

## **Independent auditor's report to the members of City of Doncaster Council**

In our auditor's report issued on 8 December 2023, we explained that we could not formally conclude the audit and issue an audit certificate for City of Doncaster Council ('the Authority') for the year ended 31 March 2023 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice, until we had:

- completed our work on the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources. We have now completed this work, and the results of our work are set out below; and
- completed the work necessary to issue our Whole of Government Accounts Component Assurance statement for the Authority for the year ended 31 March 2023. We have now completed this work.

### **Opinion on the financial statements**

In our auditor's report for the year ended 31 March 2023 issued on 8 December 2023 we reported that, in our opinion the financial statements:

- give a true and fair view of the financial position of the group and of the Authority as at 31 March 2023 and of the group's expenditure and income and the Authority's expenditure and income for the year then ended;
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23; and
- have been prepared in accordance with the requirements of the Local Audit and Accountability Act 2014.

No matters have come to our attention since 8 December 2023 that would have a material impact on the financial statements on which we gave this opinion.

## **Report on other legal and regulatory requirements – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources**

### **Matter on which we are required to report by exception – the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources**

Under the Code of Audit Practice, we are required to report to you if, in our opinion, we have not been able to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2023.

We have nothing to report in respect of the above matter except on 10 January 2024, we identified a significant weakness in how the Authority plans and manages its resources to ensure it can continue to deliver its services. This was in relation to the Authority's Dedicated Schools Grant (DSG) deficit, which increased by £6.2 million during 2022-23 to £19.9 million at 31 March 2023. The Authority projects that this deficit will increase to £38.6 million by 31 March 2027. The Council has implemented a range of actions to manage its DSG overspend. However, a greater demand for services coupled with rising costs has meant these actions have not addressed the increasing deficit. We recommended that the Authority take action to control and reduce the DSG deficit during 2023-24 and beyond, with the aim of eliminating the deficit completely by 31 March 2027.

### **Responsibilities of the Authority**

The Authority is responsible for putting in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

## **Auditor's responsibilities for the review of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources**

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to be satisfied that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

We undertake our review in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in January 2023. This guidance sets out the arrangements that fall within the scope of 'proper arrangements'. When reporting on these arrangements, the Code of Audit Practice requires auditors to structure their commentary on arrangements under three specified reporting criteria:

- Financial sustainability: how the Authority plans and manages its resources to ensure it can continue to deliver its services;
- Governance: how the Authority ensures that it makes informed decisions and properly manages its risks; and
- Improving economy, efficiency and effectiveness: how the Authority uses information about its costs and performance to improve the way it manages and delivers its services.

We document our understanding of the arrangements the Authority has in place for each of these three specified reporting criteria, gathering sufficient evidence to support our risk assessment and commentary in our Auditor's Annual Report. In undertaking our work, we consider whether there is evidence to suggest that there are significant weaknesses in arrangements.

## **Report on other legal and regulatory requirements – Audit certificate**

We certify that we have completed the audit of City of Doncaster Council for the year ended 31 March 2023 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice.

### **Use of our report**

This report is made solely to the members of the Authority, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 44 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the Authority's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.
