COUNCIL TAX

2025/26

Introduction to Council Tax

Your Council Tax helps to pay for public services in Doncaster and includes the following:

- Children's Social Care
- Council education functions and youth services
- Adult Social Care and older people
- Public transport, road maintenance and street lighting
- Street cleaning, waste collection and disposal
- Leisure centres, libraries, culture and tourism
- Parks & open spaces
- Public health
- Environmental & building services
- Supporting business & creating jobs

Part of your Council Tax also pays for the following services and is collected on their behalf by Doncaster Council:

- South Yorkshire Fire and Rescue Authority
- South Yorkshire Mayoral Combined Authority (Police and Crime Commissioner)

If you live in a parish, your Council Tax also contributes to services provided in your own area.

Further information about these charges can be seen on your bill and in the Council Tax table on page 16.

Your Council Tax bill

How much you pay depends on the value of your property on 1 April 1991, the number of adults living at your address, and the circumstances of those adults. Properties are placed in one of eight bands from A - up to £40,000 (in 1991) to H – over £320,000 (in 1991). This is determined by the Valuation Office Agency (VOA), not City of Doncaster Council (see below). Bands can increase when a property is sold if significant building improvements have been made. To see current Council Tax charges and bands, go to the last page of this document or online at:

www.doncaster.gov.uk/aboutcounciltax

Finding out more about your Council Tax band

The Valuation Office Agency (VOA) maintains the Council Tax Valuation List. This includes placing new properties within a Council Tax band and changing bands for properties when necessary. To understand why your property is in a certain band, please contact the Valuation Office at:

www.gov.uk/contact-voa

More information is available on our website:

www.doncaster.gov.uk/counciltaxbands

Changes in your circumstances

If you move house, or there are any other changes in your circumstances which may affect the amount of Council Tax you pay, you must let the Council Tax Office know immediately.

If you receive any reduction in your bill and you are no longer entitled to it, you must notify the Council Tax Office within 21 days. If you do not you may incur a penalty.

A penalty may also apply if you knowingly provide false information.

What if I think my Council Tax is wrong?

Contact the Council Tax Office and provide the information needed for it to be rectified; a formal appeal may not be necessary.

Appeals against your property band

Contact the Valuation Office within six months of becoming the taxpayer if you think your property band is wrong, at:

www.gov.uk/challenge-council-tax-band

The property band can only be changed for specific reasons, for example, if you have bought a property and the Council Tax has increased because previous building work has put it into a higher band, or if part of the property has been demolished.

Beware of telephone calls from people claiming to be from the Council offering substantial refunds in return for an administration fee because your property is in the wrong band. Never give out your personal information in such situations.

Appeals about discounts, exemptions and the name of the taxpayer

If your application for a discount, exemption or disabled person's reduction has been turned down, or if the bill is in your name or you are not the owner or resident of the property and a request to change the Council Tax records has been refused, you should appeal directly to the Council Tax Office. Your appeal will be dealt with inside two months. If your appeal is unsuccessful you can then appeal to the Valuation Tribunal. You must still pay Council Tax while any appeal is outstanding.

To tell us you've moved or to make an appeal, go to:

www.doncaster.gov.uk/counciltax

Completion notice appeals

Appeals should be made direct to the Valuation Tribunal, however before making an appeal you should contact the Council Tax Office regarding the date given.

If there are significant reasons why the date cannot be met, it may be renegotiated in certain circumstances without needing to make a formal appeal.

To dispute a completion date, go to:
www.doncaster.gov.uk/counciltax

Homemovers

Don't forget your furniture, your pets... or your right to vote! If you've just moved house, you will need to register to vote again. It's incredibly important that you do, otherwise you may not be able to vote.

Now that you've installed your fridge and updated your Council Tax, take a few minutes to update the Electoral Register at your new address to make sure you don't miss out. Then you can get back to unpacking all those boxes.

Update your details by visiting:
www.gov.uk/register tovote

It only takes three minutes. Make sure you include your previous address when completing the online form so you can be removed from the register at your old address.

Budget information

Council Tax Increases and Referendum limits

City of Doncaster Council has increased its Council Tax by 3.99% for 2025/26. The increase is made up of 2 elements; a core Council Tax increase of 1.99% as set out in the 2025/26 Revenue Budget Report and a separate increase to the Adult Social Care Precept of 2.0%.

The core increase and Adult Social Care element are shown together as a single amount on your Council Tax bill, with a single percentage increase, shown to two decimal places.

Joint Authorities

The South Yorkshire Fire and Rescue Authority has set an increase of 5.88% for 2025/26, which equates to a £5.00 rise from 2024/25. Further information can be found online at: www.syfire.gov.uk by searching under budget.

South Yorkshire Mayoral Combined Authority (Police and Crime Commissioner) has set an increase of 5.58% for 2025/26, which equates to a £14.00 rise from 2024/25.

Ways to reduce your bill

Local Council Tax Reduction

If you are on a low income, you may be entitled to Local Council Tax Reduction. Local Council Tax Reduction is based on your income, savings and other capital you have, and who lives with you. If you think your Council Tax Reduction is wrong you should contact Benefits in the first instance. A formal right of appeal exists direct to the Valuation Tribunal.

For further information and to make a claim on line, visit www.doncaster.gov.uk/counciltaxreduction

Discounts

Single Occupier Discount

If you are the only adult living in your property you could get a 25% discount.

This depends on who uses your property as their main address even if they don't spend all of their time there. For example partners who have moved away for employment reasons only, may still be classed as having their main home in Doncaster. If you suspect that someone is claiming a discount and they shouldn't be you can contact the Council in confidence.

Single occupier discount review

Doncaster households are being urged to tell the Council if they are claiming Council Tax discounts they are not entitled to. The Council carries out a 12 month rolling review of single occupier discounts in a bid to ensure only those entitled receive a discount.

The review will be done by comparing Council Tax information with other databases to identify those cases where more than one adult is living at an address and a discount is still being claimed.

Households can contact Revenues by:

- Using an online form at:
www.doncaster.gov.uk/counciltax

- Visiting the Council offices at:
Civic Office, Waterdale, Doncaster DN1 3BU.

Please make sure you return your review letter as failure to do so will result in your discount being cancelled.

Do you care for, live with or know somebody living with Alzheimer's or Dementia?

Depending on the household circumstances a **COUNCIL TAX DISCOUNT** might apply.

The level of discount that can be awarded can range from 25% through to a 100% exemption depending on the individual circumstances.

Find out more at:

www.doncaster.gov.uk/counciltax
or call **01302 734454**.

If you struggle to get online visit your local library or the Civic Office, Waterdale for help and support.

Other Discounts

Some adults don't count for Council Tax purposes even though they live at the address – some examples are full time students, people in residential care, and some carers.

A 25% discount can be given if only one adult at an address counts. In certain circumstances a 50% discount can be given if no adults count.

You may also be entitled to a 50% discount if you have an annexe to your main home which has been separately banded for Council Tax, but which is either used by you or certain members of your family as their main home.

Exemptions

In certain circumstances and for a set period of time, you may not have to pay Council Tax at all. For example if the property is only occupied by people that are suffering from a mental impairment such as Alzheimer's or Dementia.

Disabilities

If a disabled person lives in your property (adult or child), they use a wheelchair indoors, or the property has been adapted in a specific way, e.g. if a room has been taken out of household use for the disabled person, then a reduction equivalent to moving into a lower property band may be given.

You need to make an application for all of the above. If you need further information or a full list of all discount or exemption groups please visit:

www.doncaster.gov.uk/counciltax

Ways to Pay

Customers have a huge range of choice in how to pay. All options can be seen with your Council Tax bill. Direct Debit is the Council's preferred payment option as it is cheaper to administer. The easiest way to set up a Direct Debit is using our on line form. Please go to: www.doncaster.gov.uk/howtopay

Please note if you have arrears including court costs you will need to contact us.

Are you having difficulty paying?

Doncaster Council has a legal obligation to ensure payments are paid on time, it also recognises however, that many taxpayers are facing difficulty in the current economic climate. Council Tax is a priority debt. Follow the advice below if you are facing difficulty this year:

1. Seek advice on claiming all available discounts and benefit
2. Get advice early, don't wait for a reminder or summons
3. Spread the cost over 12 months, April to March
4. Ask about special payment arrangements
5. When asked, provide information about your income, household expenditure and employment
6. Renegotiate instalments on arrears to keep your current year up to date
7. Seek Free, Impartial Debt Advice from National Debt Line. Go to: www.nationaldebtline.org or call Freephone on 0808 808 4000.

In addition, Citizens Advice also offers free advice at: www.citizensadvice.org.uk

What if I don't pay?

Doncaster Council will always work with those people who are facing financial difficulty, however those that refuse to pay will be pursued vigorously. Please be aware that if you don't pay in line with the bill you have been sent, the following will occur:

1. A reminder will be sent asking you to bring your account up to date
2. If you do not pay as instructed a Summons will be sent to you. This will add £48.00 costs to your account
3. A Liability Order would then be obtained which allows Doncaster Council to take further action to recover the unpaid amount. This will also add £26.00 costs to your account
4. Further action can include the use of an Enforcement Agent who can remove goods from your property, an attachment of earnings and certain benefits, a charging order, bankruptcy and ultimately committal to prison in certain circumstances
5. If it becomes necessary to pass your account to an Enforcement Agent for further action, the following costs would be added to your account. It is therefore in your interests to make contact as early as possible:
 - Notice of Enforcement (instruction to take action) £75.00 per Liability Order
 - First visit by an Enforcement Agent – fixed fee of £235.00 plus 7.5% of any balance owed over £1,500.00
 - Sale and removal of goods - fixed fee of £110.00 plus 7.5% of any balance owed over £1,500.00 plus reasonable storage and auctioneers fees.

Refusing to pay?

The billing and collection of Council Tax is covered by legislation set by the Government. Any avoidance tactics used to avoid payment of Council Tax will be tackled by Doncaster Council and will have repercussions for the individual concerned. You may be sent to prison for refusing or knowingly avoiding payment and Doncaster Council will not hesitate to use such powers where it is absolutely necessary. Providing false information to avoid Council Tax registration and payment will also be dealt with seriously and action to prosecute individuals concerned will be taken.

Empty Properties

Under The Levelling-up and Regeneration Act 2023, the Government has introduced new legislation which reduces the period of time a property must be unoccupied and substantially unfurnished, before an empty property premium can be applied. From 1 April 2024 this was reduced from 2 years, down to 12 months. A decision was made by full Council on 26 February 2024 to apply the change in accordance with the new legislation.

New unoccupied but substantially furnished property premium effective from 1 April 2025

Under Section 80 of The Levelling-up and Regeneration Act 2023, the Government has introduced changes to Council Tax legislation allowing Billing Authorities to apply a premium of up to 100% (up to a 200% Council Tax charge in total) to properties, where:

1. there is no resident of the dwelling, and
2. the dwelling is substantially furnished.

As well as including unoccupied properties that are substantially furnished, this also includes properties which are often referred to as second homes, where a property is furnished, but is not a person's main residence and is only occupied periodically.

A decision was made by full Council on 26 February 2024 to apply the premium in accordance with the legislation.

This new premium has come into effect from 1 April 2025.

For more information, please visit:
www.doncaster.gov.uk/counciltax

Empty Property Charges 2025/26

Unless covered by an exemption all empty and unfurnished property attract a full 100% charge from day 1.

Long Term Empty Premium.

Following recent changes to legislation, from 1 April 2024 the period a property has to be empty before first attracting a premium changed from 2 years to 12 months.

The level of the premium applied depends on the length of time the property has remained empty.

Assuming a standard Council Tax charge of £1,000, the following long term empty property premiums apply:

Empty for 1+ to 5 years. 100% premium = 200% Charge = £2,000.00.

Empty for 5+ years. 200% premium = 300% Charge = £3,000.00.

Empty for 10+ years. 300% premium = 300% Charge = £4,000.00.

Unoccupied and substantially furnished properties are charged 100% from day 1. However, from 1 April 2025, a premium of 100% will also apply to properties that are unoccupied but substantially furnished for 12 months or more.

Exceptions to the premiums:

From 1 April 2025, the Government has introduced additional legislation setting out certain circumstances where a long-term empty, or the new unoccupied but substantially furnished premium should not apply. Time limits apply to the length of time an exception may apply, after which a relevant premium may still become applicable. These exceptions only exclude dwellings from premiums being applied, and do not affect the standard rate of Council Tax that may be chargeable on the property.

For more information about the exceptions to the premiums please visit:

www.doncaster.gov.uk/counciltax

Information for Landlords and Managing Agents

If you let your property it is important that you tell the Council Tax Office straight away, providing the names of the tenants and their previous addresses.

If information is received late and incomplete, then the owner of the property may be charged 100% Council Tax for the period the property was occupied, unless substantial evidence can be provided which confirms the existence of the occupiers

In such cases the production of a tenancy agreement which covers a period in the past might not be enough and further information may be needed.

If the property is let to several individuals the owner may still be responsible for Council Tax even if all people are shown as joint tenants on the agreement. Where the situation is unclear further checks will be used, for example, benefit records to ensure occupancy of a property is consistent with Council Tax information. Contact may also be made with the occupants. There is now an online form specifically for landlords to tell the Council that there has been a change in tenancy, please go to:

www.doncaster.gov.uk/counciltaxlandlords

Sharing your information

This Authority is under a duty to protect the public funds it administers and to this end may use the information that you provide for the prevention and detection of fraud.

It may also share your information with other bodies responsible for auditing or administering public funds for these purposes. This will involve regular data matching exercises.

Data matching is where information held on one computer system is compared electronically with information from one or more other computer systems, for example, we will compare the information from Council Tax and The Electoral Register to identify fraud or error.

Revenues data, which includes Council Tax and Business Rates information, may also be provided to, and used for checks with other Council departments where it is needed by them to carry out their functions.

For example, data can be used to help identify properties that have been empty for a while to encourage owners to bring them back into use and schools may also check Council Tax records where there are enquiries relating to pupil admissions.

Customer names and contact addresses are also being held by Doncaster Council for the introduction of a single customer account. This will benefit residents in the future by reducing the number of times a customer needs to notify the Council of a change.

Revenues data may also be shared with other organisations where the General Data Protection Regulations (GDPR) and The Data Protection Act 2018 allows this to happen.

For example, information may be shared with the Police, or HM Revenues and Customs if it is needed to prevent or detect a criminal offence, or carry out a prosecution or to assess or collect any tax or duty.

Doncaster Council will also use Credit Reference Agencies to carry out data matching to identify potential fraud.

Doncaster Council's pay policy statement

The Council is required under section 38(1) of the Localism Act 2011 to prepare an annual Pay Policy Statement.

The statement must clearly detail the Council's policy for the pay of the workforce, particularly senior staff and lowest paid employees. The statement is available on the Council's website.

This year, there have been a number of changes due to 2024/2025 pay award that has been agreed and implemented. The ratio between the highest and lowest paid staff has reduced to 7.77:1. This means the highest salary is 7.77 times more than the lowest salary. The ratio between the highest salary and average salaries has reduced from 5.46:1 to 5.36:1. This means the highest salary is now 5.36 more than the average salary. The Council remains committed to reduce the pay difference and increase low pay.
