Subject: FOI Response

Dear Sir/Madam,

Thank you for your Freedom of Information request dated 11 June 2025 for information about DASH risk assessments. Please find below City of Doncaster Council's responses to the questions you have raised.

1. Is the DASH RIC used by your organisation as part of services (e.g. domestic abuse provision, victim support)?

Response: Yes

2. Is the use of DASH RIC a standard provision or a requirement in contracts with third-party providers of relevant services (e.g. domestic abuse services, sheltered housing)?

Response: Standard provision

3. If the DASH checklist is used by your organisation, which organisation or organisations provide the training that includes DASH training? (e.g. Domestic Abuse Matters training)

Response: In house training

4. What is the cost to your organisation of such training? Please break this down by financial year over the last five years, as well as by organisation (if more than one organisation provides the relevant training).

Response: The Council employs a part time Workforce Development Officer to deliver all domestic abuse training across the Council and wider domestic abuse partnership. It is not possible to provide a unit cost just for the DASH training.

I hope that this information is useful to you.

The City of Doncaster Council estimates that it has cost £49 to respond to this request for information.
