Subject: FOI Response - [REDACTED]

Dear [REDACTED],

Thank you for your Freedom of Information request dated 2 August 2023 for information about public premises. Please find below City of Doncaster Council's responses to the questions you have raised.

Request

Please can you provide a list of the names of all organisations, premises, and venues that will meet the conditions as stated in Section 2 - Qualifying public premises, i.e. that have a public capacity of 100 or more individuals?

If that's not possible due to the law not yet being enacted, please can you instead provide a list of the names of all organisations, premises, and venues that have a premises licence and a public capacity of 100 or more?

Response

The City of Doncaster Council only requires applicants for premises licenses to state whether their venue will have a capacity of over 5000. There is one venue which meets this criteria which is Doncaster Racecourse, Leger Way, Intake, Doncaster, DN2 6BB.

I hope that this information is useful to you.

The City of Doncaster Council estimates that it has cost £42.50 to respond to this request for information.
