Subject: FOI Response - [REDACTED]

Dear [REDACTED],

Thank you for your Freedom of Information request dated 22 August 2023 for information about Afghans owed a homelessness prevention duty. Please find below City of Doncaster Council's responses to the questions you have raised.

1. The total number of Afghans that were housed in temporary accommodation in your local authority as of April 2023 after being resettled under the Afghan Relocations and Assistance Policy scheme or the Afghan Citizens Resettlement Scheme.

Response: It has been decided this information is exempt from disclosure under Section 40(2) of the Freedom of Information Act 2000. The information requested is third party personal data (i.e. personal data about someone other than you). Section 40(2) provides that information which is third party personal data is exempt from disclosure if one of three conditions is satisfied. In this case, disclosure would contravene one of the data protection principles as the Council believes that the release of any such information and low figures in this regard could lead to the identification of an individual who otherwise would not expect their personal information to be released into the public domain.

2. The total number of Afghans who were housed in temporary accommodation under either of the above schemes in your local authority who are now owed a homelessness prevention duty or relief by you.

Response: 0

3. If possible, please tell me how many of (2.) are children.

Response: Not applicable

4. The total number of Afghans who were housed in temporary accommodation under either of the above schemes in your local authority who the council have prevented or relieved from homelessness.

Response: 0

I hope that this information is useful to you.

The City of Doncaster Council estimates that it has cost £42.50 to respond to this request for information.
