authority **must** keep a clear record of any decisions on applications, including in-year applications.

Below sets out the admissions arrangements for entry to Reception (Foundation Stage 2) in September 2026, and includes the oversubscription criteria that will be applied if there are more applications than places available.

Places are allocated based on the distance criteria or as part of the distance tie breaker, and if there are insufficient places within the admission number for two (or more) children living in the same building (e.g. flats) or otherwise equidistant from the school, the final place will be allocated by the Admissions team at the LA (Local Authority) acting independently from the admission authority, by the means of drawing of lots.

Admission of children outside their normal age group

Parents, carers and legal guardians may seek a place for their child outside of their normal age group, for example, if a child is gifted and talented or has experienced difficulties such as ill health. In addition, the parents, carers and legal guardians of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age groups.

Admission authorities **must** make decisions based on the circumstances of each case and in the best interests of the child concerned. This will take into consideration parent, carer and legal guardian views; information about the child's academic, social, and emotional development; relevant medical history and any views of a medical professional.

SEND (Special Educational Needs and Disability)

Children issued with an Education and Health Care Plan will gain a place at the school named in the plan, as part of that process under the Section 234 of the Education Act 1996.

Parish boundary

For applications for the year of entry, a parish boundary for the school will be determined in relation to the address at which the pupil is ordinarily resident on the closing date. Information on the parish boundary for the school can be obtained through the 'A Church Near You' website at <https://www.achurchnearyou.com> .

Oversubscription criteria

In the event that there are more applications than places available, the following oversubscription criteria will be applied:

A. Children with special educational needs:

A small number of children will have an Education, Health and Care Plan (EHCP) that names a school, and these children must be admitted to the school named as part of that process.

The majority of children with special educational needs will not require an EHCP. Applications for children who have special educational needs but no EHCP, will be considered on the basis of the Admission Authority's published admissions criteria.

B. All other admissions places will be allocated in the following order of priority

1. Relevant Looked After Children and previously looked after children (see note a).
2. Children of UK service personnel (UK Armed Forces) For families of service personnel with a confirmed posting to their catchment area, or crown servants returning from overseas to live in that area (see note e)
3. Children who, on **15th January 2026**, will have an older sibling on roll of the school (or associated junior school) in Years 1-6 at the start of the academic year 2026 (see note c).
4. Children who, on **15th January 2026**, live in the ecclesiastical parish boundary of Christ Church, Mexborough as defined by the 'Church near you' website (see note g) and attend the parish church of Christ Church, Mexborough (see note e)
5. Children who, on **15th January 2026**, live outside the ecclesiastical parish boundary of Christ Church, Mexborough as defined by the 'Church near you' website (see note g) and attend the parish church of Christ Church, Mexborough (see note e)
6. Children who, on **15th January 2026**, live in the ecclesiastical parish boundary of Christ Church, Mexborough as defined by the 'Church near you' website (see note g) and attend a Christian denomination church participating in 'Churches Together in England.' (See note g)
7. Children who, on **15th January 2026**, live outside the ecclesiastical parish boundary of Christ Church, Mexborough as defined by the 'Church near you' website and attend Christian denomination church participating in 'Churches Together in England' (see note g)
8. Children who, on **15th January 2026**, live in the ecclesiastical parish boundary of Christ Church, Mexborough as defined by the 'Church near you' website
9. Children of staff at the school (see note d)
10. All other children who, on **15th January 2026**, live nearest to the school measured by a straight line on a horizontal plane, (please see below how measurements are applied).

Please Note:

In the event of over-subscription (the PAN being reached) within any criterion, preference will be given to children who live nearest to the school 'as the Nodal point'.

Distance measurements are calculated (by the Local Authority Admissions Team) using GIS which applies seed points as determined by the Ordnance Survey. Measurements are taken from the seed point of the ordinary place of residence to the seed point of the school. Where the school has more than one seed point, the seed point closest to the geographical centre of the school site is used. In the event of two distances being equal, lots will be drawn by a representative independent of the Admission Authority.

Where applications are received for twins, triplets or siblings born in the same academic year etc these will be treated equally as there is nothing within the admission criteria to distinguish between them.

NOTES – definitions and additional information in relation to the admissions criteria for entry to Reception / Foundation Stage 2.

- a) A 'relevant looked after child' is a child that is looked after by a local authority in accordance with Section 22 of the Children Act 1989 at the time an application for admission to a school is made, and who the local authority has confirmed will still be looked after at the time when they are admitted to the school.

Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or a special guardianship order). All references to previously looked after children in the Code mean such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

- b) Places will be allocated based on your residential address on **15th January 2026**. Therefore, you must notify the Local Authority Admissions Team in writing if you change address before this date. You may be asked to provide proof of residence (e.g., utility/council tax bill). Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residency at the property concerned. The Admissions Authority / School / Local Authority reserves the right to request an affidavit where there is uncertainty regarding a child's ordinary place of residence.
- c) For a child to be considered a sibling, one of the following conditions must exist: (you may be asked to provide proof e.g., Birth Certificate and proof of residence)
- Sibling to be permanently resident at the same address.
 - Step-sibling to be permanently resident at the same address.
 - Half-sibling to be permanently resident at the same address.
 - Sibling who does not live at the same residence but, who share the same parents.

 - Adopted sibling permanently resident at the same address.
 - Foster sibling resident at the same address.
- d) Children of staff: Where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and / or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
- e) Children of UK service personnel (UK Armed Forces) – For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, admission authorities must allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. This must include accepting a Unit postal address or quartering area address for a service child. Admission authorities must not refuse a service child a place because the family does not currently live in the area, or reserve blocks of places for these children.
- f) Regular attendance by parents/carers is defined as attendance at a Church of England church or another Christian denomination participating in 'Churches Together in England' for at least once a month over the last 12 months. Regular attendance by children is defined as attendance at a Church of England church or another Christian denomination participating in Churches Together in England' at least once a month over the past 6 months. Parents/carers whose application is based on attendance

at a church of Christian denomination should submit the Minister of Religion Reference Form available with the Common Application Form

- h) Children of staff: Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and / or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage

Waiting lists

On the National Offer Day of **16th April 2026**, the Admissions Team at the LA will manage a waiting list on behalf of the James Montgomery Academy Trust, where the number of applications for the schools has exceeded the available places for entry into Reception / Foundation Stage 2.

The Local Authority Admissions Team will administer the waiting list on behalf of the Trust which will operate until the **31st of December 2026** when it will cease.

The child's name will automatically be put on the waiting list for a school where they have not been made an offer of a place and where that school is named as a higher preference than the school at which an offer has been made. Children's positions on the waiting list will be determined solely in accordance with the oversubscription criteria outlined by the James Montgomery Academy Trust, with no reference to the date of receipt of the application. The waiting list will be re-ordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list. Should a place become available it will be allocated to the child whose name is at the top of the waiting list on the day that the Local Authority receives written confirmation of the vacancy.

In-year admissions – Transferring school during the school year

Any application for an in-year school transfer should be made via the Local Authority Admissions Team in the first instance. The Local Authority will co-ordinate in-year transfers for all their Local Authority schools working alongside the Trust's Admissions Authority.

Further information and the relevant application form can be found on the Local Authority website:

[Transferring School during the school year – Rotherham Metropolitan Borough Council.](#)

[Transferring School during the school year – Doncaster Council](#)

[Transferring School during the school year – Sheffield Council](#)

A paper copy of the application form can be requested from the relevant LA Admissions Team: (Appendix 1)

If you are moving home, please apply in advance of your move to reduce the risk of your child being out of school while your application is processed. You will need to provide details of your new address and when you intend to move.

You are advised to discuss your transfer request with a member of staff at your child's present school.

If there is more than one child involved each request will be considered on an individual basis. If a child is offered or admitted to a school, it does not guarantee a place at that particular school for any other child/children in the family.

The Local Authority Admissions Team will record all in-year transfer applications and will forward your application via secure email for consideration to the James Montgomery Academy Trust Admissions Authority.

- Applications received will be forwarded to preferred schools on the day of receipt where possible, or the following working (school) day.

- Applications received during a weekend or bank holiday or during school holidays will be forwarded to the preferred schools on the next working (school) day.

It is not possible to process any applications during school holidays and your application will be considered as soon as schools re-open. Schools are required to respond to in-year transfer requests within a **maximum of 15 school days** from receipt of the application therefore, although in-year applications may be forwarded to schools during school holiday periods, it is unlikely that you will be notified of the outcome of your application until schools re-open and the 15-school day response time commences.

In many cases a child will transfer to a new school only at the beginning of a new term, unless there is agreement by all concerned that the transfer should take place earlier. Until the transfer arrangements have been approved it is expected that your child will continue to attend their present school.

Parents, carers and legal guardians can make applications up to one term before the date when they would like their child to start at the preferred school. Parents, carers and legal guardians can apply from the 1 May onwards for admission in the following September. Any application for admission in the following September which is received prior to this date will be considered as having been received on 1st May.

You will be notified in writing of the outcome of your application. This decision will be sent by the Local Authority Admissions Team. It should be noted that it is the James Montgomery Academy Trust Authority's agreement that repeat applications made for entry to the same year group at the same school will not be considered unless there has been a significant and material change of circumstances which is relevant to the application for admission.

Appeal information

Where it is not possible to offer your child a place at the school you have applied for, you will receive a letter advising you of the reasons for this decision. This will be sent by the Local Authority Admissions Team.

All parents, carers and legal guardians have the right of appeal to an independent appeal panel if you have received written confirmation that it has not been possible to offer your child a place at the schools you have applied for.

All independent appeals are organised by an Appeals Clerk and follow procedures, which are set out in legislation and the School Admission Appeals Code of Practice. The Appeals Clerk, Panel and process are independent of the Admissions Authority.

Important requirements to note are:

- Appeals must be in writing stating the grounds on which the appeal is made;
- Every parent, carer or legal guardian has the right to attend the independent appeal in order to make their case;
- The parents, carer or legal guardian can be accompanied by a friend or be represented by them;
- Independent appeals are heard in private;
- The decision of the Appeals Panel is binding on both parents and the Admissions Authority;
- Parents, carers and legal guardians will receive written notification of the Appeals Panel decision.
- Dates – (Parents, carers and legal guardians will be advised at the earliest opportunity of appeal dates by the Clerk).

General information on appeals

A separate document containing details of the appeals procedure is available from the Local Authority for parents, carers and legal guardians whose applications could not be satisfied.

Any member of the Local Authority may attend hearings held by an Independent Appeal Panel in the role of observer.

Parents, carers and legal guardians will be given at least 14 days written notice of the date, time and place of the appeal hearing and will receive prior to the appeal, written documentation summarising the reasons for refusing the admission.

If a parent, carer or legal guardian does not attend the appeal or is not represented by another person, the hearing may be held, and the case dealt with in the absence of the parent, carer or legal guardian using only the written documentation submitted.

In some cases, parents, carers and legal guardians who are not successful at the appeal occasionally consider applying again for the same school in the same academic year. Unless there has been a significant and material change of circumstances which is relevant to the application for admission, the Authority is not required to reconsider its decision and therefore parents, carers and legal guardians do not have the right of another appeal.

Admission Arrangements

2026/2027 School Year

- 1 These are the admission arrangements for the 2026/27 school year.
- 2 Unless delegated to the Local Authority, only the Governing Body is able to decide who is eligible for a place at the school. Neither the Head teacher nor their representatives are able to offer a school place.

General Statement

- 3 In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

- 4 The admission number for the school is 60. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.
- 5 Before making a final decision, the Governing Body considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
- 6 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Form i (CAF) under a Coordinated Admission Scheme ii (CAS).

Expressing a Preference - Year of Entry

- 7 Applications for admission to a school's year of entry should be made in accordance with the relevant CAS.

Closing Date for Receipt of Parental Preferences

- 8 The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS. Late applications are processed in accordance with the relevant CAS.

Eligibility for A Place at a School - Oversubscription Criteria

- 9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit. Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) Looked After Children or all Previously Looked After Children iii b) Catchment Area

Children who are ordinarily resident iv in the catchment area of the school. For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g., stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included. Where a place is only available for one child from a multiple birth i.e., twins, each child will be offered a place.

d) Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence to the entrance nearest to the reception point of the school. If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g., in the case of flats), places will then be decided by Random Allocation. Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

The Offer of A Place at a School

- 10 Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

- 11 Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

- 12 Pupils will be added to the waiting list(s) of community schools where they were refused a place and those schools were ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.
- 13 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In Year Transfers

- 14 Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.
- 15 Where there are sufficient places, an application will normally be agreed unless specific circumstances apply.
- 16 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 17 Where a place is not available, the application will normally be refused, and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is agreed, the Head teacher will, within two weeks of a place being offered, determine a start date.
- 19 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Head teacher at the school or in circumstances beyond the parent's control, e.g., movement into the Borough.
- 20 Pupils are required to start at the school within two weeks of the start date offered by the Head teacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 21 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools' circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.

- 22 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Independent Appeals

- 23 If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision. Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the refusal letter to:
Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU

General Information

False Information

Any place offered based on a fraudulent or intentionally misleading application will be withdrawn, e.g., giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide

Explanatory Notes

i Common Application Form (CAF)

This is a form used in the admission process on which parent's express preferences for a school or schools at the normal point of admission.

ii Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii looked After Children or Previously Looked after Children

A Looked after Child is a person under the age of 18 who is provided with accommodation by the local authority acting in its social services capacity, for a continuous period of more than 24 hours, by agreement with the parents or in accordance with Section 22 of the Children's Act 1989. A Previously Looked After Child is a person under the age of 18 who, immediately after being looked after, became subject to an adoption order, a residence order (under section 8 of the Children Act 1989), or a special guardianship order (under section 14A of the Children Act 1989). Children looked after under an agreed series of short-term placements (respite care) are excluded.

iv Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended, as necessary.

v Specific Circumstances

For Refusal an application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's 'In Year Fair Access Policy'.

Admission Arrangements 2026/2027 School Year

- 1 These are the admission arrangements for the 2026/27 school year
- 2 Unless delegated to the Local Authority, only the Governing Body is able to decide who is eligible for a place at the school. Neither the Head teacher nor their representatives are able to offer a school place. General Statement
- 3 In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

- 4 The admission number for the school is 75. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.
- 5 Before making a final decision, the Governing Body considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
- 6 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Form i (CAF) under a Coordinated Admission Scheme ii (CAS).

Expressing a Preference - Year of Entry

- 7 Applications for admission to a school's year of entry should be made in accordance with the relevant CAS.

Closing Date for Receipt of Parental Preferences

- 8 The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS. Late applications are processed in accordance with the relevant CA.

Eligibility for A Place at a School - Oversubscription Criteria

- 9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of

preferences exceeds the admission limit. Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

- a) Looked After Children or all Previously Looked After Children iii
- b) Catchment Area

Children who are ordinarily resident iv in the catchment area of the school. For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

- c) Siblings

Children who are living within the same family unit (e.g., stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included. Where a place is only available for one child from a multiple birth i.e., twins, each child will be offered a place.

- d) Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence to the entrance nearest to the reception point of the school. If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g., in the case of flats), places will then be decided by Random Allocation. Measurements will be made using S ynergy provided by Servelec Limited or a suitable substitute.

The Offer of A Place at a School

- 10 Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

- 11 Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

- 12 Pupils will be added to the waiting list(s) of community schools where they were refused a place and those schools were ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.

