[REDACTED]

Thank you for your Freedom of Information request dated 27 February 2024, for information about Elective Home Education data.

Please find below City of Doncaster Council's responses to the questions you have raised.

Request:

1) The number of school pupils who were newly registered as EHE each academic year for:

2018-19

2019-20

2020-21

2021-22

2022-23

2023-24

Response:

City of Doncaster Council does not hold information for the following academic years.

2018-19

2019-20

2020-21

2021-22

This is because of a change in the recording system therefore we are unable to access these figures for previous years, only the ones recorded above.

The number of school pupils who were newly registered as EHE each academic year for following academic years is as follows:

2022-23 = 480

2023-24 = 436

Request:

2) If time allows, please could you also provide the total number of school pupils who were registered for EHE in each of the same academic years (this time the total number rather than just those newly registered).

2022-2023

2023- 2024

Response:

2022-2023 = The total number of school pupils who were registered for EHE in 2022-2023 is 1105.

2023-2024 = The total number of school pupils who were registered for EHE in 2023-2024 is 1020.

Request:

3) Additionally, if time allows, please could you provide the number of pupils who have moved from elective home education back into school in the same academic years?

2022-2023

2023-2024

Response:

2022-2023 = The number of pupils who have moved from elective home education back into school in 2022-2023 is 96.

2023-2024 = The number of pupils who have moved from elective home education back into school in 2023-2024 is 56.
