Working Together

Supporting young people with a learning disability aged 14-25 years old to get ready to become an adult and know their rights

Our promise to you

We will help you to lead happy, healthy and independent lives. We will help you to keep links with your families and communities

**Good health and wellbeing
Our promise to you is:**

We will share information about the local activities you can join.

We will offer short breaks that are fun and include ways to keep fit.

We will help you to think about healthy eating.

We will provide you with information that will help you.

Jobs and Careers – Our promise to you is:

We will listen to you about what's important to you about your future and having a job.

We will make sure your annual reviews and support plans are in place from Year 9.

We will make sure professionals work together with you, and listen to what you say about getting a job.

We will make sure local employers know what to put in place to help you to do your job.

We will give you information about welfare benefits and rights to work and rights in work.

Independent Lives – Our promise to you is:

We will let you know what support is available to help you be as independent as possible.

We will give you information and talk to you about welfare benefits you can claim.

We will help you to find information about housing and what choices you have.

We will listen to you about the support you would like.

We will help you to use local transport and be able to travel.

Friends, family and communities – Our promise to you is:

We will tell you about local activities you can join in with in your local area.

We will help you with your friendship groups in your school to help you learn.

We will help you to stay in touch with your friends.

We will listen to young people living in Doncaster and what matters to you and your friendships.

Doncaster Council's promises have been approved by and for young people with a learning disability aged 14 years to 25 years

Working Together

We will work together with you to make sure our help is useful as you become an adult.