- 13 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In Year Transfers

- 14 Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.
- 15 Where there are sufficient places, an application will normally be agreed unless specific circumstances apply.
- 16 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 17 Where a place is not available, the application will normally be refused, and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is agreed, the Head teacher will, within two weeks of a place being offered, determine a start date.
- 19 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Head teacher at the school or in circumstances beyond the parent's control, e.g., movement into the Borough.
- 20 Pupils are required to start at the school within two weeks of the start date offered by the Head teacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 21 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools' circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
- 22 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Independent Appeals

- 23 If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision. Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the refusal letter to:

PRIMARY

Our Lady of Mount Carmel CATHOLIC PRIMARY SCHOOL

ADMISSION POLICY 2026-27

Our Lady of Mount Carmel is part of the St Francis Catholic Multi Academy Trust (St Francis CMAT), a multi-academy trust based in the Diocese of Hallam. The vision for our Trust within the Diocese is:

- For all children to receive innovative, creative and personalised teaching and learning
- For all children to receive an outstanding curriculum which shapes them as people in God's image
- For all children to flourish in stimulating, highly effective, happy environments
- For the Trust to be the employer of choice for all staff through investment, recognition and progression.

Our Lady of Mount Carmel Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and St Francis CMAT's articles of association, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The school is fully inclusive and welcomes applications for the admission of children of all abilities and needs. The school fully complies with its responsibilities under the Equality Act 2010.

St Francis CMAT is the admissions authority though responsibility for admissions to this school has been delegated to the School's Local Academy Committee. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The Local Academy Committee has set its admission number at **30** pupils to be admitted to the reception year in the school year which begins in September 2026.

The Local Academy Committee may admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN") depending on the circumstances of each case.

1. Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

2. Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish of Our Lady of Mount Carmel and St Mary Magdalen. (see note 3)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
7. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
8. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made (see note 8).
- (ii) Children of staff will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above where:
 - a. the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; or
 - b. the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage. In Our Lady of Mount Carmel, this will apply to the following groups of staff: Teaching and Support Staff.

Priority within (i) and (ii) above and for any other children being ranked within each category within the oversubscription criteria will be determined in line with the tie break set out below.

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance.

Children who live nearest to the school will be measured in a straight line from the centre point of the child's ordinary place of residence, to the entrance nearest to the reception point of the school building.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation. Measurements will be made using the local authority's computerised programme.

Child's Home Address

The child's home address will be the address at which they live and sleep with their parent (as defined below) for more than 50% of their time from Monday to Friday during term time at the application deadline. It will usually be the address at which the child is registered with their G.P.

Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the Common Application Form, provided that the child resides at that address for any part of the school week.

Where there is an issue over whether the home address stated in the Common Application Form is the child's main home address as defined by this policy, parents may be required to provide documentary evidence to resolve the issue.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round, you **must** complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form ("SIF") attached to this policy if you wish to apply under oversubscription criteria 1 to 3 or 5 to 7. The Supplementary Information Form should be returned to **Headteacher, Our Lady of Mount Carmel Catholic Primary School, Sandringham Road, Intake, Doncaster, DN2 5JG** or be submitted online through your application by **15th January 2026**.

You will be advised of the outcome of your application on 16th April or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 4 or 6 to 8, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2026.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the

parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request for admission outside of the normal age group is separate to any application to the school and should be made in writing to **Headteacher, Our Lady of Mount Carmel Catholic Primary School, Sandringham Road, Intake, Doncaster, DN2 5JG** at the same time as the admission application is made. The Local Academy Committee will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the Local Academy Committee will take into account the views of the parents and of appropriate medical and education professionals, as appropriate. The Local Academy Committee may also have regard to guidance issued to admissions authorities on the admission of children outside their normal age group.

Where the application is agreed in principle, the Local Academy Committee will write to the parents confirming this. Parents should note that an agreement in principle is not the same as an offer of a place in the desired year group - it is simply an indication that the Local Academy Committee will accept an application for admission of the child to the desired year group. Once an application for admission to the desired year group has been submitted, it will be processed with all other applications for that year group, with the oversubscription criteria being applied where more applications are received than there are places available. The application for admission must be accompanied by the letter confirming the Local Academy Committee's agreement in principle.

This means that even where the Local Academy Committee has agreed in principle to a child being admitted outside their normal age group, there is no guarantee that a place in the desired year group will be achieved for the child. This is particularly relevant in the case of "summer born children" for whom a place in Reception Year is being sought one year later than usual, as they could be left without a place in Reception Year at the school, and the child's parents will then need to decide whether to submit an application for admission outside normal age group to another school with a place available in Reception Year, or to seek a place in Year 1 at the school subject to their being any places available.

Children of UK Service Personnel and Crown Servants

In relation to families of service personnel with a confirmed posting, or crown servants returning from overseas, the school will allocate a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date. We will use the address at which the child will live when applying our oversubscription criteria, as long as the parents provide some evidence of their intended address. We will use a Unit or quartering address as the child's home address when considering the application against their oversubscription criteria, where a parent requests this.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Applications should be made to the school by contacting **Headteacher, Our Lady of Mount Carmel Catholic Primary School, Sandringham Road, Intake, Doncaster, DN2 5JG.**

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the Local Academy Committee is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The Local Academy Committee has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

The Local Academy Committee reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order and includes those children who appear to the Local Academy Committee to have been in state care outside of England and ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
 - A religion which involves belief in more than one God, and
 - A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'brother or sister' includes:
 - (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent's partner with whom they have been cohabiting for a period of at least one year at the application deadline where that child lives for at least part of the week in the same family unit at the same address as the applicant.

Parents must ensure that they have included full details of the sibling in the Common Application Form to be included in this category. Failure to do so will result in the child being placed into the next category that applies.

9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

OUR LADY OF PERPETUAL HELP CATHOLIC PRIMARY SCHOOL

ADMISSION POLICY 2026-27

Our Lady of Perpetual Help Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with these admission arrangements.

The governing body is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The admission authority has set the school's Published Admissions Number ("PAN") at 20 pupils to be admitted to the reception year in the school year which begins in September, 2026.

The admission authority will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish of Our Lady of Perpetual Help, Bentley. (see notes 3&11)

3. Catholic children who are resident in the parish(es) of St Joseph & St Teresa's, Woodlands or Blessed English Martyrs, Askern for whom Our Lady of Perpetual Help, Bentley is the nearest Catholic school. (see notes 3&11)
4. Other Catholic children. (see note 3)
5. Other looked after and previously looked after children. (see note 2)
6. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
7. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
8. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
9. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made. (see note 10)
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8).

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated on the basis of a straight-line measurement between the front door of the child's home address (including the community entrance to flats) and the main entrance of the school using the local authority's computerised measuring system. The distance will be measured by the Local Authority and provided to the school.

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

Reception applications are now made online at:

<https://www.doncaster.gov.uk/services/schools/primary-admissions>

**PLEASE CONTACT US IF YOU NEED ANY HELP IN APPLYING FOR
ADMISSION TO OUR SCHOOL**

To apply for a place at this school in the normal admission round, you must complete a Common Application Form available from the local authority in

which you live. You are also requested to complete the Supplementary Information Form attached to this policy if you wish to apply under oversubscription criteria 1 to 4 or 6 to 8. The Supplementary Information Form should be returned to Our Lady of Perpetual Help School by 15th January 2026.

You will be advised of the outcome of your application on 16th April or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child may not be placed in criteria 1 to 4 or 6 to 8, and this may affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2026.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to the headteacher at the school address at the same time as the admission application is made. The admission authority will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher, including the headteacher's statutory responsibility for the internal organisation,

management and control of the school, the admission authority will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places. Application should be made through the local authority using the following link:

<https://www.doncaster.gov.uk/services/schools/primary-admissions>

Please note that pupil moves between local schools will only be possible at the start of a term (September, January or April each year).

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the admission authority is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The admission authority has this power, even when admitting the child would mean exceeding the PAN (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority.

Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

The admission authority reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making an application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the admission authority) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. “children of other faiths” means children who are members of a religious community that does not fall within the definition of ‘other Christian denominations’ at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. ‘brother or sister’ includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii) the child of a parent’s partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

9. A ‘parent’ means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

10. To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the admission authority will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.

11. For the purposes of this policy, parish boundaries are as shown on the map, available from the Diocese of Hallam, and will be applied to the admission arrangements.

12. A child’s “home address” refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form (“CAF”). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

Our Lady of Sorrows CATHOLIC PRIMARY SCHOOL

ADMISSION POLICY 2026-27

Our Lady of Sorrows is part of the St Francis Catholic Multi Academy Trust (St Francis CMAT), a multi-academy trust based in the Diocese of Hallam. The vision for our Trust within the Diocese is:

- For all children to receive innovative, creative and personalised teaching and learning
- For all children to receive an outstanding curriculum which shapes them as people in God's image
- For all children to flourish in stimulating, highly effective, happy environments
- For the Trust to be the employer of choice for all staff through investment, recognition and progression.

Our Lady of Sorrows was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and St Francis CMAT's articles of association, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The school is fully inclusive and welcomes applications for the admission of children of all abilities and needs. The school fully complies with its responsibilities under the Equality Act 2010.

St Francis CMAT is the admissions authority though responsibility for admissions to this school has been delegated to the School's Local Academy Committee. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The Local Academy Committee has set its admission number at **30** pupils to be admitted to the reception year in the school year which begins in September 2026.

The Local Academy Committee will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN").

1. Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

2. Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish(es) of Our Lady of Sorrows, Armthorpe, and St Thomas of Canterbury, Kirk Sandall. (see notes 3&10)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
7. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
8. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8).
- (ii) Children of staff:
 - a. where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; or
 - b. where the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage. In Our Lady of Sorrows, this will apply to the following groups of staff: Teaching and Support Staff

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance.

Children who live nearest to the school will be measured in a straight line from the centre point of the child's ordinary place of residence, to the entrance nearest to the reception point of the school building.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation. Measurements will be made using the local authority's computerised programme.

Child's Home Address

The child's home address will be the address at which they live and sleep with their parent (as defined below) for more than 50% of their time from Monday to Friday during term time at the application deadline. It will usually be the address at which the child is registered with their G.P.

Where there is an issue over whether the home address stated in the Common Application Form is the child's main home address as defined by this policy, parents may be required to provide documentary evidence to resolve the issue.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round, you **must** complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form ("SIF") attached to this policy if you wish to apply under oversubscription criteria 1 to 4 or 6 to 8. The Supplementary Information Form should be returned to the **Headteacher, Our Lady of Sorrows Catholic Primary School, Mere Ln, Armthorpe DN3 2DB** by the closing date of 15th January 2026.

You will be advised of the outcome of your application on 16th April or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 4 or 6 to 8, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2026.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to the **Headteacher, Our Lady of Sorrows Catholic Primary School, Mere Ln, Armthorpe DN3 2DB** at the same time as the admission application is made. The Local Academy Committee will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the Local Academy Committee will take into account the views of the parents and of appropriate medical and education professionals, as appropriate. The Local Academy Committee may also have regard to guidance issued to admissions authorities on the admission of children outside their normal age group.

Where the application is agreed in principle, the Local Academy Committee will write to the parents confirming this. Parents should note that an agreement in principle is not the same as an offer of a place in the desired year group - it is simply an indication that the Local Academy Committee will accept an application for admission of the child to the desired year group. Once an application for admission to the desired year group has been submitted, it will be processed with all other applications for that year group, with the oversubscription criteria being applied where more applications are received than there are places available. The application for admission must be accompanied by the letter confirming the Local Academy Committee's agreement in principle.

This means that even where the Local Academy Committee has agreed in principle to a child being admitted outside their normal age group, there is no guarantee that a place in the desired year group will be achieved for the child. This is particularly relevant in the case of "summer born children" for whom a place in Reception Year is being sought one year later than usual, as they could be left without a place in Reception Year at the school, and the child's parents will then need to decide whether to submit an application for admission outside normal age group to another school with a place available in Reception Year, or to seek a place in Year 1 at the school subject to their being any places available.

Children of UK Service Personnel and Crown Servants

The school will accept applications for the admission of the children of UK Armed Forces Personnel with a confirmed posting in the area of the school, or the children of Crown Servants returning from overseas to live in the area of the school, in advance of them arriving. These children do not have to be living at the stated home address at the application deadline, as all other children do.

The application for admission must be supported by an official letter declaring the relocation date and a Unit postal address or quartering area address, which will be used as the child's home address for the purpose of applying this Admission Policy.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Application should be made by contacting the Doncaster Local Authority admissions department.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the Local Academy Committee is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The Local Academy Committee has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

Admission Arrangements for Outwood Primary Academy Woodlands 2026/2027 School Year

1 Outwood Grange Academies Trust is the Admission Authority for Outwood academies.

The admission number for the academies for year Reception has been determined for 2026/27 as:

Outwood Primary Academy Woodlands 60

General Statement

2 In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, each school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Published Admission Number

3 A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them.

4 Before making a final decision, the Trust consults schools on the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.

5 A child will normally be eligible to a place unless the number of applications for admission exceeds the admission number or they are offered a school which is ranked higher on an Application Form (AF) or Transfer Form (TF) under a Co-ordinated Admission Scheme (CAS).

Expressing A Preference

6 Applications for admission should be made in accordance with the relevant CAS.

Closing Date For Receipt Of Parental Preferences

7 The closing date for receipt of preferences for the year of entry is 15 January 2026. Late applications for the year of entry are processed after those received by the closing date.

Announcement Date for Parental Preferences

8 For those applications received by the closing date noted in 7 above, emails and letters will be sent to parents on 16 April 2026.

Admission Policy 2026/2027

Eligibility For A Place At A School - Oversubscription Criteria

9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the Published Admission Number.

After the admission of pupils with an Education, Health and Care Plan or Statement of Special Educational Need naming the school, preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criteria is applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) Looked After Children and all previously Looked After Children

b) Catchment Area

Children who are ordinarily resident in the catchment area of the preferred school. (Details of Catchment Areas are available from the LA at www.doncaster.gov.uk/admissions) For applications for the year of entry, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the closing date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address. For other admissions the applicable date is the date of application.

c) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant school, attendance at a linked junior school will be included.

d) Link Schools

Children attending a school which is a linked pyramid school and who have, on the closing date for late applications, attended that school continuously for more than one calendar year.

e) Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence, to the entrance nearest to the reception point of the school building. In the case of split site schools, 'entrance nearest to the reception point' will refer to the site the pupil attends for the purpose of morning registration.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation. Measurements will be made using Synergy provided by Synervelec Limited or a suitable substitute.

Where a place is only available in any of the above criterion for one child from a multiple birth i.e. twins, each child will be offered a place.

The Offer Of A Place At A School

11 Decisions will be sent to parents in accordance with the Authority's CAS. i.e. for those received by the closing date the national announcement date is 16 April 2026.

Waiting Lists

12 For the year of entry, pupils will be added to the waiting list(s) of schools where they are refused a place and those schools were ranked higher on the AF than the place offered. Late applications will continue to be added to a list in criteria order. A change of address can affect a pupil's position on the waiting list. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term i.e. 31 December 2026.

13 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that the LA receive written confirmation of the vacancy.

In Year Transfers

14 Applications for in year transfers are considered in accordance with the LA's CAS.

15 Applications should be made on the LA's TF and submitted to the LA for consideration.

16 A pupil will be deemed eligible for admission if there are sufficient places (see point 22, regarding repeat applications) unless specific circumstances apply. However, a pupil will not be eligible for a place if the circumstances of the year group have changed since it was the year of entry and admission of an additional child would 'prejudice the provision of efficient education or the efficient use of resources'.

17 Where multiple applications are received for the same year group and there are insufficient places for all applicants, eligibility for admission will be considered in accordance with the admission criteria set out above.

