Thank you for your Environmental Information Regulations request dated 21 February 2024, for information about planning applications in Doncaster.

Request:

"I am requesting information under the Freedom of Information Act 2000. Could you please provide a csv (or xlsx) file containing the following information on all individual planning applications from Jan 1 2010 to Dec 31 2023?

Columns:

- Planning application number/reference
- Easting
- Northing
- Postcode
- Address
- Ward
- Parish (if applicable)
- Current application status
- Application outcome (if applicable)
- Consent type (eg. Full, Outline, Reserved Matters, etc.)
- Development category (eg. major dwellings, minor dwellings, any other category of new dwellings)
- Number of dwellings created (if possible and applicable)
- Development proposal summary (if it exists)
- Date received
- Decision date
- Date validated
-

Please define any/all ambiguous variables in the dataset (eg. 1: minor dwellings application).

I understand that your authority already offers a planning search tool which contains much of this information. However, this tool limits the number of applications displayed, making the fulfilment of my particular request infeasible. I also understand that your authority publishes summaries of applications with some of these variables. However, I require individual geo-linked observations.

For reference, South Somerset District Council already provided an analogous file which was perfect for my purposes (link [here](#))."

Response:

Please find attached the information you have requested.

I hope that this information is useful to you.
