Subject: FOI Response - [REDACTED]

Dear [REDACTED],

Thank you for your Freedom of Information request dated 31 July 2023 for information about Pupil referral Units. Please find below City of Doncaster Council's responses to the questions you have raised.

Request

The total capacity of Pupil Referral Units in Doncaster at the date of the May 2023 census and the date of the January 2023 census.

For the same dates could you stipulate the total number of pupil enrolments in Pupil referral Units within your council including both single registered and dual registered pupils. This should give me two numbers for each date: first the capacity number (e.g. 100) and second the actual number of enrolments (e.g. 80).

Because of the nature of single and dual registered pupils, if possible could you include a third number for each date – the number of full-time equivalents on-roll. If your PRU does outreach into schools, could you also include this number and add it to the number of full-time equivalents enrolled with the PRU.

Response

Spring 2023:

- Capacity 140
- 31 pupils on current/main registration
- 207 pupils on roll including subsidiary registration

Summer 2023:

- Capacity 140
- 29 pupils on current/main registration
- 215 pupils on roll including subsidiary registration

We do not hold data on full-time equivalence.

I hope that this information is useful to you.

The City of Doncaster Council estimates that it has cost £42.50 to respond to this request for information.