18 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.

19 If a place is offered, the headteacher will, within two weeks of receiving confirmation from the LA of an offer of a place, determine a start date.

20 Pupils are normally admitted to a school at the start of the next new term other than:-

- a. where the Headteacher in consultation with the LA considers that the pupil should be admitted earlier in the circumstances of the case, or;
- b. where the previous school is not accessible with reasonable facility e.g. due to a move into Doncaster or the pupil would otherwise be expected to travel longer than 45 minutes to school by public transport, or;
- c. the pupil is not on the roll of a school.

21 Pupils are required to start at the school within two weeks of the start date offered by the headteacher and places are not normally held open beyond this period. Applicants must be in a position to take up a place within this stated period.

22 Repeat applications made for the same year group during the same academic year will not be considered unless there has been significant and material change to either the families or the schools circumstances, since a previous application and this is relevant to the application for admission. Where information was known at the time of the original application or appeal or parents chose not to disclose information, this will not be considered as additional information or a change in circumstances.

23 In accordance with DfE requirements pupils may be admitted under the Fair Access Protocol outside of the normal admission arrangements noted above.

Allocation Of Places

24 If an application from a Doncaster resident is refused and the pupil does not currently have a place in a Doncaster school, a place will be offered at an alternative school in accordance with the LA's CAS.

Independent Appeals

25 If a place is not offered at a preferred school parents have the right to appeal to an Independent Appeal Panel. Details of the appeals procedure will be sent to parents with their decision.

26 Parents who intend to make an appeal should normally submit a notice of appeal within 20 school days of receiving the refusal letter to: Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU

Explanatory Notes

Application Form (AF)

This is a form used in the admission process on which parents express preferences for a school or schools for the year of entry.

Transfer Form (TF)

This is a form used in the admission process on which parents express preferences to transfer a school or schools.

Co-ordination/Co-ordinated Schemes(CAS)

All local authorities are required to co-ordinate the admission arrangements for residents within their area whereby parents will submit an AF or TF to their home LA who will then ensure, as far as is possible, that a single offer of a place is sent to parents.

Children who are Looked After Children and all previously Looked After Children

A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders). Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians). This includes those who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Ordinarily Resident/Residence

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. An address will only be considered when they are living there. This includes updating the position on a waiting list.

Specific Circumstances For Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code or as part of the Local Authority's In Year Fair Access Policy.

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the LA of their circumstances as they apply to the admission criteria at the time of application. Multiple Addresses Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Admission of Service Personnel and Crown Servants

To support the Armed Forces Community Covenant, applications for service personnel and crown servants moving to Doncaster will be considered one term in advance of a change of address in accordance with the guidance from the DfE providing that the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address. Provision is also made within the Fair Access Protocol to allow for the admission of specified groups of children into schools above the admission number including children of service personnel and crown servants, travellers, Gypsy or Roma children. Full details are identified in the Protocol.

Further Information

Further, more detailed information about the admission process is available from the LA and can be found in the Admission To Primary School Booklet, available as follows:- Telephone: 01302 736754 Address: Learning Provision Organisation Service (Admissions), Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU Email: admissions@doncaster.gov.uk Web: www.doncaster.gov.uk/admissions

Admission Arrangements 2026/2027 School Year

1 These are the admission arrangements for the 2026/27 school year.

2 Unless delegated to the Local Authority, only the Governing Body is able to decide who is eligible for a place at the school. Neither the Head teacher nor their representatives are able to offer a school place.

These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. Admission Number

4 The admission number for the school is 100. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.

6 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Form i (CAF) under a Coordinated Admission Scheme ii (CAS).

Expressing a Preference - Year of Entry

7 Applications for admission to a school's year of entry should be made in accordance with the relevant CAS.

Closing Date for Receipt of Parental Preferences

c) Siblings

Children who are living within the same family unit (e.g., stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. 10 Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

11 Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

- 16 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 17 Where a place is not available, the application will normally be refused, and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is agreed, the Head teacher will, within two weeks of a place being offered, determine a start date.
- 19 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Head teacher at the school or in circumstances beyond the parent's control, e.g., movement into the Borough.
- 20 Pupils are required to start at the school within two weeks of the start date offered by the Head teacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 21 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools' circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
- 22 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Independent Appeals

- 23 If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision. Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the refusal letter to:

Full details of the application process are available in the local authority's website

If, following consideration of all applicants, the school is oversubscribed, children will be placed on the school's waiting list, until the end of the Autumn Term.

Waiting List

If the school is oversubscribed, names of all unsuccessful applicants will be placed on a waiting list. The list will be kept for the eligible timespan of the school placement and will operate in accordance with the oversubscription criteria defined above.

Appeals

Parents who are dissatisfied with the school's decision not to admit their child(ren) may appeal to an independent appeals panel against that decision. The determination of the panel will be made in accordance with the School Admission Appeals Code and will be binding on all parties.

Plover will use the independent appeals service provided by the local authority. Independent Appeals Panels are appointed in accordance with the School Admission Appeals Code. Appeal forms are available from the Local Authority admissions teams and should be made within 20 school days from the date of notification that the application was unsuccessful.

To request an appeal form email admissions@xptrust.org and provide the following information:

Admissions Policy

2026-2027

Introduction

At Rossington St Michael's CE Primary School we work hard to ensure that all feel welcome, accepted and loved. Our vision is that all achieve. Our Admissions policy encompasses our vision.

Rossington St Michael's CE Primary School is a Church of England Primary School in the Diocese of Sheffield. It is part of the Diocese of Sheffield Academy Trust.

The school provides a distinctively Christian education for children aged 3 to 11 years.

Historically, Anglican schools were parish schools providing education for the community in accordance with the principles of the Church of England. Thus the majority of Sheffield Diocesan schools were established to provide education for the children of the parish within a Christian context. The two aims of being 'distinctively Christian' and 'serving the local community' are reflected in the school's admission criteria.

Rossington St Michael's CE Aided Primary School is a Voluntary Aided Primary School in which the Governing Body is the Admission Authority and responsible for admissions. It is guided in that responsibility by the requirements of the law, the school trust deed, by advice from the Sheffield Diocesan Board of Education and its duty to the community.

This policy should be read in conjunction with the rest of this booklet.

Reception Class Admissions

The admission number for this year is 60.

Children will usually be admitted during the autumn term following their 4th Birthday.

However, parents can request:

- a) That the date their child is admitted to school is deferred until later in the year or until the term in which the child reaches compulsory school age (Please note that parents cannot apply for and accept a Reception place and then defer that place until the beginning of year 1).
- b) That their child take up the place part-time until the child reaches compulsory school age.

Nursery Class Admissions

The admission number for this year is 26.

Parents should initially apply for their child to be admitted in the September following their child's third birthday. Subject to the availability places, successful applicants will be eligible for admission during the term following their third birthday.

Pupils are entitled to 15 hours free provision per week for 38 weeks.

Please contact the school office or email enquiries@smp.dsat.education for additional information on how you can access extended hours. Information is also available regarding charges for these and arrangements.

Closing and Announcement Dates

The closing date for receipt of applications for nursery will be 31 October 2025. Late applications are accepted and will be considered after those received by the closing date have been processed.

Admission to Nursery

A child who has attained the age of three years on, or before, the 31 August will normally be admitted part-time to a nursery class from the start of the following school year.

Only in exceptional circumstances will a pupil be allowed to transfer between schools during a term i.e. where they change their address or there is a change in child care arrangements.

Early Admission

Once a pupil has secured a place for September admission, if places are available children may be admitted earlier. Those places will be offered by the school in criteria order as follows;

- a) Children born in the Autumn Term may be able to start in the Spring Term.**
- b) Children born in the Spring Term may be able to start in the Summer Term.**

If a child attends a nursery 'early', they will normally continue into the nursery in the following September unless there has been a change of address or there is a change in child care arrangements

Please contact the school if you need help in completing the Common Application Form or Supplementary Information Form

- 2. To support your application to Rossington St Michael's CE Aided Primary School, please complete the Supplementary Information Form. This is not an application**

form for admission to school but will be used by school when applying the admissions criteria.

3. The **Common Application Form** should be submitted by the closing date for applications along with the **Supplementary Information Form** (if applicable)

Criteria For Admission

PLEASE NOTE: Children who have a statement of special educational need that names the school as the most appropriate educational setting will gain a place at the school through the EHCP process. EVIDENCE OF THE CHILD'S EHCP MUST BE PROVIDED.

Oversubscription Criteria

Where there are more applications for admission than the planned admission number stated, the Governing Body /Admission committee will apply the following admission criteria in strict order of priority:

1. **Children in care** (looked after children) **and children who were previously in care/looked after** (see definition 5).
2. **Children who have an older brother or sister** (see definition 1) **attending the school at time of anticipated admission.**
3. **Children whose parents/carers who reside in the parish of St Michael's Rossington.**
4. **Children who regularly attend the parish church of St Michael's Rossington.** (See definition 3) **but reside outside the parish of StMichael's.**

6. **Children who are resident in St Michael's Rossington.**
7. **Children of staff of the school (see definition 6)**
8. **All other children.**

Should the admission number be reached mid category, applications in that category will be prioritised on the shortest distance measured in a straight line from the point of the front entrance of the pupil's home address (including flats), to the main pupil entrance of the School on Sheepbridge Lane, with those living closer to the school receiving higher priority.

Tie Break

In the event of there being insufficient vacancies to admit all applications in any of the categories detailed above, priority will be given to children whose parent/legal guardians' residential address is the shortest distance from the school entrance on Sheepbridge Lane.

In Year Transfers

We will work closely with Doncaster Local Authority to co-ordinate in year transfers for our school in 2026-27.

FOOTNOTE

The school number has been calculated according to the net capacity of the school which the law defines and had been agreed with the Local Authority.

DEFINITIONS

1. Definition of brother or sister

Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child should be living in the same family unit at the same address.

2. Definition of parent/carer

A parent/carer is any person who has parental responsibility. Where admission arrangements refer to 'parents/carer attendance at church' it is sufficient for just one parent/carer to attend. 'Family members' include only parents and siblings.

3. Definition of regular attendance at Church

Regular attendance by parents/carers is defined as attendance at a Church of England church or another Christian denomination participating in 'Churches Together in England' for at least twice a month over the last 12 months.

For those who have moved into the area less than twelve months ago, the name of the vicar/priest, telephone and address details of the church attended prior to moving need to be provided, in addition to completing the supplementary form.

Parents/carers whose application is based on attendance at a church of Christian denomination should submit the Minister of Religion Reference Form available with the Common Application Form.

4. Definition of Churches Together in England

The Christian denominations participating in 'Churches Together in England' can be found on the CTE web site

<https://cte.org.uk/>

Please refer to this website for an up-to-date list, found in their menu. This may be termed 'Member Church Directory' or 'List of Participating Churches.'

5. Definition of a looked after child

A looked after child is a child that is in the care of a local authority, or being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children's Act 1989) at the time an application for admission to the school is made and who the local authority has confirmed will still be looked after at the time when he/she is admitted to the school.

A previously looked after child is a child who was adopted or became subject to a residence or special guardianship order immediately following having been looked after.

6. Definition of children of staff at school

Children of staff

- a) Where the member of staff is employed at the school at the time at which the application for admission to the school is made and/or
- b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skills shortage.

PLACE OF RESIDENCE

A child's home address refers to the address where the child usually lives with a parent or carer. This will be the address provided in their application form. Where parents have a shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in their application form, provided that the child resides at that address for any part of the school week.

LATE APPLICATIONS

Late applications will be dealt with in accordance with the Local Authority scheme.

WAITING LISTS

1. Names of children will automatically be placed on the waiting list for this school when the child has been refused admission.
2. A vacancy only arises when the number of offers to the school falls below the admission number.
3. The waiting list will be established on the offer day.
4. The waiting list is determined according to the Governing Body's priority of admission over-subscription criteria.
5. Following the offer day, should an application be received for the school where the pupil has a higher priority, as determined by the admissions criteria for a place at the school, they will be placed on the list, above those with a lower priority.

FALSE INFORMATION

1. Where the Governing Body has made an offer of a place at this school on the basis of a fraudulent or intentionally misleading application from a parent/carer, which has effectively denied a place to a child with a stronger claim to a place at the school, the offer of a place will be withdrawn.
2. Where a child starts attending the school on the basis of fraudulent and intentionally misleading information, the place may be withdrawn depending upon the length of time that the child has been at the school.
3. Where a place or an offer has been withdrawn, the application will be re-considered and a right of independent appeal offered if the place is refused.

Applications outside the normal admissions round will be dealt with in accordance with the Local Authority procedures. The class size limit of 30 is adhered to when allocating places.

APPEALS AGAINST THE GOVERNING BODY'S DECISION TO REFUSE ADMISSION

1. If a place is not offered at the school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents by the Local Authority.

Admission Arrangements 2026/27 School Year

- 1 These are the admission arrangements for the 2026/2027 school year.
- 2 Unless delegated to the Local Authority, only the Governing Body is able to decide who is eligible for a place at the school. Neither the Headteacher nor their representatives are able to offer a school place.

General Statement

- 3 In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

- 4 The admission number for the school is 80. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.
- 5 Before making a final decision, the Governing Body considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
- 6 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Formⁱ (CAF) under a Coordinated Admission Schemeⁱⁱ (CAS).

Expressing A Preference - Year of Entry

- 7 Applications for admission to a schools year of entry should be made in accordance with the relevant CAS.

Closing Date For Receipt Of Parental Preferences

- 8 The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS.

Late applications are processed in accordance with the relevant CAS.

Eligibility For A Place At A School - Oversubscription Criteria

- 9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) **Looked After Children or all previously Looked After Childrenⁱⁱⁱ**

b) **Catchment Area**

Children who are ordinarily resident^{iv} in the catchment area of the school.

For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) **Siblings**

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included.

Where a place is only available for one child from a multiple birth i.e. twins, each child will be offered a place.

d) **Proximity**

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence^{iv}, to the entrance nearest to the reception point of the school.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using Synergy provided by Servelec Limited or a suitable substitute.

The Offer Of A Place At A School

- 10 Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

- 11 Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

- 12 Pupils will be added to the waiting list(s) of community schools where they were refused a place and those schools were ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.
- 13 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In Year Transfers

- 14 Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.
- 15 Where there are sufficient places an application will normally be agreed unless specific circumstances apply^v.
- 16 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 17 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is agreed, the Headteacher will, within two weeks of a place being offered, determine a start date.
- 19 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Headteacher of the school or in circumstances beyond the parent's control, e.g. movement into the Borough.
- 20 Pupils are required to start at the school within two weeks of the start date offered by the Headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 21 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.

- 22 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Independent Appeals

- 23 If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the refusal letter to:

Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Explanatory Notes

Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for a school or schools at the normal point of admission.

Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

Looked After Children or all previously Looked After Children

Children who are Looked After Children and all previously Looked After Children
A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians)

Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

Specific Circumstances For Refusal

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code or as part of the Local Authority's In Year Fair Access Policy.

Where the number of applications exceeds the number of available places the Trust will apply the following criteria in order of priority.

After the admission of pupils with an Education, Health and Care Plan or Statement of Special Educational Need naming the school, preferences for the Academy will be sorted in the order of the criterion outlined below. Each of the remaining criteria is applied in order of priority as tie breakers, with criterion e) being the final tie breaker.

Where multiple applications are received for the same year group and there are insufficient places available, eligibility for admission will be considered in accordance with the admission criteria set out in Section 5.

Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.

