Subject: EIR Response -

Dear 

Thank you for your Environmental Information Regulations request dated 15 August 2024 for information about flood defences and maps. Please find below City of Doncaster Council's responses to the questions you have raised.

1. A map detailing what assets Doncaster Council owns, operates and / or maintains at Nursery Lane and Lower Sprotbrough in Doncaster (within the red lines shown on the attached map image), including those for pumping or drainage of surface or foul water.

Response: Please find this attached.

2. Any correspondence and / or reports concerning the construction of the flood defence wall (block and sheet piling) at Lower Sprotbrough in or around August 2022.

Response: This information is not held by City of Doncaster Council. The flood defence wall is an Environment Agency asset, therefore they may hold this information.

3. Any correspondence and / or reports concerning the construction of the ramped access (marked with a red "X" in the attachment) through the wall between Nursery Lane car park and River Don, which we understand took place some 15 years ago.

Response: This information is not held by City of Doncaster Council. The ramped access is a Canals and River Trust asset, therefore they may hold this information.

I hope that this information is useful to you.

The City of Doncaster Council estimates that it has cost £147 to respond to this request for information.

Reviewing any decisions made:
