Please find below City of Doncaster Council's responses to the questions you have raised.

Request:

"I am requesting the following information under the Freedom of Information Act.

The information concerns the government's school rebuilding programme - <https://www.gov.uk/government/publications/school-rebuilding-programme-schools-in-the-programme> - and the schools nominated by your organisation that were not selected (see column H of the attached spreadsheet).

Please could the council provide the funding applications made under the programme for each of the schools nominated by the council that were not selected. Commercially confidential data can be redacted.