If a place is offered, the Headteacher will, within two weeks of receiving confirmation from the LA of an offer of a place, determine a start date, however usually start dates will be at the beginning of a term.

Pupils are normally admitted to the school at the start of the next new term other than with the prior approval of the Headteacher or in circumstances beyond the parent's control, e.g. movement into the Borough.

Pupils are required to start at the school within two weeks of the start date offered by the Headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.

Repeat applications made for entry to the same year group at the school will not be considered, unless there has been a significant and material change to either the families or the school's circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.

In accordance with DfE requirements pupils may be admitted under the Fair Access Protocol outside of the normal admission arrangements noted above.

St Alban's

Catholic Primary and Nursery School

Member of St Clare's Catholic Multi Academy Trust, Diocese of Hallam

Let God's love shine in our lives as we grow and learn together

ADMISSION POLICY 2026/2027

Approved by:	Local Academy Committee	Date: 15/2/25
Last reviewed on:	February 2025	

St Alban's Catholic Primary and Nursery School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by St Clare Catholic Multi Academy Trust as part of the Catholic Church in accordance with its trust deed and articles of association, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

St Clare Catholic Multi Academy Trust is the admissions authority and has delegated responsibility for setting and managing admission arrangements to the Local Academy Committee of St Alban's Primary School. The local authority undertakes the co-ordination of admission arrangements during the normal admission round¹. The admission authority has set the school's Published Admissions Number ("PAN") at 30 pupils to be admitted to the reception year in the school year which begins in September 2026.

The Local Academy Committee will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN").

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children (see notes 2&3)
2. Catholic children who are resident in the parish of St Alban's, Denaby and Blessed English Martyr's, Mexborough (see notes 3&11)
3. Catholic children who are resident in the parish of St. Alban's for whom St. Alban's is the nearest Catholic school. (see notes 3&11)
4. Other Catholic children (see note 3)
5. Other looked after and previously looked after children (see note 2)
6. Catechumens and members of an Eastern Christian Church (see notes 4&5)
7. Children of other Christian denominations whose membership is evidenced by a minister of religion (see note 6)
8. Children of other faiths whose membership is evidenced by a religious leader (see note 7)
9. Any other children

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made (see note 10)

¹ This is for admission to the school at the start of the school year in September and not for applications made in-year.

- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8).

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated using the local authority's computerised measuring system on the following basis - this is a straight-line measurement from the home address to the school's front gates on Wadworth Street, Denaby. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round², you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form (SIF) attached to this policy if you wish to apply under oversubscription criteria 1 to 4 or 6 to 8. The Supplementary Information Form (SIF) should be returned to the Pupil Admissions Manager, Jane Hays, at St Alban's Catholic Primary and Nursery School by 15th January 2026.

You will be advised of the outcome of your application on 16th April 2026 or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 4 or 6 to 8, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2026.

Late Applications

Late applications will be administered in accordance with Sheffield Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to the Headteacher at St Alban's Primary School at the same time as the admission application is made. The admission authority will make its decision about the request

² This is for admission to the school at the start of the school year in September and not for applications made in-year.

based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the admission authority will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and *not* in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until 31st July 2027.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Application should be made to the school by contacting

[Primary admissions - City of Doncaster Council](#)

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The admission authority has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

The admission authority reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making an application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the admission authority) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
 - A religion which involves belief in more than one God, and
 - A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'brother or sister' includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.
9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
10. To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the admission authority will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.
11. For the purposes of this policy, parish boundaries are as shown on the map which is available from Hallam diocese, and will be applied to the admission arrangements for 2026/2027.
12. A child's "home address" refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form ("CAF"). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

St Francis Xavier Catholic Primary

Admissions Policy 2026-2027

APPROVED BY: GOVERNING BODY

DATE APPROVED: SEPTEMBER 2022

DATE REVIEWED: SEPTEMBER 2024

DATE OF NEXT REVIEW: SEPTEMBER 2025

In Catholic voluntary aided schools, the admission authority is the governing body. In Catholic voluntary academies, the admission authority is the academy company. The term “school” is used throughout the document to mean all Catholic schools, including schools in the trusteeship of a religious order. This includes maintained schools, and academies in England.

St Francis Xavier Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school’s activity. It is essential that the Catholic character of the school’s education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with these admission arrangements.

The governing body is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round¹. The admission authority has set the school’s Published Admissions Number (“PAN”) at 30 pupils to be admitted to [the reception year] in the school year which begins in September, 2026.

The admission authority will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school’s PAN.

Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish(es) of St Peter In Chains, west of the Great North Road and West of Somerset Road and Cooper Street, Hexthorpe and the entire Sacred Heart parish of Balby (see notes 3&11)
3. Catholic children who are resident in the parish(es) of St Peter In Chains and St Mary’s, Edlington for whom St Peter’s or St Mary’s is the nearest Catholic school. (see notes 3&11)

¹ https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/602222/Admission-arrangements-in-primary-schools-2018-2019.pdf

4. Other Catholic children. (see note 3)
5. Other looked after and previously looked after children. (see note 2)
6. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
7. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
8. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
9. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made. (see note 10)
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8).

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated on the basis of a straight-line measurement between the front door of the child's home address (including the community entrance to flats) and the main entrance of the school. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round², you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form attached to this policy if you wish to apply under oversubscription criteria 1 to 4 or 6 to 8. The Supplementary Information Form should be returned to St Francis Xavier Catholic Primary School, Roberts Road, Balby, Doncaster, DN4 0JN by the 15th January 2026

You will be advised of the outcome of your application on 16th April or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child may not be placed in criteria 1 to 4 or 6 to 8, and this may affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2026.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to Mrs B Nesbit, Executive Headteacher at the same time as the admission application is made. The admission authority will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the admission authority will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until 17th July 2027.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places. Application should be made to the school by contacting St Francis Xavier Catholic Primary School, Balby, Doncaster, DN4 0JN., <https://www.xavier.doncaster.sch.uk/>

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the admission authority is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The admission authority has this power, even when admitting the child would mean exceeding the PAN (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

The admission authority reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

ST JOSEPH & ST TERESA'S CATHOLIC PRIMARY SCHOOL

ADMISSION POLICY 2026-27

St Joseph & St Teresa's Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with these admission arrangements.

The governing body is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The admission authority has set the school's Published Admissions Number ("PAN") at 20 pupils to be admitted to the reception year in the school year which begins in September, 2026.

The admission authority will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish of St Joseph & St Teresa's, Woodlands or Blessed English Martyrs, Askern. (see notes 3&11)
3. Catholic children who are resident in the parish of Our Lady of Perpetual Help, Bentley for whom St Joseph & St Teresa's, Woodlands is the nearest Catholic school. (see notes 3&11)
4. Other Catholic children. (see note 3)
5. Other looked after and previously looked after children. (see note 2)
6. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
7. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
8. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
9. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made. (see note 10)
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8).

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated on the basis of a straight-line measurement between the front door of the child's home address (including the community entrance to flats) and the main entrance of the school using the local authority's computerised measuring system. The distance will be measured by the Local Authority and provided to the school.

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

Reception applications are now made online at:

PLEASE CONTACT US IF YOU NEED ANY HELP IN APPLYING FOR ADMISSION TO OUR SCHOOL

To apply for a place at this school in the normal admission round, you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form attached to this policy if you wish to apply under oversubscription criteria 1 to 4 or 6 to 8. The Supplementary Information Form should be returned to St Joseph & St Teresa's School by 15th January 2026.

You will be advised of the outcome of your application on 16th April or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child may not be placed in criteria 1 to 4 or 6 to 8, and this may affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2026.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child,

i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to the headteacher at the school address at the same time as the admission application is made. The admission authority will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the headteacher, including the headteacher's statutory responsibility for the internal organisation, management and control of the school, the admission authority will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places. Application should be made through the local authority using the following link:

<https://www.doncaster.gov.uk/services/schools/primary-admissions>

Please note that pupil moves between local schools will only be possible at the start of a term (September, January or April each year).

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the admission authority is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The admission authority has this power, even when admitting the child would mean exceeding the PAN (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority.

Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

The admission authority reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making an application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the admission authority) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their

communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. “children of other faiths” means children who are members of a religious community that does not fall within the definition of ‘other Christian denominations’ at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. ‘brother or sister’ includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii) the child of a parent’s partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

9. A ‘parent’ means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

10. To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the admission authority will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.

11. For the purposes of this policy, parish boundaries are as shown on the map, available from the Diocese of Hallam, and will be applied to the admission arrangements.

12. A child’s “home address” refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form (“CAF”). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

PRIMARY

St Joseph's School, A Catholic Voluntary Academy

ADMISSION POLICY 2026-27

St Joseph's is part of the St Francis Catholic Multi Academy Trust (St Francis CMAT), a multi-academy trust based in the Diocese of Hallam. The vision for our Trust within the Diocese is:

- For all children to receive innovative, creative and personalised teaching and learning
- For all children to receive an outstanding curriculum which shapes them as people in God's image
- For all children to flourish in stimulating, highly effective, happy environments
- For the Trust to be the employer of choice for all staff through investment, recognition and progression.

St Joseph's School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and St Francis CMAT's articles of association, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The school is fully inclusive and welcomes applications for the admission of children of all abilities and needs. The school fully complies with its responsibilities under the Equality Act 2010.

St Francis CMAT is the admissions authority though responsibility for admissions to this school has been delegated to the School's Local Academy Committee. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The Local Academy Committee has set its admission number at **30** pupils to be admitted to the reception year in the school year which begins in September 2026.

The Local Academy Committee may admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN") depending on the circumstances of each case.

1. Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

2. Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish of Christ the King. (see note 3)
3. Other Catholic children. (see note 3)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
7. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
8. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made (see note 8).
- (ii) Children of staff will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above where:
 - a. the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; or
 - b. the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage. In St Joseph's this will apply to the following groups of staff: Teaching and Support Staff.

Priority within (i) and (ii) above and for any other children being ranked within each category within the oversubscription criteria will be determined in line with the tie break set out below.

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance.

Children who live nearest to the school will be measured in a straight line from the centre point of the child's ordinary place of residence, to the entrance nearest to the reception point of the school building.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation. Measurements will be made using the local authority's computerised programme.

Child's Home Address

The child's home address will be the address at which they live and sleep with their parent (as defined below) for more than 50% of their time from Monday to Friday during term time at the application deadline. It will usually be the address at which the child is registered with their G.P.

Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the Common Application Form, provided that the child resides at that address for any part of the school week.

Where there is an issue over whether the home address stated in the Common Application Form is the child's main home address as defined by this policy, parents may be required to provide documentary evidence to resolve the issue.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round, you **must** complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form ("SIF") attached to this policy if you wish to apply under oversubscription criteria 1 to 3 or 5 to 7. The Supplementary Information Form should be returned to **Headteacher, St Joseph's School, Bevan Ave, New Rossington, Doncaster DN11 0NB or via the office admin on admin@st-josephs.doncaster.sch.uk by 15th January 2026.**

You will be advised of the outcome of your application on 16th April or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 4 or 6 to 8, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2026.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request for admission outside of the normal age group is separate to any application to the school and should be made in writing to **Headteacher, St Joseph's School, Bevan Avenue, New Rossington, Doncaster DN11 0NB** or via admin@st-josephs.doncaster.sch.uk at the same time as the admission application is made. The Local Academy Committee will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the Local Academy Committee will take into account the views of the parents and of appropriate medical and education professionals, as appropriate. The Local Academy Committee may also have regard to guidance issued to admissions authorities on the admission of children outside their normal age group.

Where the application is agreed in principle, the Local Academy Committee will write to the parents confirming this. Parents should note that an agreement in principle is not the same as an offer of a place in the desired year group - it is simply an indication that the Local Academy Committee will accept an application for admission of the child to the desired year group. Once an application for admission to the desired year group has been submitted, it will be processed with all other applications for that year group, with the oversubscription criteria being applied where more applications are received than there are places available. The application for admission must be accompanied by the letter confirming the Local Academy Committee's agreement in principle.

This means that even where the Local Academy Committee has agreed in principle to a child being admitted outside their normal age group, there is no guarantee that a place in the desired year group will be achieved for the child. This is particularly relevant in the case of "summer born children" for whom a place in Reception Year is being sought one year later than usual, as they could be left without a place in Reception Year at the school, and the child's parents will then need to decide whether to submit an application for admission outside normal age group to another school with a place available in Reception Year, or to seek a place in Year 1 at the school subject to their being any places available.

Children of UK Service Personnel and Crown Servants

In relation to families of service personnel with a confirmed posting, or crown servants returning from overseas, the school will allocate a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date. We will use the address at which the child will live when applying our oversubscription criteria, as long as the parents provide some evidence of their intended address. We will use a Unit or quartering address as the child's home address when considering the application against their oversubscription criteria, where a parent requests this.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Applications should be made to the school by contacting **Headteacher, St Joseph's School, Bevan Avenue, New Rossington, Doncaster DN11 0NB** or via admin@st-josephs.doncaster.sch.uk.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the Local Academy Committee is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The Local Academy Committee has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

The Local Academy Committee reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order and includes those children who appear to the Local Academy Committee to have been in state care outside of England and ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received

if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
 - A religion which involves belief in more than one God, and
 - A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'brother or sister' includes:
 - (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent's partner with whom they have been cohabiting for a period of at least one year at the application deadline where that child lives for at least part of the week in the same family unit at the same address as the applicant.

Parents must ensure that they have included full details of the sibling in the Common Application Form to be included in this category. Failure to do so will result in the child being placed into the next category that applies.

9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

St Mary's Catholic Primary School

Admissions Policy 2026-2027

APPROVED BY: GOVERNING BODY

DATE APPROVED: SEPTEMBER 2022

DATE REVIEWED: SEPTEMBER 2024

DATE OF NEXT REVIEW: SEPTEMBER 2025

In Catholic voluntary aided schools, the admission authority is the governing body. In Catholic voluntary academies, the admission authority is the academy company. The term “school” is used throughout the document to mean all Catholic schools, including schools in the trusteeship of a religious order. This includes maintained schools, and academies in England.

St Mary’s Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school’s activity. It is essential that the Catholic character of the school’s education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with these admission arrangements.

The governing body is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round¹. The admission authority has set the school’s Published Admissions Number (“PAN”) at 30 pupils to be admitted to [the reception year] in the school year which begins in September, 2026.

The admission authority will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school’s PAN.

Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are resident in the parish(es) of St Mary’s, Edlington (see notes 3&11)
3. Catholic children who are resident in the parish(es) of Scared Heart for whom St Francis Xavier is the nearest Catholic school. (see notes 3&11)
4. Other Catholic children. (see note 3)
5. Other looked after and previously looked after children. (see note 2)

6. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
7. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
8. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
9. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made. (see note 10)
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8).

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated on the basis of a straight-line measurement between the front door of the child's home address (including the community entrance to flats) and the main entrance of the school. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round², you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form attached to this policy if you wish to apply under oversubscription criteria 1 to 4 or 6 to 8. The Supplementary Information Form should be returned to St Mary's Catholic Primary, Bungalow Road, Edlington, Doncaster, DN12 1DL by the 15th January 2026.

You will be advised of the outcome of your application on 16th April or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child may not be placed in criteria 1 to 4 or 6 to 8, and this may affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2026.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to Mrs B Nesbit, Executive Headteacher at the same time as the admission application is made. The admission authority will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the admission authority will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until 17th July 2027.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places. Application should be made to the school by contacting St Mary's Catholic Primary, Bungalow Road, Edlington, Doncaster, DN12 1DL., <https://www.st-marys-pri.doncaster.sch.uk/>

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the admission authority is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The admission authority has this power, even when admitting the child would mean exceeding the PAN (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

The admission authority reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making an application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the admission authority) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. “children of other faiths” means children who are members of a religious community that does not fall within the definition of ‘other Christian denominations’ at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. ‘brother or sister’ includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii) the child of a parent’s partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

9. A ‘parent’ means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

10. To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the admission authority will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.

11. For the purposes of this policy, parish boundaries can be found on the map, available from the Diocese and will be applied to the admission arrangements for 2026-2027 policy.

12. A child’s “home address” refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form (“CAF”). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

Our Vision

We look towards the parable of the Good Samaritan as our guide. We aspire for our school to be a place where all children are valued, where they feel safe, are happy and learn well. We want our school to have a warm, friendly atmosphere, which supports families, builds relationships and sets children up for a life of learning. We want our Christian values to guide our pupils along the right path and help them to achieve fulfilling and happy lives.

2026-2027 ADMISSIONS POLICY

INTRODUCTION

St Oswald's Church of England Primary Academy and Nursery School works with the Diocese of Sheffield and Doncaster Local Authority.

The school provides a distinctively Christian education for children aged 3+ to 11+ years.

Historically, Anglican schools were parish schools providing education for the community in accordance with the principles of the Church of England. Thus the majority of Sheffield Diocesan schools were established to provide education for the children of the parish within a Christian context. This two-fold aim of being "distinctively Christian" and "serving the local community" is reflected in the school's admission criteria.

St Oswald's is a Church of England Primary Academy in which the Governing Body is the Admission Authority and responsible for admissions. It is guided in that responsibility by the requirements of the law, the school trust deed, by advice from the Sheffield Diocesan Board of Education and its duty to the community.

This policy should be read in conjunction with the booklet "Admission to Primary Education", published by Doncaster Metropolitan Borough Council.

Reception Class admissions

The admission number for this year is 30

Children will usually be admitted during the autumn term following their 4th Birthday.

However, parents can request:

- a) That the date their child is admitted to school is deferred until later in the year or until the term in which the child reaches compulsory school age. (Please note that parents cannot apply for and accept a Reception place and then defer that place until the beginning of year 1);
- b) That their child takes up the place part-time until the child reaches compulsory school age

The closing date for admissions for Reception applications is 15th January, 2026.

Nursery admissions

The admission number for nursery for this year is 26

Parents should initially apply for their child to be admitted in the September following their child's third birthday. Subject to the availability places, successful applicants will be eligible for admission during the term following their third birthday.

Pupils are entitled to 15 hours free provision per week for 38 weeks.

Please contact the school office or email admin@soa.dsat.education for additional information on how you can access extended hours. Information is also available regarding charges for these and arrangements.

Closing and Announcement Dates

The closing date for receipt of applications for nursery will be October 2025. Late applications are accepted and will be considered after those received by the closing date have been processed.

Admission to Nursery

A child who has attained the age of three years on, or before, the 31 August will normally be admitted part-time to a nursery class from the start of the following school year.

Only in exceptional circumstances will a pupil be allowed to transfer between schools during a term i.e. where they change their address or there is a change in child care arrangements.

Early Admission

Once a pupil has secured a place for September admission, if places are available children may be admitted earlier. Those places will be offered by the school in criteria order as follows;

- a) Children born in the Autumn Term may be able to start in the Spring Term.
- b) Children born in the Spring Term may be able to start in the Summer Term.

If a child attends a nursery 'early', they will normally continue into the nursery in the following September unless there has been a change of address or there is a change in child care arrangements

PLEASE CONTACT US IF YOU NEED ANY HELP TO COMPLETE THE COMMON APPLICATION FORM OR THE SUPPLEMENTARY INFORMATION FORM.

MAKING AN APPLICATION

1. Applications are made on the **Common Application Form**.
2. To support your application to St Oswald's church of England Primary Academy, please complete the **Supplementary Information Form**. This is not an application form for admission to the school but will be used by school when applying the admissions criteria.
3. The **Common Application Form** should be submitted by the closing date for applications along with the **Supplementary Information Form** (if applicable).

CRITERIA FOR ADMISSION:

OVERSUBSCRIPTION CRITERIA

Where there are more applications for admission than the planned admission number stated, the Admission committee will apply the following admission criteria in strict order of priority:

1. Children in care / Looked after children and children who were previously in Care/ Looked after. This includes those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children who have a brother/sister attending the school at the time of anticipated admission.
3. Children whose parents/carers who reside in the ecclesiastical parish of Holy Trinity and St Oswald's.
4. Children who regularly attend the parish church of Holy Trinity and St Oswald's but reside outside the ecclesiastical parish of Holy Trinity and St Oswald's.
5. Children whose parents/carers reside outside the ecclesiastical parish of Holy Trinity of St Oswald's and regularly attend another Christian denomination participating in 'Churches Together in England'
6. Children of staff members.
7. All other children.

Should the admission number be reached mid category, applications in that category will be prioritised on the shortest distance measured in a straight line from the point of the front entrance of the pupil's home address (including flats), to the main pupil entrance of the school using the Local Authority's computerised measuring system, with those living closer to the school receiving higher priority.

TIE BREAK CLAUSE

Tie-Breakers

In the event of there being insufficient vacancies to admit all applications in any of the categories detailed above, priority will be given to children whose parent/legal guardians' residential address is the shortest distance from the school entrance in Silver Birch Grove.

The drawing of lots will be undertaken by someone independent of the admission authority.

IN YEAR TRANSFERS

Doncaster Metropolitan Borough Council will co-ordinate in year transfers for our school in 2026 – 2027

FOOTNOTE

The school number has been calculated according to the net capacity of the school which the law defines and had been agreed with the Local Authority.

DEFINITIONS

1. Definition of brother or sister

Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child should be living in the same family unit at the same address.

2. Definition of parent/carer

A parent/carer is any person who has parental responsibility. Where admission arrangements refer to 'parents/carer attendance at church' it is sufficient for just one parent/carer to attend. 'Family members' include only parents and siblings.

3. Definition of regular attendance at Church

Regular attendance by parents/carers is defined as attendance at a Church of England church or another Christian denomination participating in 'Churches Together in England' for at least twice a month over the last 12 months.

For those who have moved into the area less than twelve months ago, the name of the vicar/priest, telephone and address details of the church attended prior to moving need to be provided, in addition to completing the supplementary form.

4. Definition of Churches Together in England

The Christian denominations participating in 'Churches Together in England' can be found on the CTE web site.

<https://cte.org.uk/>

Please refer to this website for an up-to-date list, found in their menu. This may be termed 'Member Church Directory' or 'List of Participating Churches.'

5. Definition of a looked after child

A looked after child is a child that is in the care of a local authority, or being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children's Act 1989) at the time an application for admission to the school is made and who the local authority has confirmed will still be looked after at the time when he/she is admitted to the school.

A previously looked after child is a child who was adopted or became subject to a residence or special guardianship order immediately following having been looked after.

6. Definition of children of staff at school

Children of staff

- a) Where the member of staff is employed at the school at the time at which the application for admission to the school is made and/or
- b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skills shortage.

PLACE OF RESIDENCE

The child's ordinary place of residence will normally be a residential property at which the parent(s) or person(s) with parental responsibility for the child reside at the closing date for receiving applications for admission to the school.

Where parental responsibility is held by more than one person and those persons reside in separate properties, the child's ordinary place of residence will normally be the property at which the child resides with the parent or person(s) with parental responsibility, for the greater part of the week.

LATE APPLICATIONS

Late applications will be dealt with in accordance with the Local Authority scheme.

WAITING LISTS

1. Names of children will automatically be placed on the waiting list for this school when the child has been refused admission.
2. A vacancy only arises when the number of offers to the school falls below the admission number.
3. The waiting list will be established on the offer day.
4. The waiting list is determined according to the Governing Body's priority of admission over-subscription criteria.
5. Following the offer day, should an application be received for the school where the pupil has a higher priority, as determined by the admissions criteria for a place at the school, they will be placed on the list, above those with a lower priority.

FALSE INFORMATION

1. Where the Governing Body has made an offer of a place at this school on the basis of a fraudulent or intentionally misleading application from a parent/carer, which has effectively denied a place to a child with a stronger claim to a place at the school, the offer of a place will be withdrawn.
2. Where a child starts attending the school on the basis of fraudulent and intentionally misleading information, the place may be withdrawn depending upon the length of time that the child has been at the school.
3. Where a place or an offer has been withdrawn, the application will be re-considered and a right of independent appeal offered if the place is refused.

Applications outside the normal admissions round will be dealt with in accordance with the Local Authority procedures. The class size limit of 30 is adhered to when allocating places.

APPEALS AGAINST THE GOVERNING BODY'S DECISION TO REFUSE ADMISSION

1. If a place is not offered at the school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents by the Local Authority.
2. Parents who intend to make an appeal against the Governing Body's decision to refuse admission must submit a notice of appeal within 20 school days of receiving the refusal letter to:

Litigation and Education Section
Directorate of Resources
Doncaster Council
Civic Office
Waterdale

Normally appeal hearings will be held within 6 weeks of the closing date for receiving the notice of appeal.

St Peter's is part of the St Francis Catholic Multi Academy Trust (St Francis CMAT), a multi-academy trust based in the Diocese of Hallam. The vision for our Trust within the Diocese is:

- For all children to receive innovative, creative and personalised teaching and learning
- For all children to receive an outstanding curriculum which shapes them as people in God's image
- For all children to flourish in stimulating, highly effective, happy environments
- For the Trust to be the employer of choice for all staff through investment, recognition and progression.

St Peter's Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and St Francis CMAT's articles of association, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The school is fully inclusive and welcomes applications for the admission of children of all abilities and needs. The school fully complies with its responsibilities under the Equality Act 2010.

St Francis CMAT is the admissions authority though responsibility for admissions to this school has been delegated to the School's Local Academy Committee. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The Local Academy Committee has set its admission number at **30** pupils to be admitted to the reception year in the school year which begins in September 2026.

The Local Academy Committee may admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN") depending on the circumstances of each case.

1. Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

2. Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (*see notes 2&3*)
2. Catholic children who are resident in the parish of St. Peter's in Chains, Doncaster and St. Paul's, Cantley, Doncaster. (*see note 3*)
3. Other Catholic children. (*see note 3*)
4. Other looked after and previously looked after children. (*see note 2*)
5. Catechumens and members of an Eastern Christian Church. (*see notes 4&5*)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion. (*see note 6*)
7. Children of other faiths whose membership is evidenced by a religious leader. (*see note 7*)
8. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made (see note 8).
- (ii) Children of staff will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above where:
 - a. the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; or
 - b. the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage. In St Peter's, this will apply to the following groups of staff: Teaching and Support Staff.

Priority within (i) and (ii) above and for any other children being ranked within each category within the oversubscription criteria will be determined in line with the tie break set out below.

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance.

Children who live nearest to the school will be measured in a straight line from the centre point of the child's ordinary place of residence, to the entrance nearest to the reception point of the school building.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation. Measurements will be made using the local authority's computerised programme.

Child's Home Address

The child's home address will be the address at which they live and sleep with their parent (as defined below) for more than 50% of their time from Monday to Friday during term time at the application deadline. It will usually be the address at which the child is registered with their G.P.

Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the Common Application Form, provided that the child resides at that address for any part of the school week.

Where there is an issue over whether the home address stated in the Common Application Form is the child's main home address as defined by this policy, parents may be required to provide documentary evidence to resolve the issue.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round, you **must** complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form ("SIF") attached to this policy if you wish to apply under oversubscription criteria 1 to 3 or 5 to 7. The Supplementary Information Form should be returned to **Office Manager, St Peter's Catholic Primary School, Sandy Lane, Doncaster, DN4 5EP** by the closing date of 15th January 2026.

You will be advised of the outcome of your application on 16th April or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 4 or 6 to 8, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2026.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request for admission outside of the normal age group is separate to any application to the school and should be made in writing to **Headteacher, St Peter's Catholic Primary School, Sandy Lane, Doncaster, DN4 5EP by the closing date of 15th January 2026.** at the same time as the admission application is made. The Local Academy Committee will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the Local Academy Committee will take into account the views of the parents and of appropriate medical and education professionals, as appropriate. The Local Academy Committee may also have regard to guidance issued to admissions authorities on the admission of children outside their normal age group.

Where the application is agreed in principle, the Local Academy Committee will write to the parents confirming this. Parents should note that an agreement in principle is not the same as an offer of a place in the desired year group - it is simply an indication that the Local Academy Committee will accept an application for admission of the child to the desired year group. Once an application for admission to the desired year group has been submitted, it will be processed with all other applications for that year group, with the oversubscription criteria being applied where more applications are received than there are places available. The application for admission must be accompanied by the letter confirming the Local Academy Committee's agreement in principle.

This means that even where the Local Academy Committee has agreed in principle to a child being admitted outside their normal age group, there is no guarantee that a place in the desired year group will be achieved for the child. This is particularly relevant in the case of "summer born children" for whom a place in Reception Year is being sought one year later than usual, as they could be left without a place in Reception Year at the school, and the child's parents will then need to decide whether to submit an application for admission outside normal age group to another school with a place available in Reception Year, or to seek a place in Year 1 at the school subject to their being any places available.

Children of UK Service Personnel and Crown Servants

In relation to families of service personnel with a confirmed posting, or crown servants returning from overseas, the school will allocate a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date. We will use the address at which the child will live when applying our oversubscription criteria, as long as the parents provide some evidence of their intended address. We will use a Unit or quartering address as the child's home address when considering the application against their oversubscription criteria, where a parent requests this.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Applications should be made to the school by contacting **Headteacher, St Peter's Catholic Primary School, Sandy Lane, Doncaster, DN4 5EP.**

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the Local Academy Committee is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The Local Academy Committee has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

The Local Academy Committee reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order and includes those children who appear to the Local Academy Committee to have been in state care outside of England and ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and

which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'brother or sister' includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii) the child of a parent's partner with whom they have been cohabiting for a period of at least one year at the application deadline where that child lives for at least part of the week in the same family unit at the same address as the applicant.

Parents must ensure that they have included full details of the sibling in the Common Application Form to be included in this category. Failure to do so will result in the child being placed into the next category that applies.

9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

THE ROSE LEARNING TRUST

Introduction

The Rose Learning Trust is its own admissions authority; this means that the trust is responsible for setting its own admissions arrangements.

For the purposes of aligning with other local schools and academies, the trust continues to use Doncaster Local Authority for the co-ordination of all admission and making offers of places

Aims

This policy aims to:

- Explain how to apply for a place at a school in The Rose Learning Trust
- Set out the arrangements for allocating places to the pupils who apply
- Explain how to appeal against a decision to not offer a place

Legislation and Statutory Requirements

This policy is based on the following advice from the Department for Education (DfE):

- School Admission Code 2021
- Schools Admission Appeals Code

The trust is required by our funding agreement to comply with these codes, and with the law relating to admissions as set out in the School Standards and Framework Act 1998.

This policy complies with our funding agreement and articles of association

1. Admission Arrangements for Doncaster Council Local Authority 2026/27 School Year

1. These are the admission arrangements for the 2026/27 school year.
2. Unless delegated to the Local Authority, only the Trust Board is able to decide who is eligible for a place at the school. Neither the Headteacher nor their representatives are able to offer a school place.

General Statement

3. In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

4. The admission number for the school is [see **Appendix A**]. A school must have an admission number for each relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Trust Board consults with the LA.
5. Before making a final decision, the Trust Board considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
6. In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Form (CAF)ⁱ under a Coordinated Admission Scheme (CAS)ⁱⁱ.

Expressing A Preference - Year of Entry

7. Applications for admission to a school's year of entry should be made in accordance with the relevant CAS.

Closing Date For Receipt Of Parental Preferences

8. The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS.

Late applications are processed in accordance with the relevant CAS.

Eligibility For A Place At A School - Oversubscription Criteria

9. This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit. Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) Looked After Children or all Previously Looked After Childrenⁱⁱⁱ

b) Catchment Area

Children who are ordinarily resident in the catchment area of the school.

For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g., stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included.

Where a place is only available for one child from a multiple birth i.e., twins, each child will be offered a place.

d) Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence^{iv} to the entrance nearest to the reception point of the school.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g., in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using EMS for Windows provided by Capita Education Services and/or ArcView GIS provided by Environmental Systems Research Institute Inc or suitable substitute.

The Offer Of A Place At A School

10. Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

11. Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

12. Pupils will be added to the waiting list(s) of community schools where they were refused a place and those schools were ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.
13. Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In Year Transfers

14. Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.
15. Where there are sufficient places, an application will normally be agreed unless specific circumstances apply^v.
16. Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
17. Where a place is not available, the application will normally be refused, and the applicant will be offered the right of appeal to an independent appeals panel.
18. If a place is agreed, the Headteacher will, within two weeks of a place being offered, determine a start date.

19. Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Headteacher of the school or in circumstances beyond the parent's control, e.g., movement into the Borough.
20. Pupils are required to start at the school within two weeks of the start date offered by the Headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
21. Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the school's circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.
22. In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Requests For Admissions outside the normal age group

23. Parents are entitled to request a place for their child outside of their normal age group.

Decisions on requests for admission outside the normal age group will be made on the basis of the circumstances of each case and the best interests of the child concerned. In accordance with the school admissions code, this will include taking account of:

- Parents' views
- Information about the child's academic, social and emotional development
- Where relevant, their medical history and the views of a medical professional
- Whether they have previously been educated out of their normal age group
- Whether they may naturally have fallen into a lower age group if it were not for being born prematurely
- The Headteachers views

Where possible, requests for admissions outside a child's normal age group will be processed as part of the main admissions round. They will be considered on the basis of the admission arrangements laid out in this policy, including the oversubscription criteria listed. Applications will not be treated as a lower priority if parents have made a request for a child to be admitted outside the normal age group.

Parents will always be informed of the reasons for any decision on the year group a child should be admitted to. Parents do not have a right to appeal if they are offered a place at the school but it is not in their preferred age group.

Independent Appeals

24. If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the refusal letter to:

Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g., giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Explanatory Notes

i Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for a school or schools at the normal point of admission.

ii Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii Looked After Children or Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv Ordinarily Resident

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

v Specific Circumstances For Refusal An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's In Year Fair Access Policy

DIOCESE OF SHEFFIELD

Admission Policy for Tickhill St Mary's CE Aided Primary School 2026/2027

Introduction

Tickhill St Mary's CE Aided Primary and Nursery School is a Church of England Voluntary Aided Primary School in the Diocese of Sheffield. It is maintained by Doncaster Local Authority.

The school provides a distinctively Christian education for children aged 3 to 11 years.

Historically, Anglican schools were parish schools providing education for the community in accordance with the principles of the Church of England. Thus the majority of Sheffield Diocesan schools were established to provide education for the children of the parish within a Christian context. The two aims of being 'distinctively Christian' and 'serving the local community' are reflected in the school's admission criteria.

St Mary's C.E. Primary and Nursery School Admissions Policy

Tickhill St Mary's is a Voluntary Aided Primary School in which the Governing Body is the Admission Authority and responsible for admissions. It is guided in that responsibility by the requirements of the law, the school trust deed, by advice from the Sheffield Diocesan Board of Education and its duty to the community.

This policy should be read in conjunction with the rest of this booklet.

The admission number for 2026/27 is 30 and children will be admitted during the Autumn term following their 4th birthday. Where parents wish to defer entry or request that the child attends part-time, the request will be considered where it appears to be in the best interest of the child. All children will be admitted by the term following their 5th birthday – compulsory school age

Please contact the school if you need help in completing the Common Application Form or Supplementary Information Form

Making an Application

1. Applications are made on the **Common Application Form** on-line on the Admissions section of the local authority website
2. To support your application to Tickhill St Mary's CE Aided Primary and Nursery School, please complete the **Supplementary Information Form**. This is not an application form for admission to school but will be used by the school when applying the admissions criteria.
3. The **Common Application Form** should be submitted by 15th January 2026 along with the **Supplementary Information Form** (if applicable) – written confirmation should be obtained from the local authority that applications have been received (this will usually be by email)

Criteria for Admission

- Children who have an Education Health and Care Plan and the school is named as the most appropriate education setting for the child will be admitted

Oversubscription Criteria

Where there are more applications for admission than the published admission number, the Governing Body/Admissions Committee will apply the following criteria in strict order of priority:

1. Children in care/Looked after children and children who were previously in care/looked after (see definition 5 page3)
2. Children with special medical or social circumstances where these needs can only be met at this school. This is not about educational needs. Professional supporting evidence must be provided if admission is to be made under this criterion. A professionally qualified person such as a medical doctor, psychologist or social worker must set out the particular reasons why the school is the suitable one for the child and the difficulties which would be caused if the child had to attend another school
3. Children who have an elder brother/sister (see definition 1) attending the school at the time at the time of anticipated admission
4. Children of parents/carers (see definition 2) who reside in Tickhill and Stainton and regularly (see definition 3) attend the churches of St Mary's or St Winifrid

11. Children who reside outside Tickhill and Stainton who currently attend the nursery at Tickhill St Mary's CofE Primary & Nursery School (see definition 7)
12. All other children by distance

Should the admission number be reached mid-category, applications in that category will be prioritised on the shortest distance measured in a straight line from the front door of the child's home address (including flats) to the main entrance of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving higher priority.

* In the event that during the period specified for attendance at worship the church [or, in relation to those of other faiths, relevant place of worship] has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church [or in relation to those of other faiths, relevant place of worship] or alternative premises have been available for public worship.

Tie Break

In the event of two or more children living equidistant from the school, the place will be decided by drawing lots. The first name drawn will be offered the place.

1. INTRODUCTION

- 1.1 Tortedale Infant Academy is part of Leger Education Trust and administers admissions in line with legal requirements of the National Code of Admissions and acting upon where appropriate advice and guidance from the Admissions forum and the DfE. Parents will apply for places to Tortedale Infant Academy as part of the Doncaster Local Authority process. Tortedale Infant Academy will work in partnership with Doncaster Local Authority to ensure student places are given fairly, in line with the published admissions criteria, which will conform with the National Code of Practice on Admissions.
- 1.2 Tortedale Infant Academy serves a local community, usually referred to as the 'catchment area'. This policy reflects the Academy Trust's commitment to providing places where possible to students who live in our catchment area as defined by our pyramid schools.
- 1.3 Attendance at the nursery at Tortedale Infant Academy does not guarantee a place in reception. Parents of children attending nursery must make an application for reception on-line through Doncaster Council.

2. ADMISSION NUMBER

- 2.1 The admission number for the academy is 60 and the admission number for Tortedale's Nursery is 52. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the academy in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.
- 2.2 Before making a final decision, the CEO along with the Governing Body and the Headteacher considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
- 2.3 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Form (CAF) under a Coordinated Admission Scheme (CAS).

3. EXPRESSING A PREFERENCE – YEAR OF ENTRY

Applications for admission to a school's year of entry should be made in accordance with the relevant Coordinated Admissions Scheme. The Admissions Scheme is published on the Doncaster Council Website see Appendix 1.

4. CLOSING DATE FOR RECEIPT OF PARENTAL PREFERENCES

The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS. Late applications are processed in accordance with the relevant CAS.

5. ELIGIBILITY FOR A PLACE AT A SCHOOL – OVERSUBSCRIPTION CRITERIA

This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for Tortedale Infant Academy will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) Looked after children or all previously looked after children

This includes those children who appear (to the admissions authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted or became subject to a child arrangement order or special guardianship order.

b) Catchment Area

Children who are ordinarily resident in the catchment area of the school. For applications for the year of entry received by the closing date, a catchment area academy will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g. step-siblings, foster siblings, adopted siblings) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included. Where a place is only available for one child from a multiple birth i.e. twins, each child will be offered a place.

d) Proximity

Children who live nearest to the requested school measured in a straight line from the center point of the child's ordinary place of residence to the entrance nearest to the reception point of the academy.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

The random allocation process will be supervised at all times by someone independent of the academy. In the case where parents have shared responsibility for a child following the breakdown of their relationship and the child lives for part of the week with each parent, the measurements will take into account both places of residence.

Measurements will be made using a computerised programme.

6. THE OFFER OF A PLACE AT A SCHOOL

Decisions will be emailed to parents in accordance with the Local Authority's Coordinated Admissions Scheme. The offer is made on the National Offer Day. Primary academies this is the 16th April (or by the next working day when the 16th April falls on a weekend or Bank Holiday)

7. UNSUCCESSFUL APPLICATIONS

Any parent whose child is not offered an academy place for which they have expressed a preference has the right to an independent appeal.

8. WAITING LISTS

- 8.1 Pupils will be added to the waiting list(s) of academies where they were refused a place and those academies were ranked higher on the Common Application Form than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the Autumn Term (31stDecember).
- 8.2 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the academy. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.
- 8.3 Looked after children or previously looked after children will be allocated a place at the academy in accordance with the Fair Access Protocol and will take precedence over those on the waiting list.

9. IN YEAR TRANSFERS

- 9.1 A parent can apply for a place for their child at any school, at any time. Applications for admissions outside of the normal admission round (In-year Transfers) may be considered by the academy. They should be made on the official application form and will be managed by the Local Authority admissions scheme. Information on how in-year applications can be made are available on the Doncaster Council website.
- 9.2 Where there are sufficient places, an application will normally be agreed unless specific circumstances apply.
- 9.3 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 9.4 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 9.5 If a place is agreed, the Headteacher will, within two weeks of a place being offered, determine a start date.
- 9.6 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Headteacher of the school or in circumstances beyond the parent's control, e.g. movement into the Borough.
- 9.7 Pupils are required to start at the school within two weeks of the start date offered by the Headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 9.8 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families' or the academy's circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.

- 9.9 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

10. NURSERY ADMISSIONS

- 10.1 Parents should initially apply for their child to be admitted in the September following their child's third birthday. Subject to the availability of places, successful applicants will be eligible for admission during the term following their third birthday. (See section 10.9)

- 10.2 Pupils are entitled to 15 hours' free provision per week for 38 weeks.

- 10.3 **Admission Limit-** The Admission Limit of the academy determines the maximum number of pupils that can be properly accommodated in a nursery. It is not an arbitrary process, and;
- is assessed in accordance with the Department for Education (DfE) Premises Regulations which take account the nature and type of the school buildings providing for the acceptable amount of space for each pupil, and
 - takes into account the DfE staffing ratio of 1 adult to 13 pupils with at least one adult being a teacher.

- 10.4 Closing and Announcement Dates- The closing date for receipt of applications for nursery in September 2026 is 6 October 2025. Decisions are emailed to parents during November 2025. Late applications are accepted and will be considered after those received by the closing date have been processed.

- 10.5 Applications are considered during the school year and should be submitted by Friday at 5pm during term time. Decisions are normally posted within 2 school weeks.

- 10.6 **Admission to Nursery** - A child who has attained the age of three years on, or before, the 31 August 2025 will normally be admitted part-time to a nursery class from the start of the following school year.

- 10.7 Although the majority of children will only attend one nursery, the minimum period they should attend is one term and parents are required to sign a contract on a termly basis.

- 10.8 Only in exceptional circumstances will a pupil be allowed to transfer between academies/nurseries during a term, ie, where they change their address or there is a change in child care arrangements.

- 10.9 **Early Admission** - Once a pupil has secured a place for September admission, if places are available children may be admitted earlier. Those places will be offered by the academy/school in criteria order as follows;

- a) Children born in the Autumn Term may be able to start in the Spring Term.
- b) Children born in the Spring Term may be able to start in the Summer Term.

If a child attends a nursery 'early', they will normally continue into the nursery in the following September unless there has been a change of address or there is a change in child care arrangements.

- 10.10 **Allocation of Places and Admission Criteria** - This section outlines the criteria to be used to decide upon eligibility for a place where the number of applications exceeds the admission limit.

Having regard to a pupil with an Education Health and Care Plan naming the school in their statement, the criteria for allocating places is listed below in order of priority:

- a) Looked After Children or All Previously Looked After Children
- b) Children who are ordinarily resident in the catchment area of the school. For the purposes of applications received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on the closing date. A child's place on a waiting list is reviewed once the parent has confirmed that the pupil is resident at a different address.
- c) Doncaster Children, living within the same family unit (e.g. step siblings, foster siblings, adopted siblings) who are attending the academy at the point of application (excluding nursery).
- d) Doncaster children who live in the catchment area of an academy without a nursery.
- e) Doncaster children who live in the catchment area of an academy with a nursery.
- f) Children not resident in Doncaster.

If, in any category, there are more children than places available, places will then be determined by reference to order of birth, ie, eldest first.

If there are any children with identical dates of birth, the child living nearest to the academy will be offered the place. The distance is measured in a straight line from the point of the front entrance of the pupil's home, to the entrance nearest to the reception point of the academy building. In the case of split-site academies, it shall be the entrance nearest to the reception point of the site the pupil attends for the purpose of registration.

10.11 Waiting Lists - In the event of a parent being refused admission, the child's name will be placed on a waiting list for the nursery. Waiting lists are held all year in criteria order and by date of birth within criteria (eldest first).

If a place becomes available, it will be offered first to children of current nursery age and then to any children who may be eligible to be admitted 'early'. No priority will be given to the date of receipt of the application.

10.12 Places will only be allocated from the waiting list when the number of pupils in the nursery falls below the Admission Limit. If a place does become available, it will be allocated to the child at the top of the list on the day that the LA receives confirmation of the vacancy.

10.13 Further Information Further, more detailed information about the admission process can be found in the Starting in a Nursery Booklet, available from the academy or the LA as follows: -

11. DEFERRED ENTRY FOR THE ADMISSION OF SUMMER BORN CHILDREN

In December 2014, the Department for Education (DfE) published new guidance regarding the admission of summer born children (those born between 1 April and 31 August). The DfE's guidance is available to view on their website. In response to this guidance and the new statutory requirements in the revised School Admissions Code, Doncaster authority and Exceed Learning Partnership updated their admissions policy to address the options available to parents of summer born children.

The updated guidance published by the DfE (September 2021) School Admissions Code states that

parents of summer born children may choose not to send that child to school until the September following their 5th birthday and may request that they are admitted out of their normal age group – to reception rather than Year 1.

Decisions for the admission of summer born children must be made on the basis of each case and in the best interest of the child concerned. This will include taking into account the views of the parent, information about the child's academic, social and emotional development and where relevant their medical history and the views of a medical professional. Admission authorities must also take into account whether the child has previously been educated out of their normal age group: and whether they may have naturally fallen into a lower age group if it were not for being born prematurely.

11.1 When will my child reach statutory school age?

Children must be receiving full-time education by the start of the term following their fifth birthday.

- For children born between 1 September and 31 December, they reach compulsory school age on 31 December and must be receiving full-time education at the start of the Spring term (i.e. after the Christmas holidays, in January)
- For children born between 1 January and 31 March, they reach compulsory school age on 31 March and must be receiving full-time education by the start of the Summer term (i.e. after the Easter holidays, in March or April)
- For children born between 1 April and 31 August, they reach compulsory school age on 31 August and must be receiving full-time education at the start of the new school year (i.e. after the summer holidays, in September).

11.2 What options do I have available?

In Doncaster, we provide for the admission of all children in the September following their fourth birthday. Parents of non-compulsory school age children (four year olds) may request a pattern of part-time attendance or deferment if that best suits the needs of their child. Parents will be offered the opportunity for their child to:

- start Reception in September on a full-time basis from their first day of attendance or on a part-time basis up to the point of reaching compulsory school age;
- defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the summer term of the school year for which the offer of the school place was made. And for summer born children (those born between 1 April and 31 August) only:
- delay their child's entry to school until they reach compulsory school age and be admitted to Reception rather than Year 1 with their chronological peers. This means that a summer born child would not start school at all during the academic year after their fourth birthday. Details on the process for seeking approval for deferred admission are provided below.

11.3 How do I make the request?

Before deciding to defer your child's admission, you should first contact the school(s) you are interested in applying for. They will be able to explain the provision on offer to children in Reception, how it is tailored to meet the needs of summer born children and how those needs will continue to be met as the children move up through the school. They may also be able to allay any concerns that you may have about your child's readiness for school.

If you still wish to defer your child's admission to school, you must seek approval from the admission authority of each school you wish to apply for.

Type of School	Who is the Admission Authority for the School?
Academy	Academy Trust (Leger Education Trust) delegated to Doncaster MDC
Community	Local Authority
Foundation	Governing Body
Voluntary Aided	Governing Body

For Tortedale Infant Academy within Leger Education Trust, you must complete a Request to Defer Admission Form and discuss your request with the academy directly.

In addition to seeking approval from the admission authority of your preferred school(s), you are also advised to make an application as part of the main admission round for the year group that your child would normally be admitted to school, until a decision on your request has been reached.

As described above, each child's circumstances are considered on a case-by-case basis and a decision will be made in the best interests of the child. The Admission Authority is required to seek the views of the Headteacher of the school concerned.

You will receive a response in writing to your request before the primary national offer date setting out clearly the reasons for the decision.

If your request to defer is approved, you can simply withdraw your application for the normal age group. You will then need to make a new application as part of the main admission round for the following year.

If your request to defer is refused, you will need to decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in-year application for admission to Year 1 for the September following the child's fifth birthday.

11.4 Do I need to provide medical evidence or reports from an educational psychologist?

As detailed above, you may provide evidence to support of request for deferred admission if you wish but it is not compulsory.

11.5 Will all schools agree to my request?

Not necessarily. One admission authority cannot be required to honour a decision made by another admission authority. You must seek separate approval for academies because Doncaster is not the admission authority for these types of establishments.

11.6 Am I guaranteed a place?

Any agreement to defer your child's admission to Reception does not guarantee a place at the preferred school, nor does it provide any additional priority for a place. Your application to the school will be considered alongside all other applications in accordance with the school's published admission criteria. We can however, guarantee that your child will be given a school place. If we cannot offer any of your preferred schools, you will be allocated a Reception place at the nearest school with a vacancy that is willing to accommodate your child's deferred entry. You will have the right of appeal.

11.7 Can I appeal?

Parents who are refused a place at a school for which they have applied have the right of appeal to an independent appeal panel. Further information on appeals can be found on Doncaster Council's Website. As the purpose of the appeals process is to consider whether a child should be admitted to a particular school, parents do not have a right of appeal if they have been offered a place and it is not in the year group they would like. However, they may make a complaint about an admission authority's decision not to admit their child outside their normal age group either using the school's complaints procedures (for Academies).

11.8 What happens when my child transfers to the next level of schooling (either to junior school or secondary school)?

Ideally, your child will remain with the cohort they have been taught with, but this is not guaranteed: at each point of transfer, your request for deferral will be reassessed. Therefore, when your child's natural cohort is applying to transfer to junior or secondary school, you will need to speak to the admission authority of your preferred school(s) to obtain their agreement to continue your child's deferral. If agreed, you would then apply the following academic year (when the other children in your child's class are applying to transfer).

11.9 Does deferring my child's admission impact on when my child can leave school?

Yes. If your child has been deferred, he/she will no longer be of compulsory school age during Year 11 of secondary school and will therefore be able to leave school before completing examinations.

11.10 I'm still not clear, who can I speak to?

Please contact the academy to which your application relates in the first instance.

12. INDEPENDENT APPEALS

If a place is not offered at a preferred academy, parents have the right to appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 school days of receiving the refusal letter to:

Litigation and Education Section
Directorate of Resources
City of Doncaster Council
Civic Office, Waterdale, Doncaster, DN1 3BU

13. GENERAL INFORMATION

- 13.1 **False Information** Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

- 13.2 **Multiple Addresses** Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

14. EXPLANATORY NOTES

i **Common Application Form (CAF)**

This is a form used in the admission process on which parents express preferences for an academy/school or academies/schools at the normal point of admission.

ii **Coordination Admissions Scheme (CAS)**

A scheme, determined by the local authority for ensuring that a single offer of a place is communicated to parent who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions.

iii **Looked-After Children or previously Looked-After Children**

Children who are Looked After Children and all previously Looked After Children A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv **Ordinarily Resident**

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and the waiting list place amended as necessary.

v **Specific Circumstances for Refusal**

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's In-Year Fair Access Policy

Admissions Policy

2026-2027

Introduction

At Travis St Lawrence CE Primary School, we believe that all should have the opportunity to belong, believe, learn and achieve. Our Admissions policy encompasses our vision.

Travis St Lawrence CE Primary School is a Church of England Primary School in the Diocese of Sheffield. It is part of the Diocese of Sheffield Academy Trust.

The school provides a distinctively Christian education for children aged 3 to 11 years.

Historically, Anglican schools were parish schools providing education for the community in accordance with the principles of the Church of England. Thus the majority of Sheffield Diocesan schools were established to provide education for the children of the parish within a Christian context. The two aims of being 'distinctively Christian' and 'serving the local community' are reflected in the school's admission criteria.

Travis St Lawrence CE Primary School is a Voluntary Aided Primary School in which the Trust is the Admission Authority and responsible for admissions. It is guided in that responsibility by the requirements of the law, the school trust deed, by advice from the Sheffield Diocesan Board of Education and its duty to the community.

This policy should be read in conjunction with the rest of this booklet.

Reception Class Admissions

The admission number for this year is 60.

Children will usually be admitted during the autumn term following their 4th Birthday.

However, parents can request:

- a) That the date their child is admitted to school is deferred until later in the year or until the term in which the child reaches compulsory school age (Please note that parents cannot apply for and accept a Reception place and then defer that place until the beginning of year 1).
- b) That their child take up the place part-time until the child reaches compulsory school age.

Nursery Class Admissions

The admission number for this year is 39.

Parents should initially apply for their child to be admitted in the September following their child's third birthday. Subject to the availability places, successful applicants will be eligible for admission during the term following their third birthday.

Pupils are entitled to 15 hours free provision per week for 38 weeks.

Please contact the school office or email admin@tsl.dsat.education for additional information on how you can access extended hours. Information is also available regarding charges for these and arrangements.

Closing and Announcement Dates

The closing date for receipt of applications for nursery will be 31 October 2025. Late applications are accepted and will be considered after those received by the closing date have been processed.

Admission to Nursery

A child who has attained the age of three years on, or before, the 31 August will normally be admitted part-time to a nursery class from the start of the following school year.

Only in exceptional circumstances will a pupil be allowed to transfer between schools during a term i.e. where they change their address or there is a change in child care arrangements.

Early Admission

Once a pupil has secured a place for September admission, if places are available children may be admitted earlier. Those places will be offered by the school in criteria order as follows;

- a) Children born in the Autumn Term may be able to start in the Spring Term.
- b) Children born in the Spring Term may be able to start in the Summer Term.

If a child attends a nursery 'early', they will normally continue into the nursery in the following September unless there has been a change of address or there is a change in child care arrangements

Please contact the school if you need help in completing the Common Application Form or Supplementary Information Form

Making an Application

1. Applications are made on the **Common Application Form**
2. To support your application to Travis St Lawrence CE Primary School, please complete the **Supplementary Information Form**. This is not an application

form for admission to school but will be used by school when applying the admissions criteria.

3. The **Common Application Form** should be submitted by the closing date for applications along with the **Supplementary Information Form** (if applicable)

Criteria For Admission

PLEASE NOTE: Children who have a statement of special educational need that names the school as the most appropriate educational setting will gain a place at the school through the EHCP process. EVIDENCE OF THE CHILD'S EHCP MUST BE PROVIDED.

Oversubscription Criteria

Please see Definitions on page 4, Brother/Sister, Parent/Carer, Regular Church Attendance, Churches Together in England, Looked After Children to assist with your application.

Where there are more applications for admission than the planned admission number stated, the Trust /Admission committee will apply the following admission criteria in strict order of priority:

1. **Children in care** (looked after children) **and children who were previously in care/looked after** (see definition 5).
2. **Children who have an older brother or sister** (see definition 1) **attending the school at time of anticipated admission.**
3. **Children whose parents/carers who reside in the ecclesiastical parish of St Lawrence, Hatfield.**
4. **Children who regularly attend the ecclesiastical parish of St Lawrence, Hatfield. (See definition 3) but reside outside the ecclesiastical parish of St Lawrence, Hatfield.**

5. **Children whose parents/carers reside outside the ecclesiastical parish of St Lawrence, Hatfield and regularly (see definition 3) attend another Christian denomination church participating in “Churches Together in England” (see definition 4).**
6. **Children of staff of the school (see definition 6)**
7. **All other children.**

Should the admission number be reached mid category, applications in that category will be prioritised on the shortest distance measured in a straight line from the point of the front entrance of the pupil's home address (including flats), to the main pupil entrance of the school on Cuckoo Lane, lower site, with those living closer to the school receiving higher priority.

Tie Break

In the event of there being insufficient vacancies to admit all applications in any of the categories detailed above, priority will be given to children whose parent/legal guardians' residential address is the shortest distance from the school entrance on Cuckoo Lane, Lower site.

In Year Transfers

We will work closely with Doncaster Local Authority to co-ordinate in year transfers for our school.

FOOTNOTE

The school number has been calculated according to the net capacity of the school which the law defines and had been agreed with the Local Authority.

DEFINITIONS

1. Definition of brother or sister

Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child should be living in the same family unit at the same address.

2. Definition of parent/carer

A parent/carer is any person who has parental responsibility. Where admission arrangements refer to 'parents/carer attendance at church' it is sufficient for just one parent/carer to attend. 'Family members' include only parents and siblings.

3. Definition of regular attendance at Church

Regular attendance by parents/carers is defined as attendance at a Church of England church or another Christian denomination participating in 'Churches Together in England' for at least twice a month over the last 12 months.

For those who have moved into the area less than twelve months ago, the name of the vicar/priest, telephone and address details of the church attended prior to moving need to be provided, in addition to completing the supplementary form.

Parents/carers whose application is based on attendance at a church of Christian denomination should submit the Minister of Religion Reference Form available with the Common Application Form.

4. Definition of Churches Together in England

The Christian denominations participating in 'Churches Together in England' can be found on the CTE web site <https://cte.org.uk/>

Please refer to this website for an up-to-date list, found in their menu. This may be termed 'Member Church Directory' or 'List of Participating Churches.'

5. Definition of a looked after child

A looked after child is a child that is in the care of a local authority, or being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children's Act 1989) at the time an application for admission to the school is made and who the local authority has confirmed will still be looked after at the time when he/she is admitted to the school.

A previously looked after child is a child who was adopted or became subject to a residence or special guardianship order immediately following having been looked after.

6. Definition of children of staff at school

Children of staff

- a) Where the member of staff is employed at the school at the time at which the application for admission to the school is made and/or
- b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skills shortage.

PLACE OF RESIDENCE

A child's home address refers to the address where the child usually lives with a parent or carer. This will be the address provided in their application form. Where parents have a shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in their application form, provided that the child resides at that address for any part of the school week.

LATE APPLICATIONS

Late applications will be dealt with in accordance with the Local Authority scheme.

WAITING LISTS

1. Names of children will automatically be placed on the waiting list for this school when the child has been refused admission.
2. A vacancy only arises when the number of offers to the school falls below the admission number.
3. The waiting list will be established on the offer day.
4. The waiting list is determined according to the Trust's priority of admission over-subscription criteria.
5. Following the offer day, should an application be received for the school where the pupil has a higher priority, as determined by the admissions criteria for a place at the school, they will be placed on the list, above those with a lower priority.

FALSE INFORMATION

1. Where the Trust has made an offer of a place at this school on the basis of a fraudulent or intentionally misleading application from a parent/carers, which has effectively denied a place to a child with a stronger claim to a place at the school, the offer of a place will be withdrawn.
2. Where a child starts attending the school on the basis of fraudulent and intentionally misleading information, the place may be withdrawn depending upon the length of time that the child has been at the school.

3. Where a place or an offer has been withdrawn, the application will be re-considered and a right of independent appeal offered if the place is refused.

Applications outside the normal admissions round will be dealt with in accordance with the Local Authority procedures. The class size limit of 30 is adhered to when allocating places.

APPEALS AGAINST THE TRUST'S DECISION TO REFUSE ADMISSION

1. If a place is not offered at the school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents by the Local Authority.
2. Parents who intend to make an appeal against the Trust's decision to refuse admission must submit a notice of appeal within 20 school days of receiving the refusal letter to:

1. Background

Venn Academy Trust schools:

Doncaster schools

Adwick Primary School
Brooke Primary Academy
Marshland Primary Academy
New Pastures Primary School

Hull schools

Griffin Primary School
Mountbatten Primary School
Thorpepark Academy

The Academy Trust is the admission authority and is responsible for setting admission arrangements.

The Local Authorities of Hull and Doncaster continues to be responsible for coordinating all admissions in their area and making offers of places.

Further details on how to apply for a school place can be found at www.hullcc.gov.uk/admissionsfor Hull schools and at admissions@doncaster.gov.uk for Doncaster schools.

2. Admission arrangements

The admission arrangements explain how children will be admitted into Reception (FS2) in Venn schools at the beginning of the school year in September. It also explains how children from Reception to Year 6 are admitted outside the normal admission round, known as an “In-year transfer”.

It also explains the procedure if a school is oversubscribed.

The admission arrangements set out how many children the schools will admit and how they will decide which applicants will qualify for places if the number of applications is more than the number of places available.

Applications for pupils having Education Health Care Plan (EHCP) will be dealt with in accordance with the Code of Practice on Special Educational Needs. When a school is named in a child’s EHCP, following consultation with the Head and Governors, the governing body is required to admit the pupil.

If there are fewer applications than places available, all applicants will be allocated a place.

After the allocation of pupils with an EHCP, where the number of applications is greater than the remaining places the following criteria will be applied in the order set out below in the academic year 2026-2027:

1. Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children). Children who were previously looked after but ceased to be so because they were adopted, have a child arrangement order or a special guardianship order. Including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care because of being adopted” (see notes (i) and (v)).
2. Being resident in the catchment area of the school (see note (ii)).
3. Having a brother or sister who will be attending the school at the expected time of admission (see note (iii) below).
4. Geographical, with priority given to those living nearest to the school (see notes (iv) and (iii) below).

Criteria 4 will be used as a tie breaker for other criteria after the allocation of children with an EHCP and Looked After children if the school is full from within any of the other admission criteria.

Notes

- (i) A looked-after child is defined in Section 22 of the Children Act 1989
- (ii) Residence is defined as the normal family address where the child resides. Where parents live at separate addresses and have joint custody, the address used will be the one where the child spends the main part of the school week. Childcare arrangements involving relatives' addresses do not qualify as normal family addresses for this purpose unless there is a court Residence Order in place.
- (iii) Brothers and sisters include children with the same natural parents living at the same address children with the same natural parents living at different addresses (e.g due to separation of natural parents) half-brothers/sisters living at the same address stepbrothers/sisters living at the same address - children living as part of the same family unit with their parents/guardians at the same address.
- (iv) The measurement of distance is the shortest available safe route for pedestrians along footpaths, using footpaths alongside roads marked on the current street map of the city. Front entrance of home property (residence) to main entrance of school site is used. This refers to a child living outside the defined catchment area. Distances are measured using the local authority's computerised mapping system.
- (v) The highest priority must be given to looked after children and children who were looked after but ceased to be so because they were adopted or became subject to a residence order or special guardianship order. Further references to previously looked after children in the Code means children who were adopted (or subject to residence orders or special guardianship orders) immediately following having been looked after.

3. Appeals

Any parent refused a place will be offered the right to appeal against the decision. This is likely to occur when the year group is full.

An appeal form and guidance will be included with the allocation letter. The completed form should be returned to the admissions team by the date specified on the appeal form.

An appeal will be heard before an independent appeals panel and will be managed by the Local Authority.

Appeals for normal round admissions will be heard within 40 academy days of the closing date for appeals by an independent appeal panel arranged locally and 30 days for in-year admissions.

If a child is refused admission to the school the child's name is placed on a waiting list.

The waiting list is based on the published criteria.

All names are kept on that list until at least the end of the Autumn term of that year.

The list is maintained by the Local Authority Admissions Team.

5. Deferred entry

Parents may defer the date their child is admitted until later in the year, but not beyond the point at which the child reaches compulsory school age, and not beyond the beginning of the final term of the school year in which the place was offered. Where parents wish, a child may attend part-time until later in the year, but not beyond the point at which the child becomes statutory school age.

6. Request for the admission of a child outside the normal age group

Parents may request a place for their child outside of their normal age group. Any parent asking to do so must make this clear at the time of application and the reasons for the request.

7. A child who is in the school nursery currently

A child in the school nursery is not entitled to a place in the school automatically.

8. Published admissions number

The published admission number for the school year 2026-2027:

Primary School	Published admission number
Brooke	60
Griffin	60
Marshland	30
Mountbatten	45
New Pastures	40
Thorpepark	60
Adwick	60

Admissions Policy 2026/27

Douglas Road, Doncaster, DN4 0UB

1. Admission Authority

Astrea Academy Trust is the admission authority for the school.

2. Published Admission Number (PAN)

The School has a PAN of **40** for entry in Reception.

The School will admit this number of pupils if there are sufficient applications. Where fewer applicants than the published admission number for the relevant year group are received, the Academy Trust will offer places at the school to all those who have applied.

The number above is often the indicative admission number for subsequent year groups. From time to time, however, the true capacity of these year groups might vary, and the Trust is entitled to limit the indicative admission number to a number below forty where there are clear grounds to do so.

3. Application Process and Timeline

Normal Round (for entry into Reception in September)

- Applications made during the main round for a place at the school are administered through Doncaster Metropolitan Borough Council ("**the LA**"). Parents resident in the Doncaster area can apply online at:
<https://www.doncaster.gov.uk/services/schools/primary-admissions>
- Parents in other LA areas must apply through their home LA.
- The LA's timetable will be used for all normal round applications each year.
- The deadline for an application for a place in Reception is **15th January**, the year that your child will start school.
- Offers will be made by the LA, on behalf of the school, on **16th April** or the next working day.

4. Nursery Admission

The School has a number of nursery places – see the school website for further information.

The School does not give priority for reception places within the admissions criteria to children who attend the nursery. To do so would give an unfair advantage to children whose parents are able to take advantage of a nursery place at the school in comparison to those who have to attend other providers.

Parents will need to apply for a reception place via the process mentioned in clause 3 if they would like their child to be considered for a place. All applicants will be considered as per the admissions criteria clause 6.

5. In Year Admission

- Applications for a place outside the main round are known as “in-year” applications. For example, if a Year 3 child moves into the area, an in-year application will be made.
- Astrea Academy Trust reserves the right to administer in-year admissions to the school. However, by agreement with the LA, the LA will administer these applications and parents should use the link provided above.

6. Oversubscription criteria

When the school receives more applications than places available, after the admission of pupils with an Education, Health, and Care Plan (**EHCP**) which name the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

- a) Looked After Children** and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.¹

¹ **Children who are Looked After Children and all previously Looked After Children**
Children who are Looked After Children and all previously Looked After Children
A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

- b) Catchment Area** - Children who normally reside with a parent or person with parental responsibility in the defined catchment area.
<https://www.doncaster.gov.uk/services/schools/school-catchment-areas>
- c) Siblings** - Children who normally reside with a parent or person with parental responsibility in the defined catchment area and who will have a brother or sister (including step or half brother or sister) at the preferred school on the proposed date of admission and who lives at the same address as the child for whom the application is being made.
- d) Children of staff in skills shortage posts** - Children of staff at the school recruited to fill a skill shortage post – this will be subject to confirmation by the Astrea Executive Board that, on the evidence available, the post does indeed relate to a skills shortage in the area.
- e) Distance** - Children living nearest the school; the distance to be measured by a straight line between the centre point of the child's ordinary place of residence and the main entrance to the school building.

7. Tiebreaker for Equi-distant Applications

Where the offer of the last place in the relevant year group could be made for a number of eligible children resident equi-distant from the school the determination of the single offer will be by Random Allocation which will be managed by the LA.

8. False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the LA of their circumstances as they apply to the admission criteria at the time of application.

9. Notes

- a) Home address** - The home address is where a child normally lives. *See LA booklet for definition.*
- b) Shared parental responsibility** - Where parents are separated and the child lives with each parent for part of the week, the home address will be the one where the child spends the majority of his or her time. *The School will follow the policy used by the LA.*
- c) Multiple births** (twins, etc.) - In the case of multiple births or siblings in the same year group, where there is only one place available in the school, all will be considered together as one application.
- d) Service children and Crown servants** - For families of service personnel with a confirmed posting to their area, or crown servants returning from overseas to live in that area, the Authority will allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against their oversubscription criteria. The Trust will not refuse a service child a place because the family does not currently live in the area.

10. Late applications

All applications received after the deadline will be treated in accordance with the LA's policy on late applications.

11. Deferred entry for infants

Parents offered a place in reception for their child have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

12. Admission of children outside their normal age group including Summer Born children (born between 1 April – 31 August)

Applications for children to be admitted to a school year outside of their chronological age group should be submitted to the home LA during normal round admissions, or to the LA as described above regarding the in-year admissions process clause 5. Each application will be considered and decided by the school on the individual circumstances of each case.

Applicants should provide documentation in support of their application regardless of whether they are asking for the child to be admitted in a lower or higher year group.

The School will take into account the parent's views; information about the child's academic, social, and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The School will consider the information provided, taking into account the views of the head teacher, and will inform the parent in writing of their decision, including the reason. If the school agrees to this request the child will be considered with the other applicants under the published oversubscription criteria for the admission year and year group that they are applying for.

Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school, but it is not in their preferred age group.

13. Waiting lists

The School will operate a waiting list for each year group. This will be maintained by the LA unless it is agreed that the LA will no longer have responsibility for in-year admissions.

Children's position on the waiting list – and any offers made as places become available – will be determined solely in accordance with the oversubscription criteria. This means that the waiting list is not a 'queue' and it is possible to move down as well as up the waiting list if additional applications are received for children with higher priority.

The waiting list will operate for the full academic year. If at the end of the academic year a parent would like their child to be considered for entry to the subsequent year group, they will be required to apply afresh, see clause 5.

The Reception entry waiting list will be open until 31 December. All children who have not been offered a place at the school or where the school is ranked higher than the school where an offer was made will automatically be placed on the waiting list. Parents who would like their child to remain on the waiting list after the 31 December will need to contact the LA, see clause 5.

14. Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Further information and contact details will be included in any refusal letter.

15. Fair Access Protocol

The School will participate in the LAs Fair Access Protocol which will be used to place vulnerable and /or hard-to-place children, where they are having difficulty securing a school place in-year, and it can be demonstrated that reasonable measures have been taken to secure a place through the usual in-year admission procedures. Children admitted under this protocol will be prioritised over those on the in-year waiting list.

Admission Arrangements for West Road Primary Academy 2026/27 School Year

- 1 These are the admission arrangements for the 2026/27 school year.
- 2 Unless delegated to the Local Authority, only the Governing Body is able to decide who is eligible for a place at the school. Neither the Headteacher nor their representatives are able to offer a school place.

General Statement

- 3 In Doncaster, each school serves a local community, usually referred to as the 'catchment area'. These arrangements reflect the philosophy that 'efficient education' is particularly fostered by closely associating a secondary school and a group of linked primary schools, in a pyramid. In this way, the school becomes part of the provision for a community and the education of the community's children benefits greatly from the association of its schools.

Admission Number

- 4 The admission number for the school is **50**. A school must have an admission number for each 'relevant age group', defined in law as 'an age group in which pupils are or will normally be admitted to the school in question'. The admission number for each year group is set with regard to the capacity assessment for the school taking into account the nature and type of the school buildings and provides for an acceptable amount of space for each pupil. Therefore, the admission number is set to benefit the children who are taught in the school and those who teach and support them. Where necessary, the Governing Body consults with the LA.
- 5 Before making a final decision, the Governing Body considers the number, and size, of classes or registration groups planned. These are determined within resources available. Where this results in places in excess of the admission number being available, places are offered strictly in criteria order.
- 6 In the case of the year of entry, a child may not normally be refused admission on the grounds of prejudice to efficient education or the efficient use of resources unless the number of applications for admission exceeds the admission number or a child is offered a school which is ranked higher on a Common Application Formⁱ (CAF) under a Coordinated Admission Schemeⁱⁱ (CAS).

Expressing A Preference - Year of Entry

- 7 Applications for admission to a schools year of entry should be made in accordance with the relevant CAS.

Closing Date For Receipt Of Parental Preferences

- 8 The closing dates for receipt of preferences for the year of entry are in accordance with the Authority's CAS.

Late applications are processed in accordance with the relevant CAS.

Eligibility For A Place At A School - Oversubscription Criteria

- 9 This section outlines the criteria to be used to decide upon eligibility for a place where the number of preferences exceeds the admission limit.

Preferences for each school will be sorted in the order of the criterion outlined below. Each of the remaining criterion are applied in order of priority as tie breakers, with criterion d) being the final tie breaker.

a) Looked After Children or all Previously Looked After Childrenⁱⁱⁱ

b) Catchment Area

Children who are ordinarily resident^{iv} in the catchment area of the school.

For applications for the year of entry received by the closing date, a catchment area school will be determined in relation to the address at which the pupil is ordinarily resident on that date. Once a waiting list is formed, a child's place on that list will be updated in light of any new address.

c) Siblings

Children who are living within the same family unit (e.g. stepchildren) who will be attending the requested school, (excluding nursery), at the point of admission. Where the requested school is an infant or junior school, attendance at a linked infant or junior school will be included.

Where a place is only available for one child from a multiple birth i.e. twins, each child will be offered a place.

d) Proximity

Children who live nearest to the requested school measured in a straight line from the centre point of the child's ordinary place of residence ^{iv}, to the entrance nearest to the reception point of the school.

If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal (e.g. in the case of flats), places will then be decided by Random Allocation.

Measurements will be made using EMS for Windows provided by Capita Education Services and/or ArcView GIS provided by Environmental Systems Research Institute Inc or suitable substitute.

The Offer Of A Place At A School

- 10 Decisions will be posted to parents in accordance with the Authority's CAS.

Unsuccessful Applications

- 11 Any parent whose child is not offered a school place for which they have expressed a preference has the right to an independent appeal.

Waiting Lists

- 12 Pupils will be added to the waiting list(s) of community schools where they were refused a place and those schools were ranked higher on the CAF than the place offered. Places on the waiting list will be strictly prioritised in criteria order given above and will operate until the end of the autumn term.
- 13 Places will only be allocated from the waiting list when the number of pupils falls below the Admission Limit of the school. Whilst the waiting list is in operation, when a place does become available it will be allocated to the child at the top of the list on the day that written confirmation of the vacancy is received.

In Year Transfers

- 14 Applications for admission outside of the normal admission round (In Year Transfers) are normally considered each school week. They should be made on the official application form.
- 15 Where there are sufficient places an application will normally be agreed unless specific circumstances apply^v.
- 16 Where there are insufficient places for the number of applicants, all applications will be ranked in accordance with the criterion listed above and places awarded accordingly.
- 17 Where a place is not available, the application will normally be refused and the applicant will be offered the right of appeal to an independent appeals panel.
- 18 If a place is agreed, the Headteacher will, within two weeks of a place being offered, determine a start date.
- 19 Pupils are normally admitted to a school at the start of the next new term other than with the prior approval of the Headteacher of the school or in circumstances beyond the parent's control, e.g. movement into the Borough.
- 20 Pupils are required to start at the school within two weeks of the start date offered by the Headteacher and places cannot be held open beyond this period. Applicants must be in a position to take up a place within this stated period.
- 21 Repeat applications made for entry to the same year group at the same school will not be considered, unless there has been significant and material change to either the families or the schools circumstances, since a previous application, and this is relevant to the application for admission. Where information was known at the time of the

original application or appeal, but parents chose not to use it, this will not be considered as additional information or a change in circumstances.

- 22 In accordance with DfE requirements, where a Fair Access Protocol has been adopted by the Council, pupils may be admitted under this protocol outside of the normal admission arrangements noted above.

Independent Appeals

- 23 If a place is not offered at a preferred school parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents with their decision.

Parents who intend to make an appeal should normally submit a notice of appeal within 20 days of receiving the refusal letter to:

Litigation and Education Section, Directorate of Resources, Doncaster Council, Civic Office, Waterdale, Doncaster, DN1 3BU

General Information

False Information

Any place offered on the basis of a fraudulent or intentionally misleading application will be withdrawn, e.g. giving a false address. It is for parents to satisfy the admission authority of their circumstances as they apply to the admission criteria at the time of application.

Multiple Addresses

Where a child is resident with parents at more than one address, the address used for admission purposes shall be the place at which the child spends the majority of the school week (Monday to Friday) during term time. Where there is a clear 50/50 split, parents should decide.

Explanatory Notes

i Common Application Form (CAF)

This is a form used in the admission process on which parents express preferences for a school or schools at the normal point of admission.

ii Co-ordinated Admissions Scheme (CAS)

A scheme, determined by a local authority, for ensuring that a single offer of a place is communicated to parents who have applied for places during the normal admission round. Separate schemes apply in the case of primary and secondary admissions. ⁱⁱⁱ **Looked**

After Children or Previously Looked After Children

Children who are Looked After Children and all previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked

after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

iv **Ordinarily Resident**

Reference to where a child is ordinarily resident means that they are habitually and normally resident at their address, other than for occasional absences, for a settled purpose which is not solely to receive education. This will only be considered when they are living at their new address and waiting list place amended as necessary.

v **Specific Circumstances For Refusal**

An application will normally be agreed if there are sufficient places unless specific circumstances apply, as outlined in the School Admissions Code, or the Local Authority's In Year Fair Access Policy.
